Chapter 542 Instinct

STORY THUS FAR.

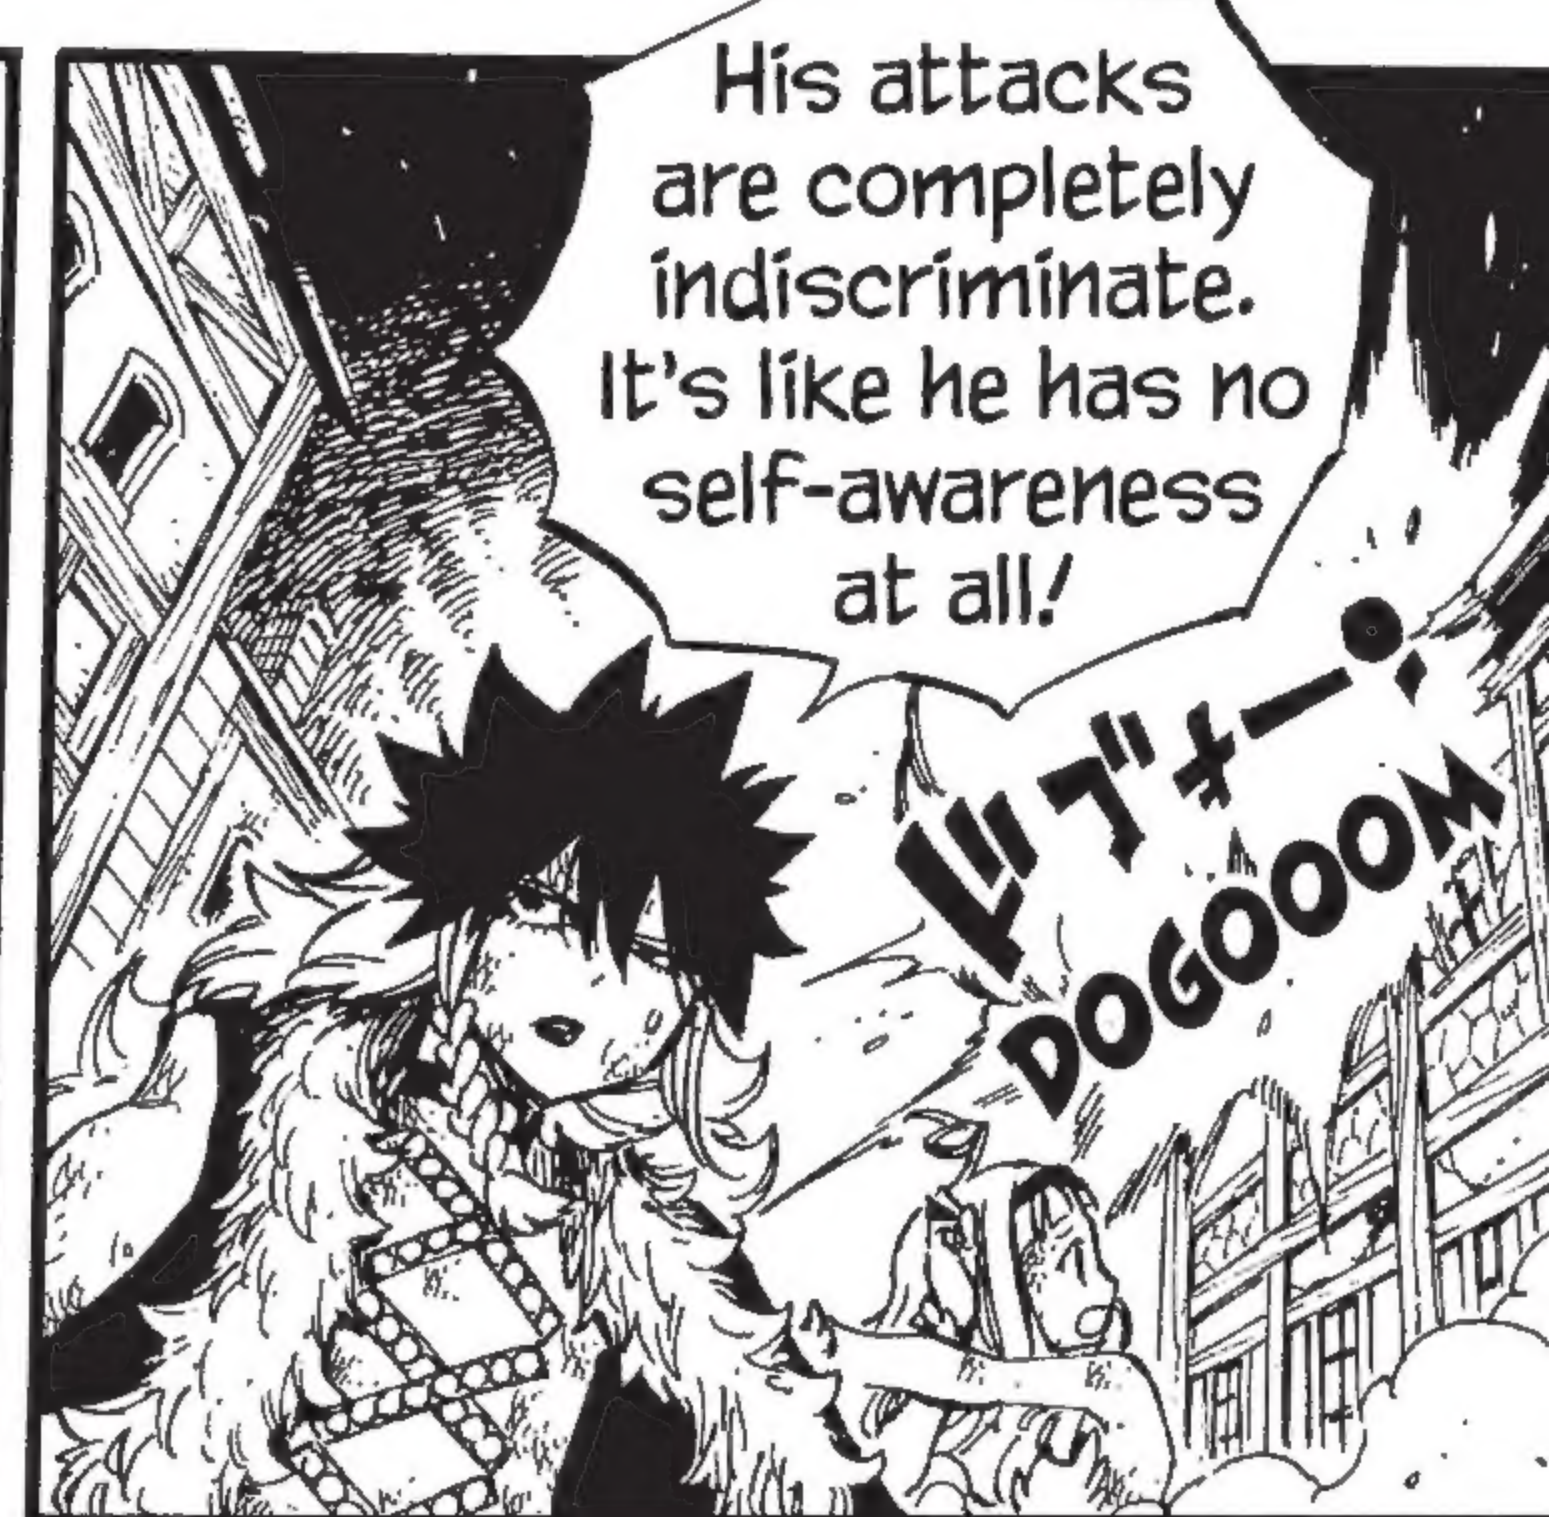

The Black Dragon, Acnologia, has been split into flesh and spirit. The spirit Acnologia is in the space between time fighting the seven Dragon Slayers, while the flesh Acnologia is raining terror down on the wizards gathered in Magnolia!!

I wanna know how we're gonna lure him in the first place!

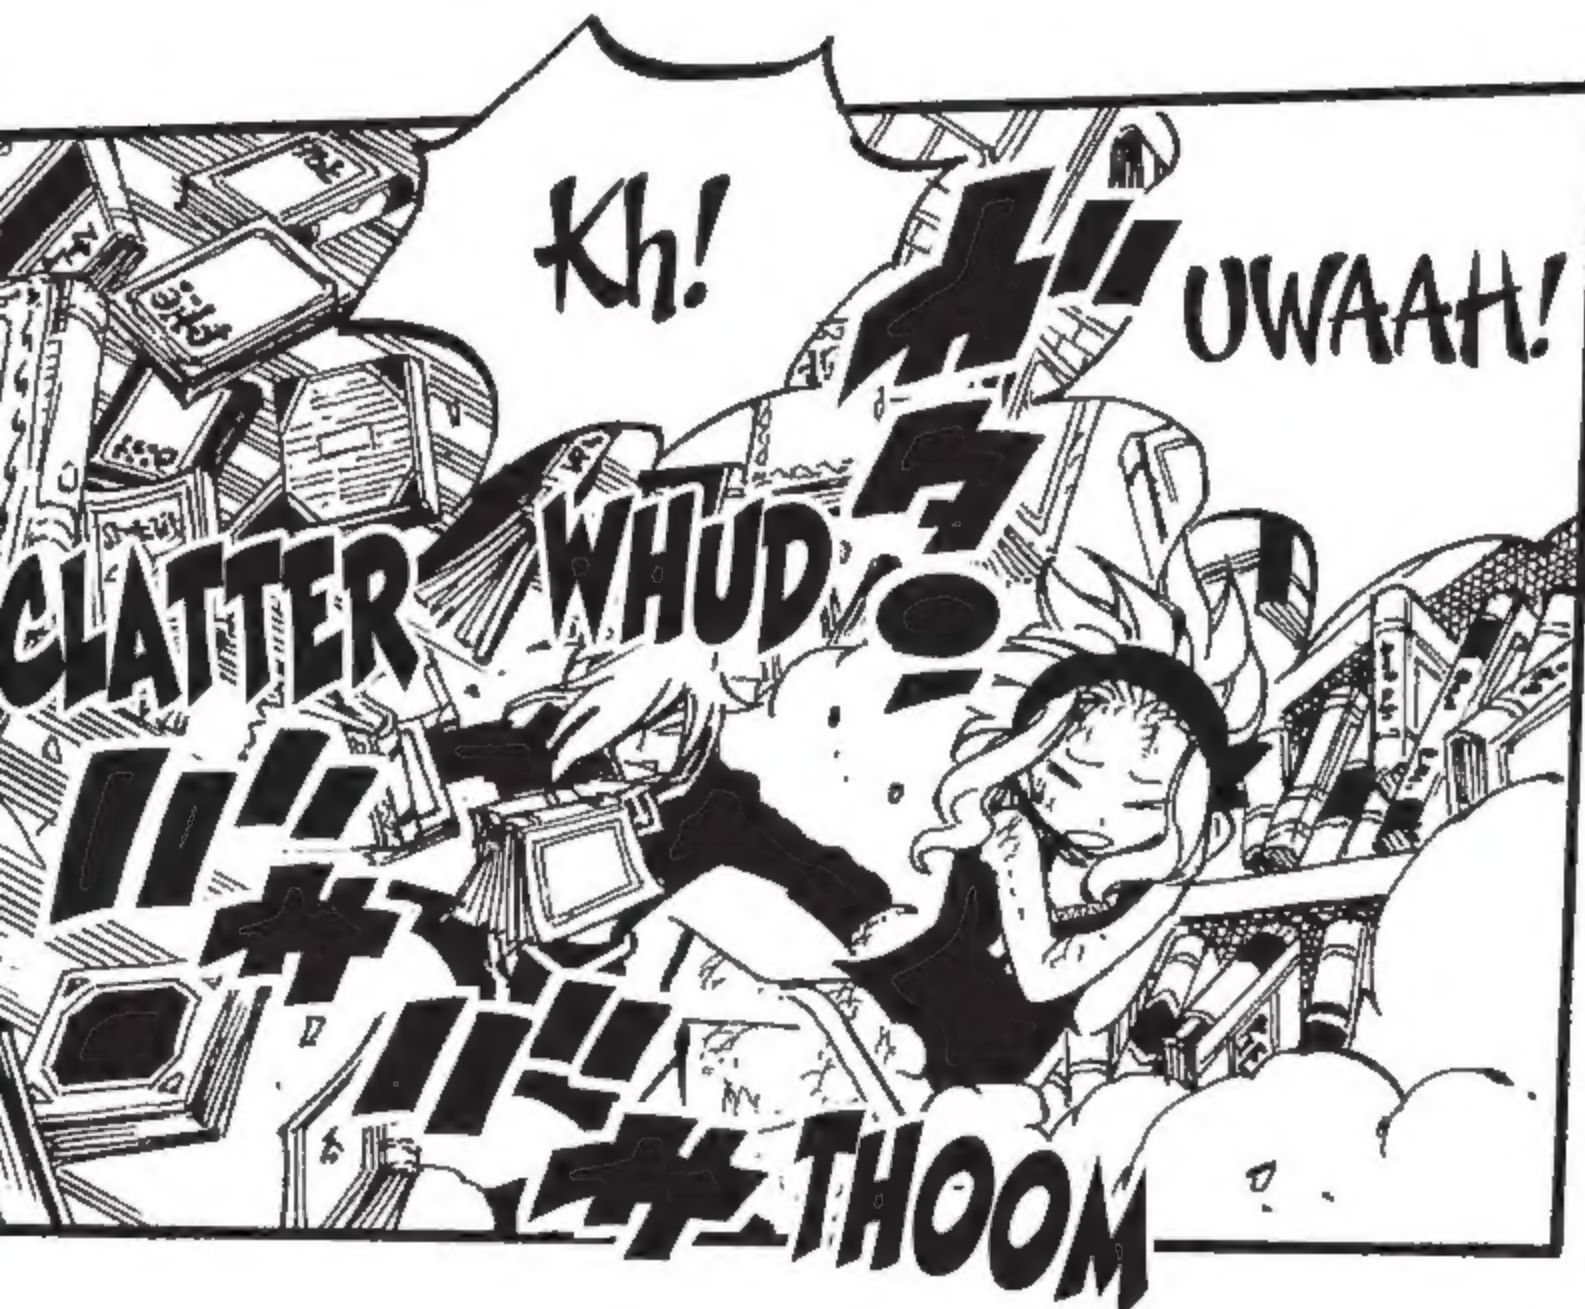

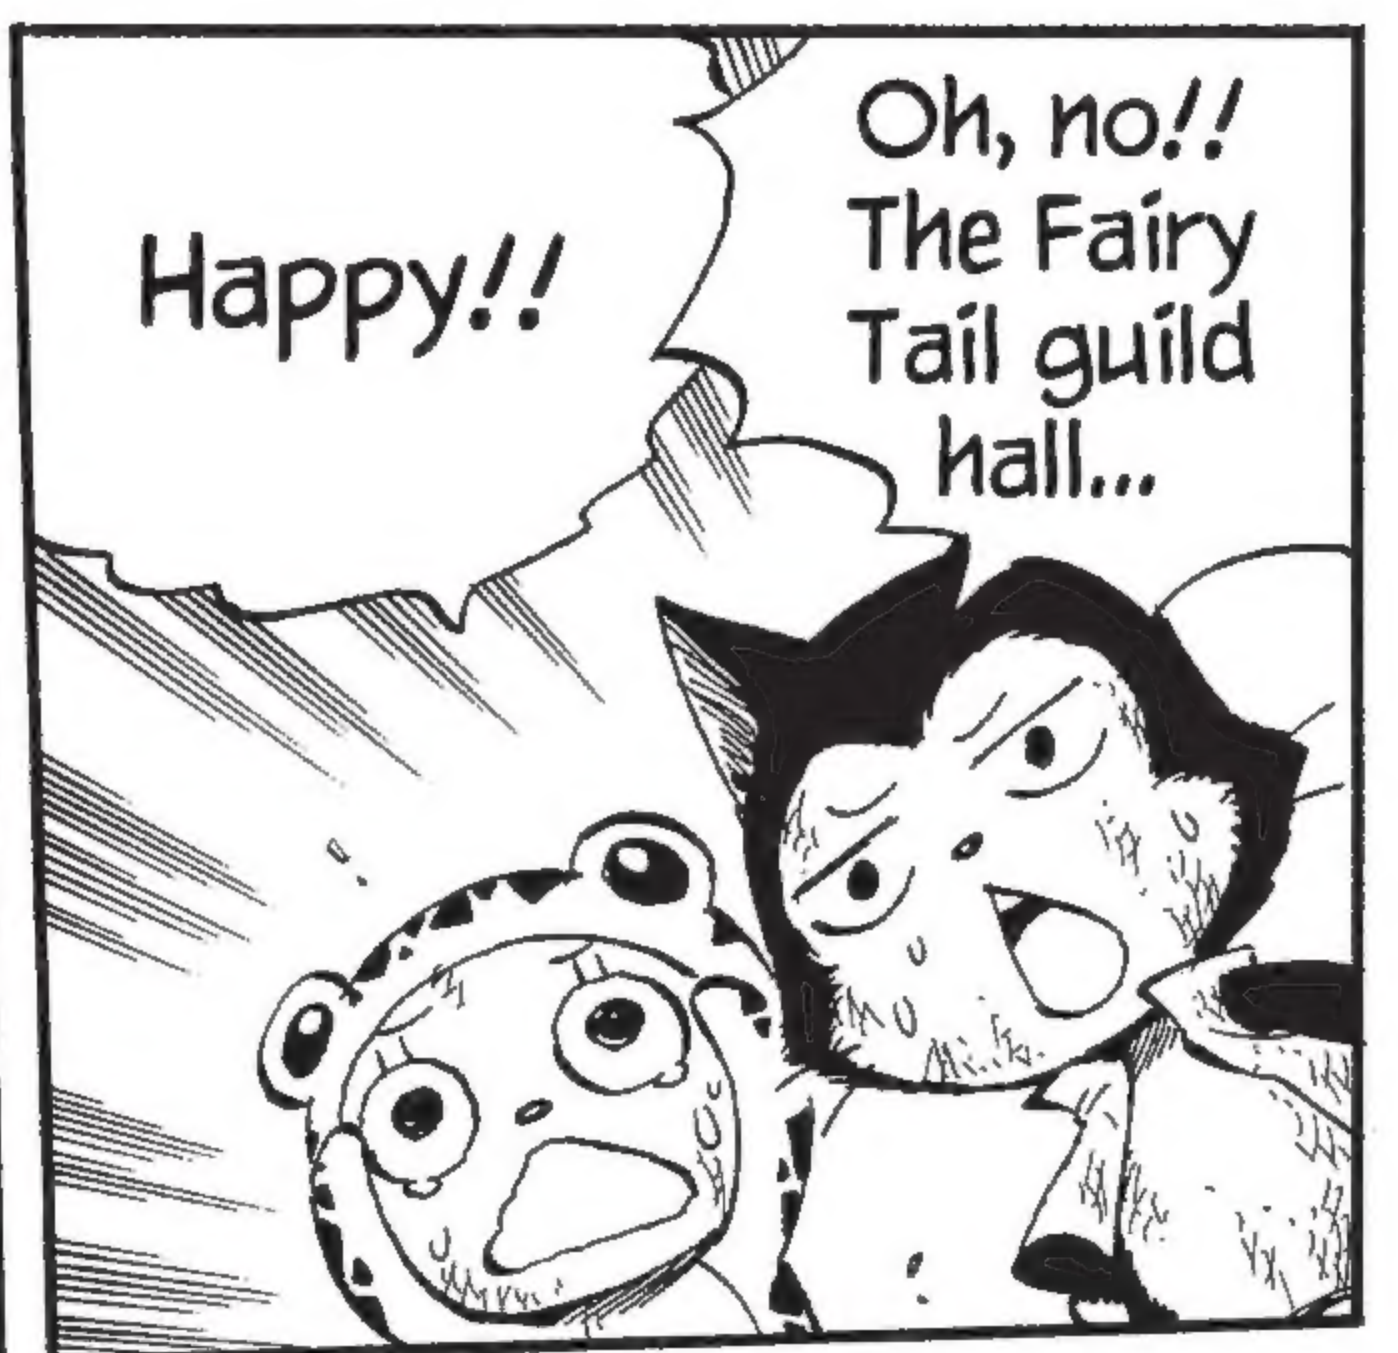

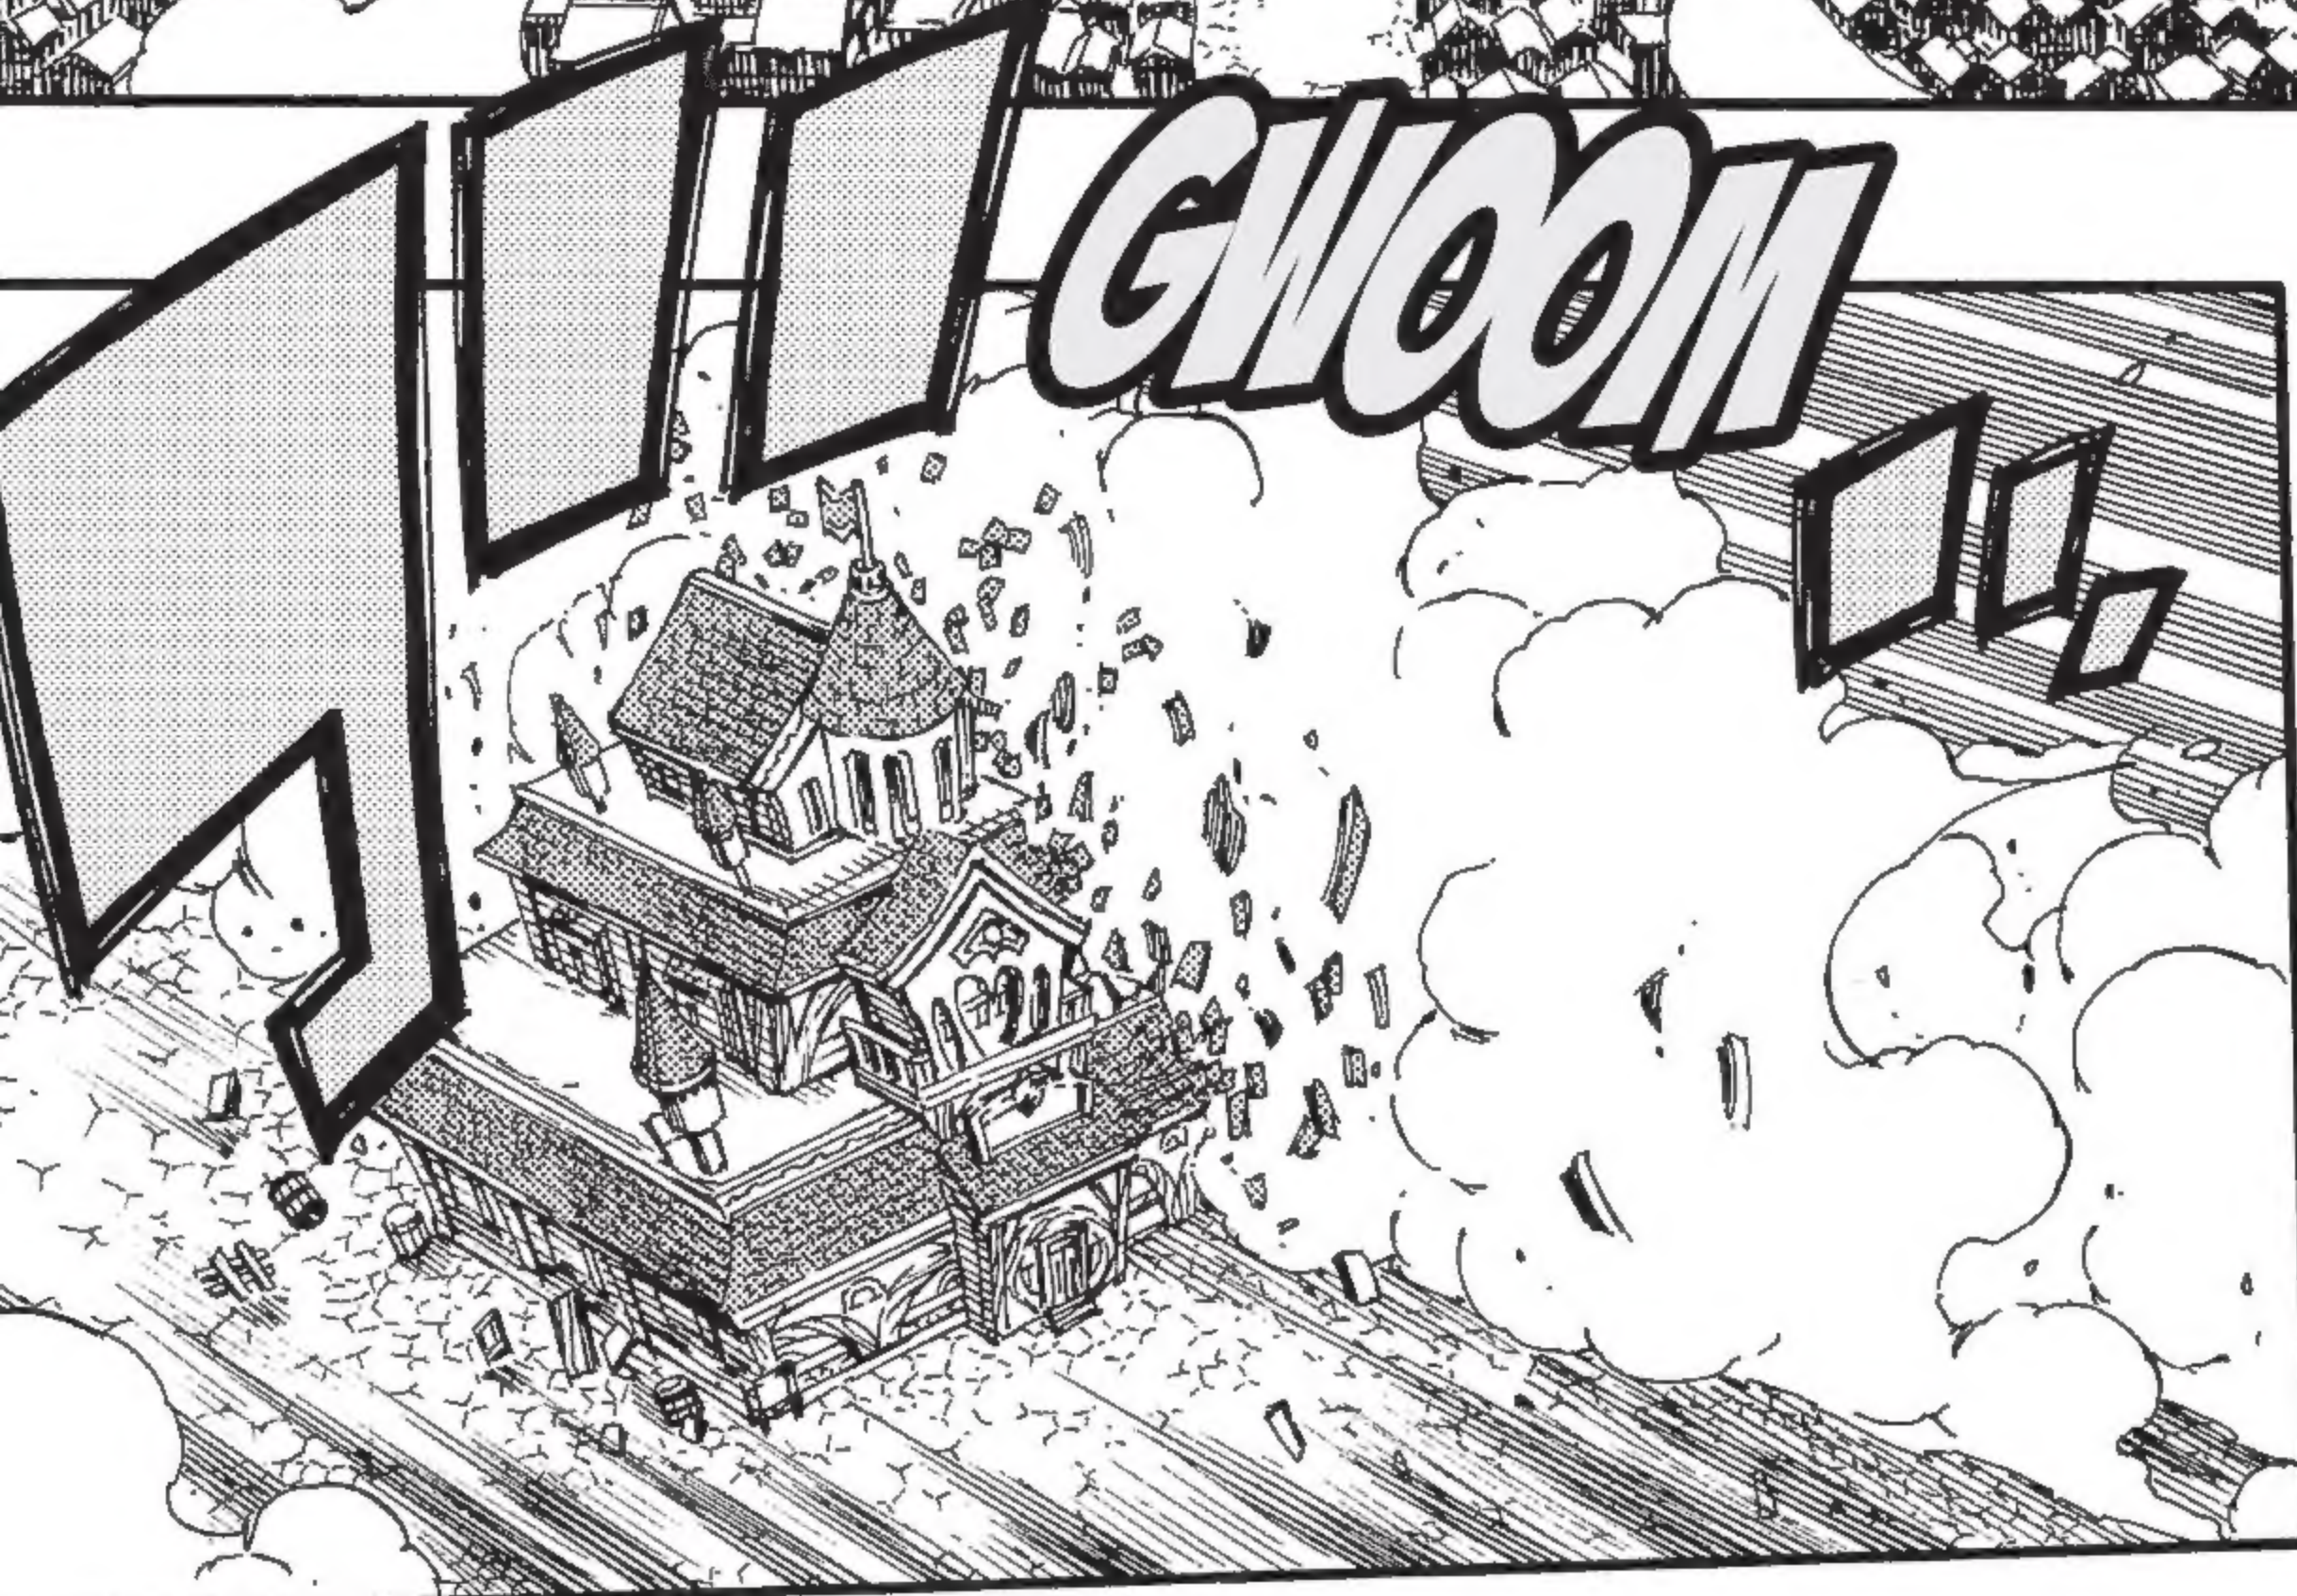

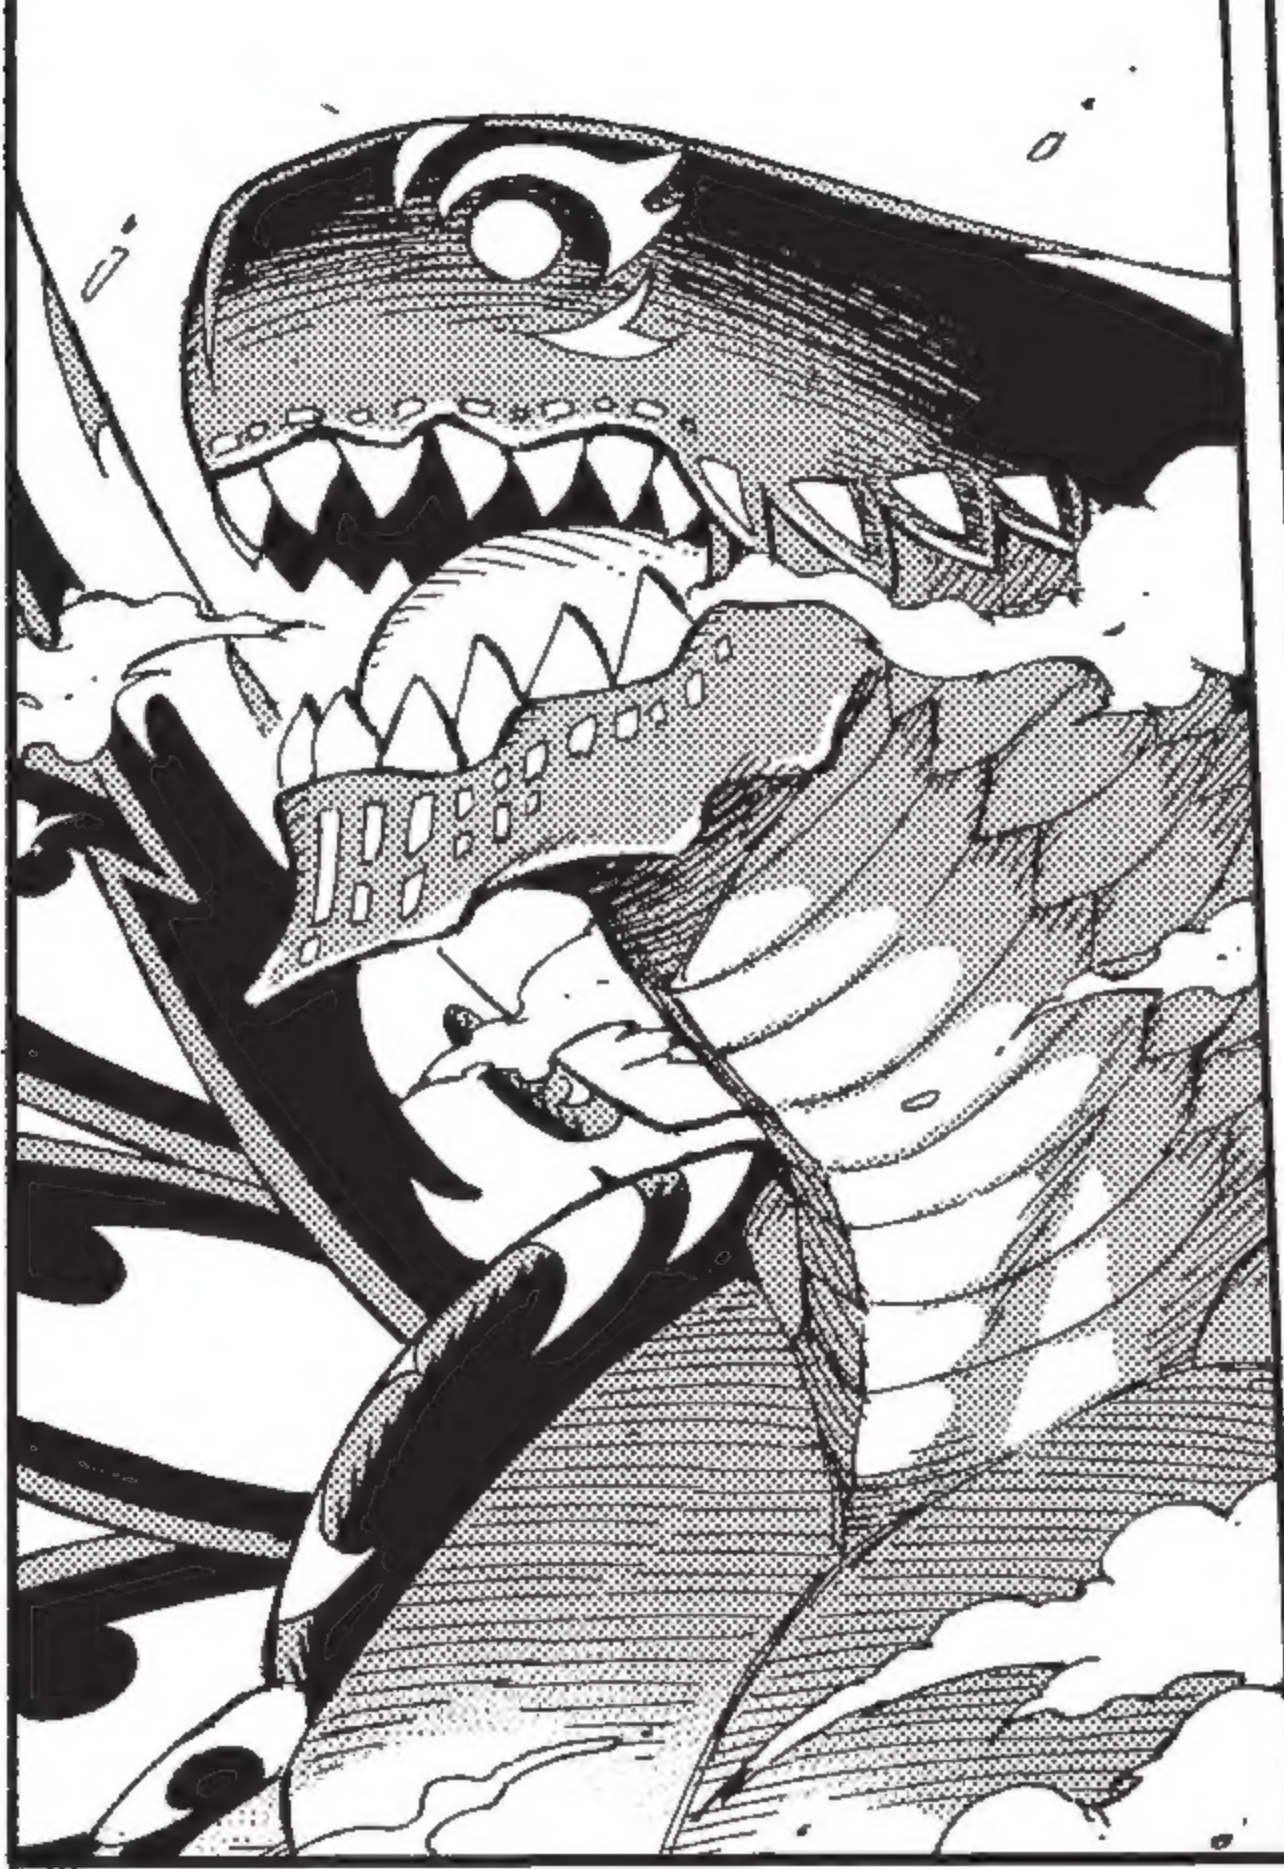

None of our attacks are the least bit effective!

His attacks are completely indiscriminate. It's like he has no self-awareness at all!

Hey!!
Acnologia!!
Try to catch
me if you
can!!

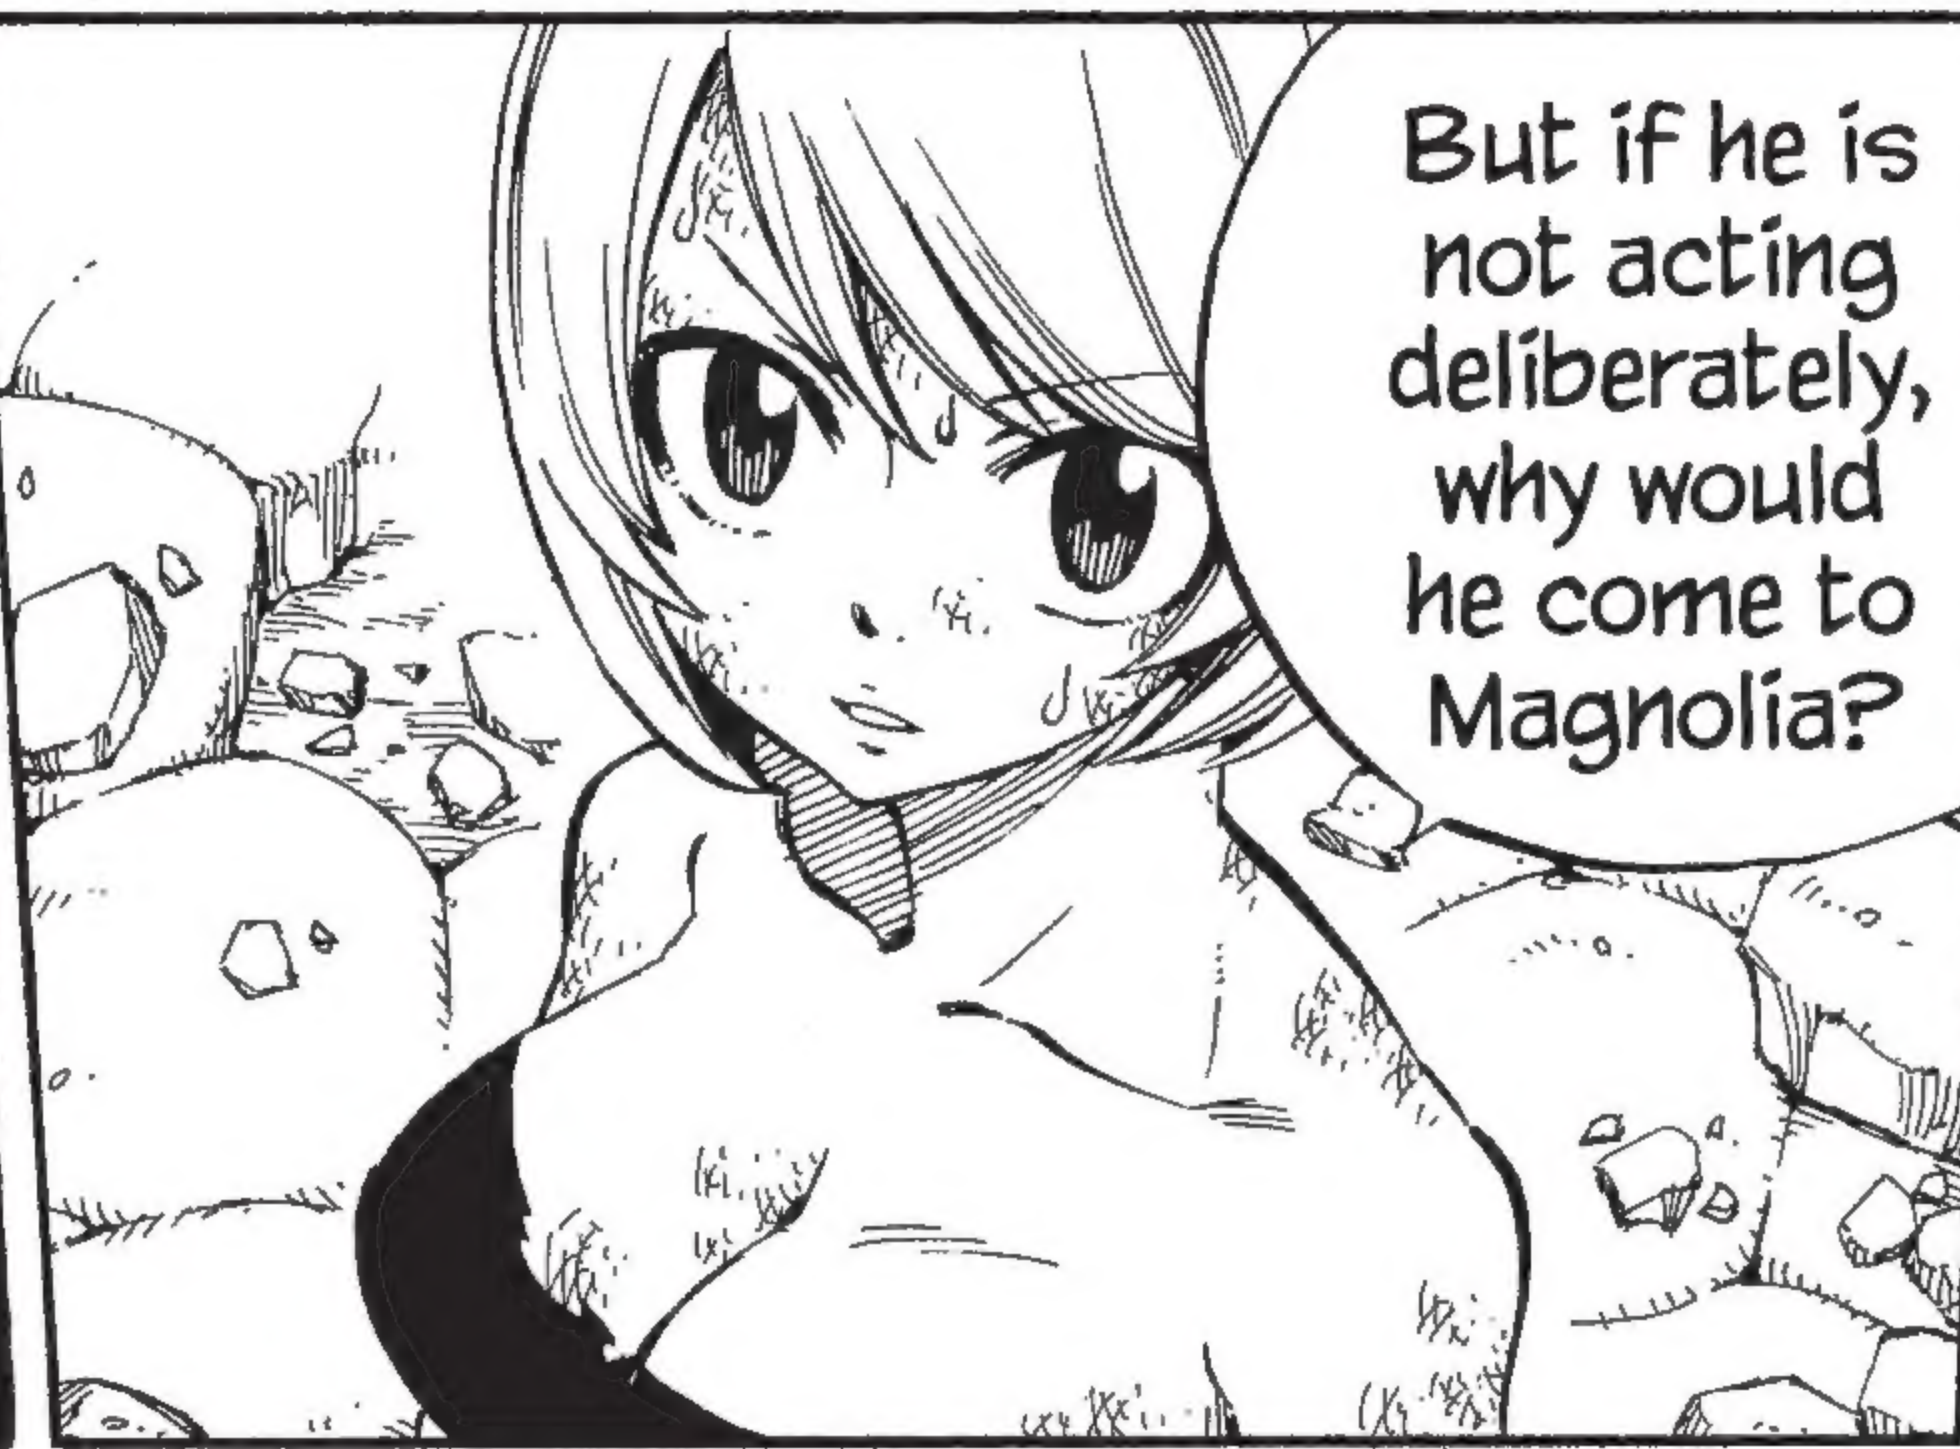

This cannot
continue! We cannot
allow Magnolia to
suffer any further
destruction.

Why is
he doing
this?!

I can
think of no
reason.

But if he is
not acting
deliberately,
why would
he come to
Magnolia?

That didn't
work! I guess
words don't
get through
to him!!!

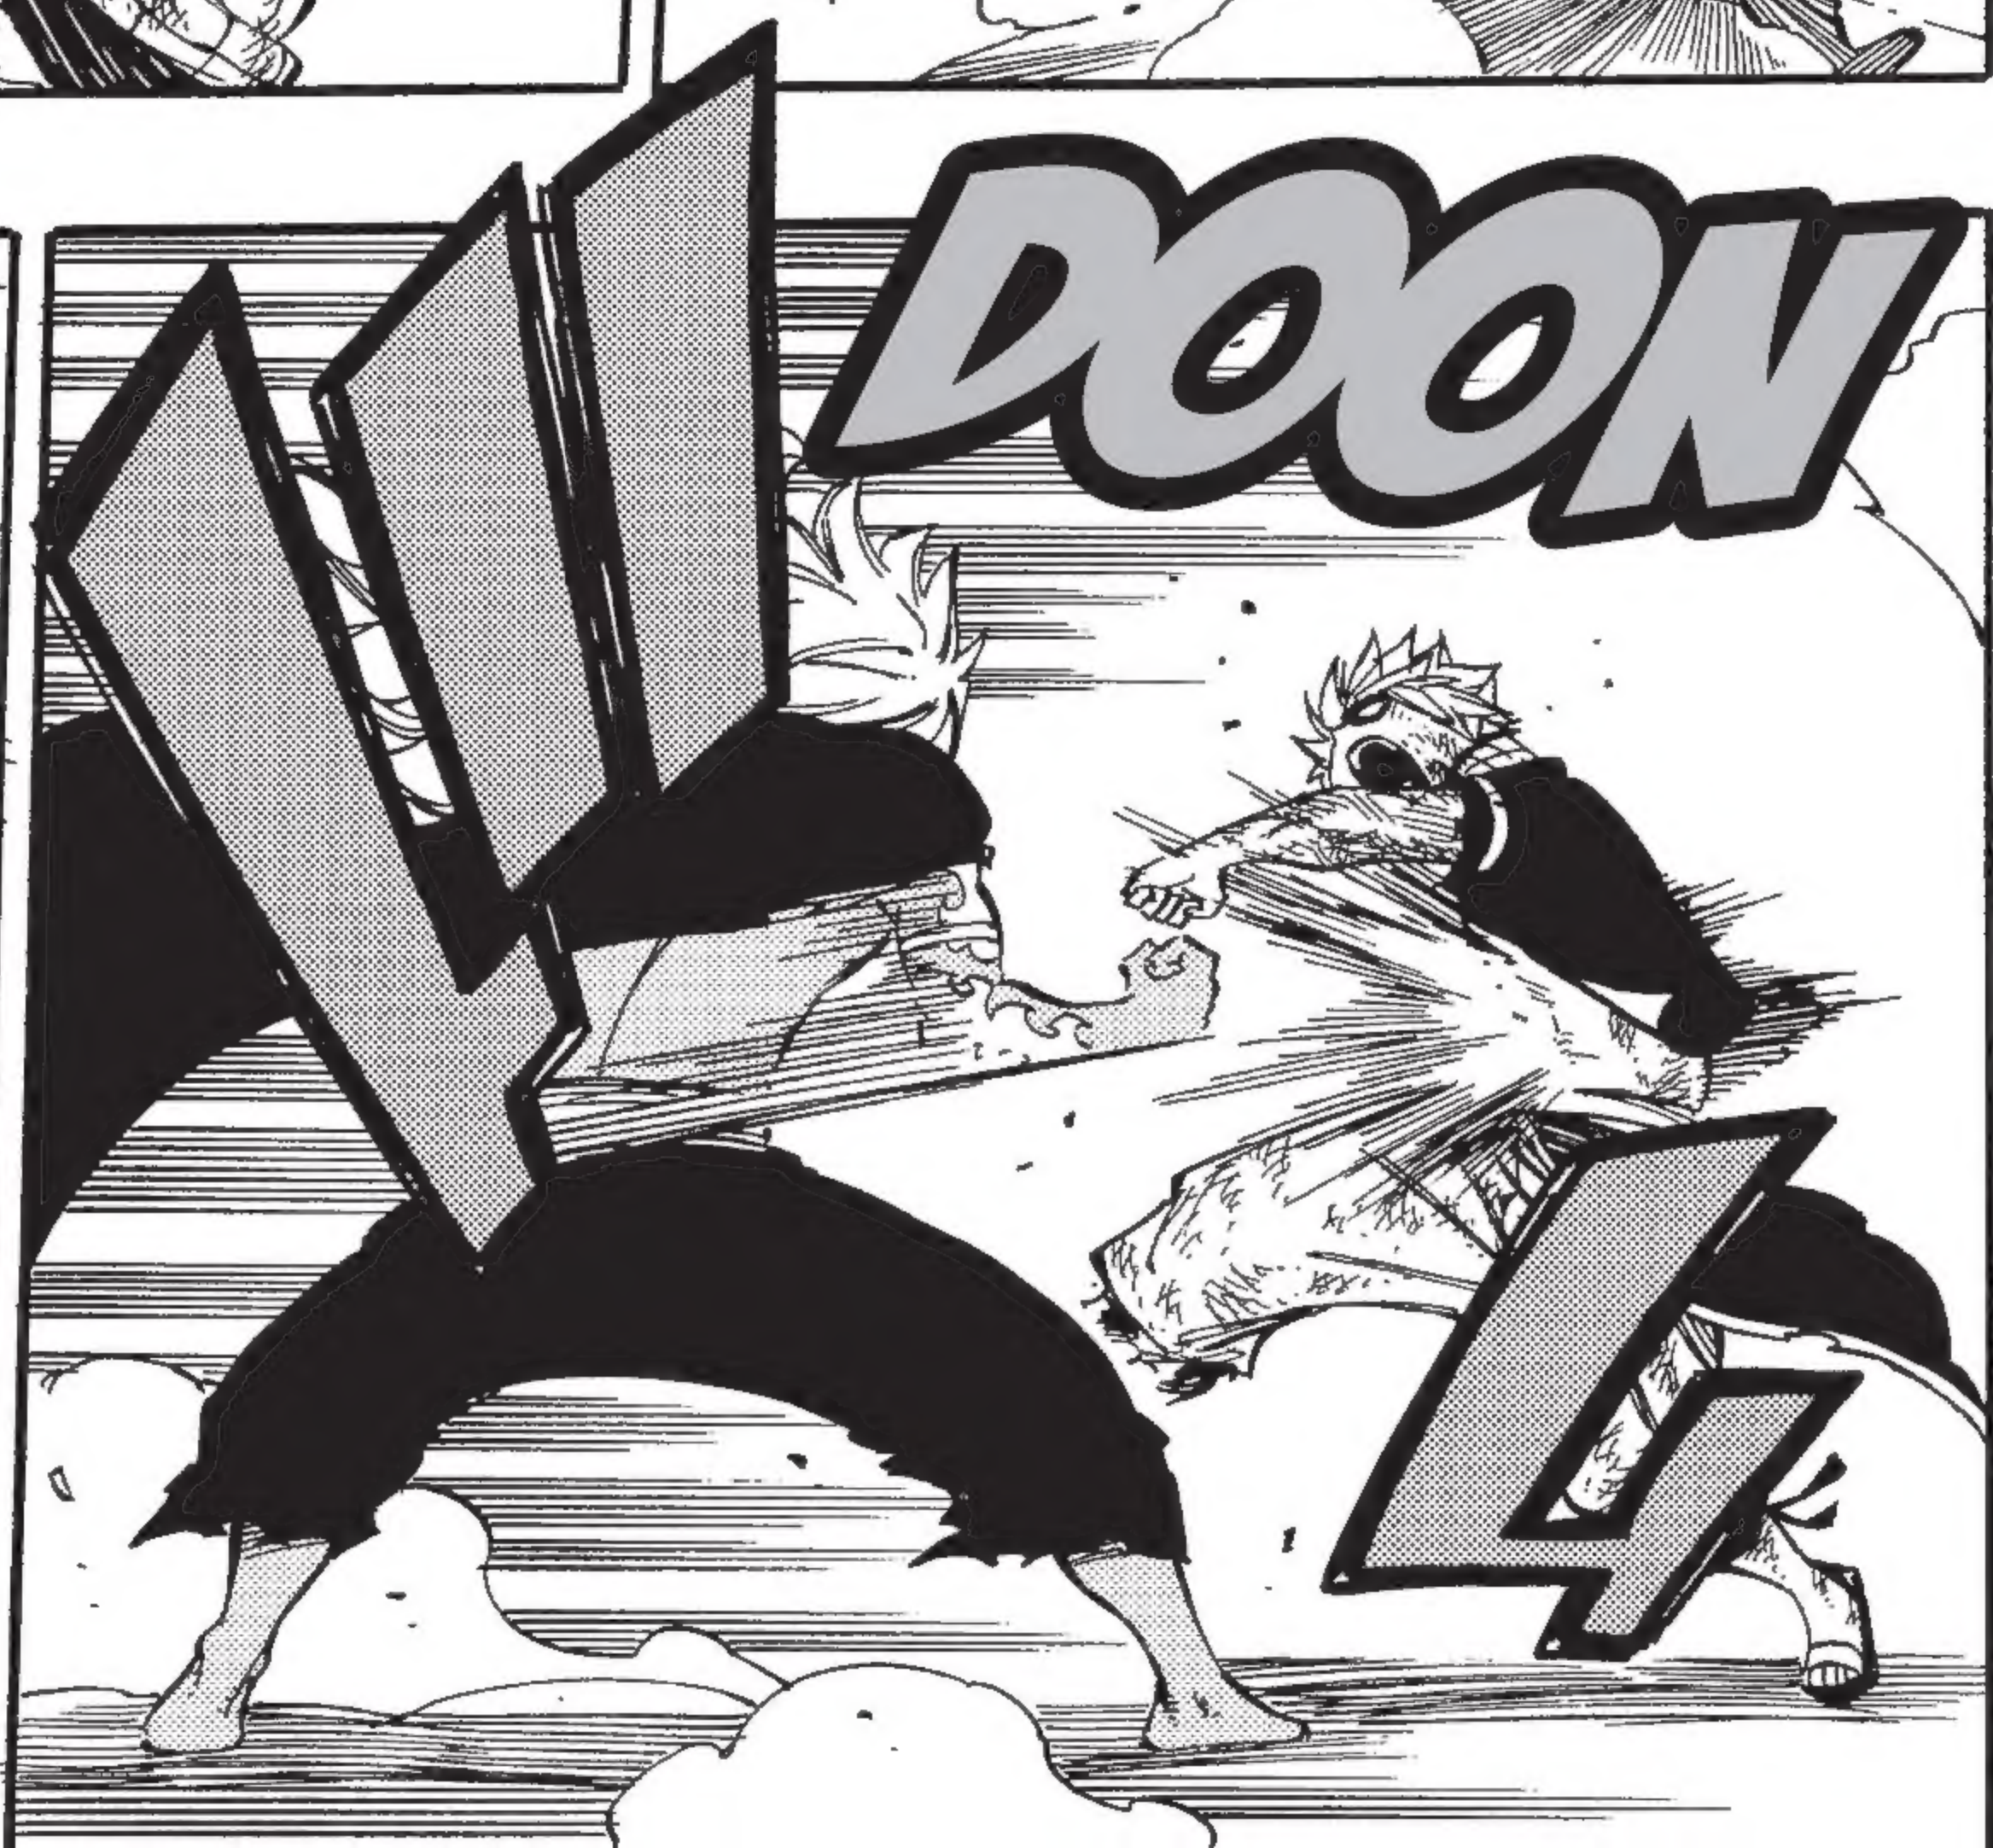

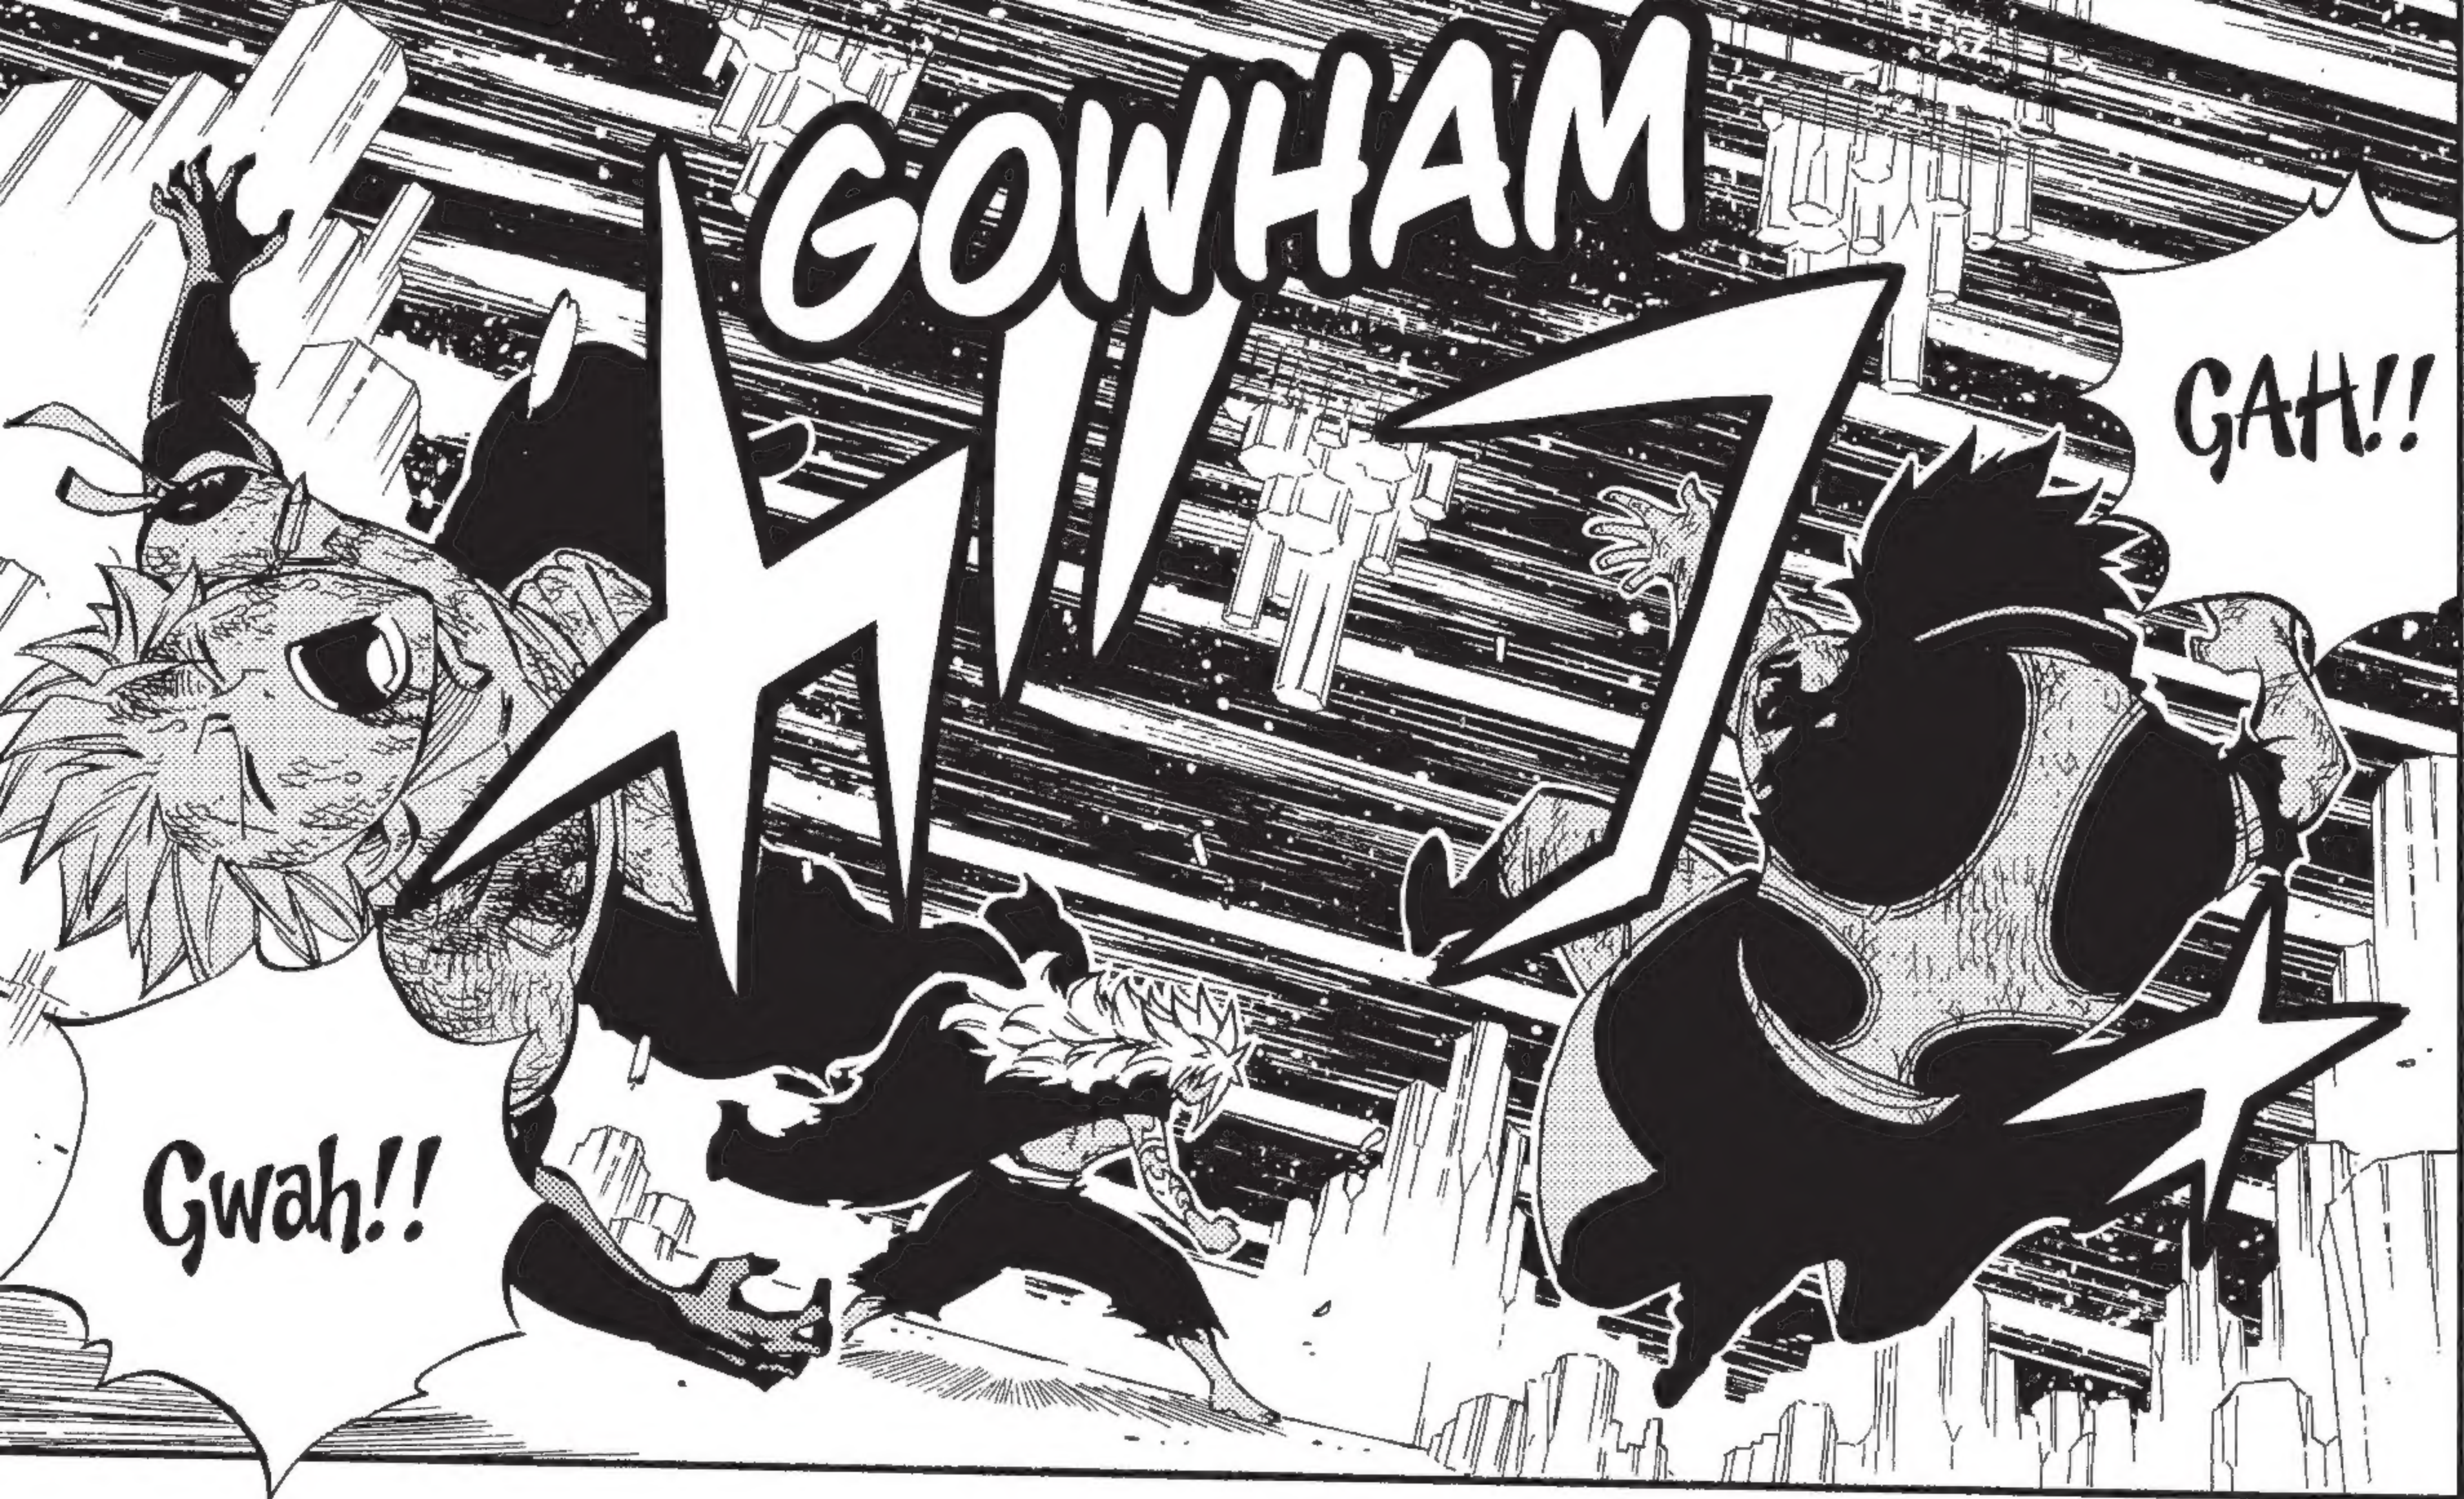

The most
magic he
can find?

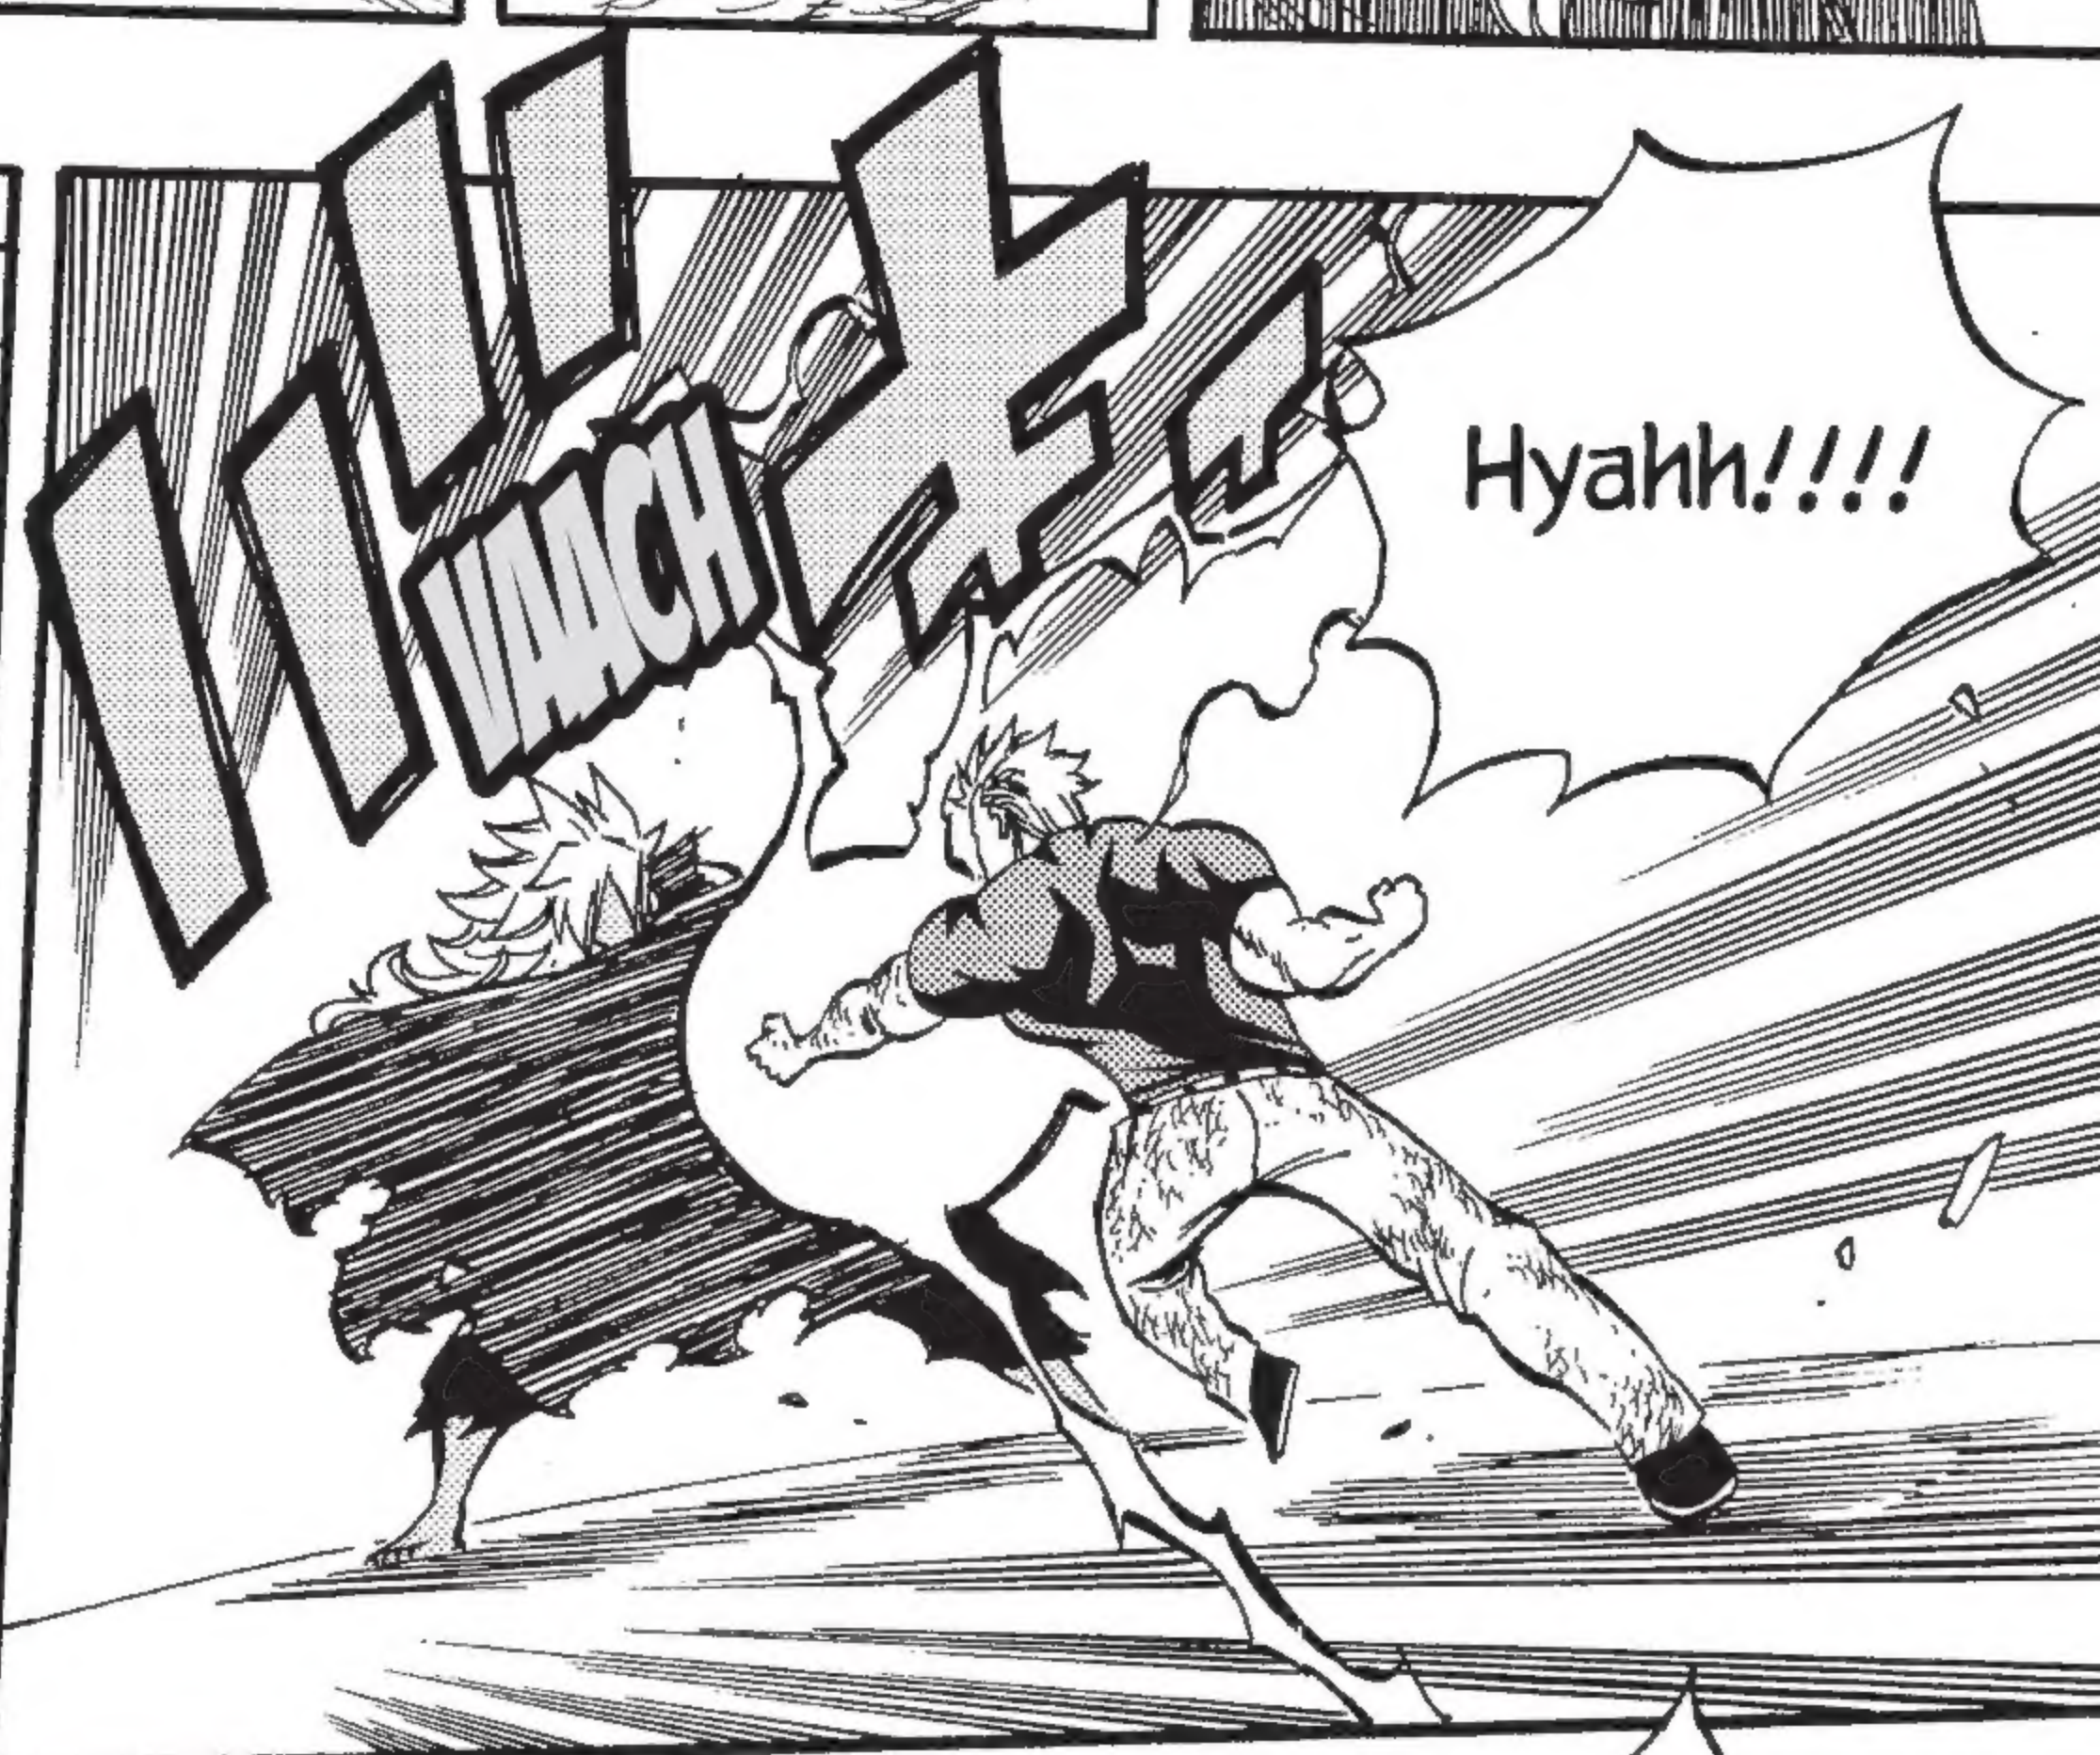

Then he's
following the
magic?

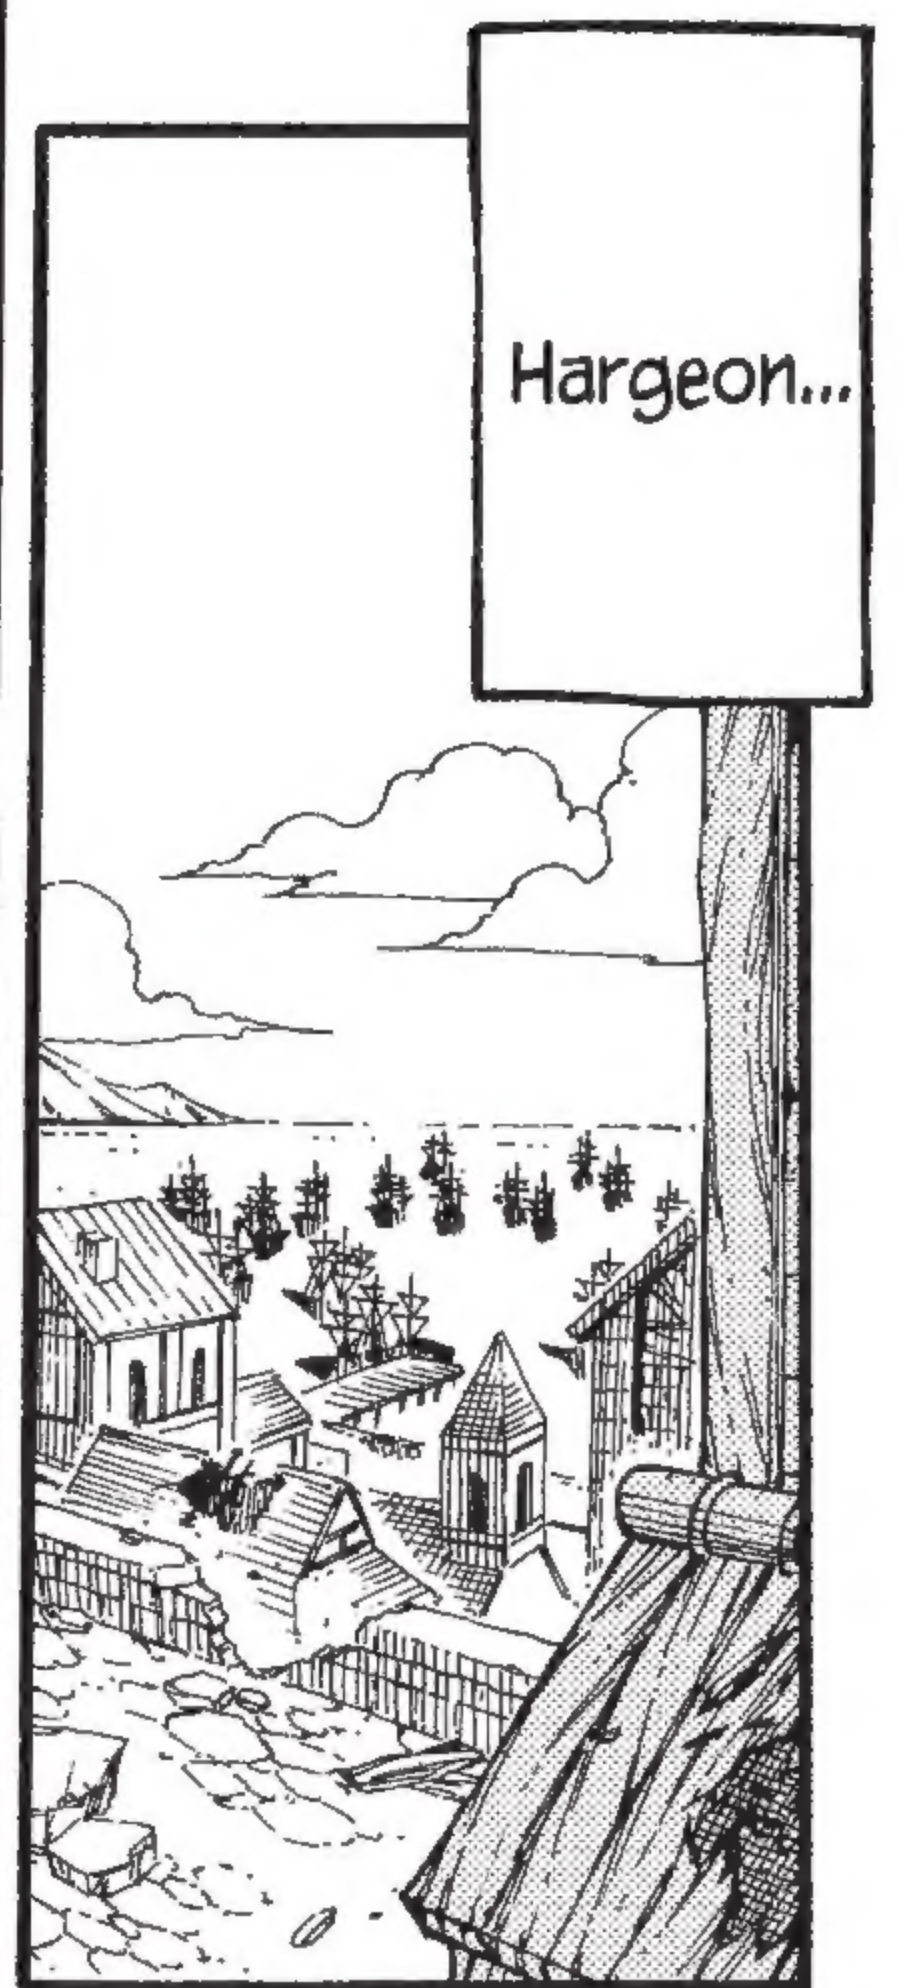

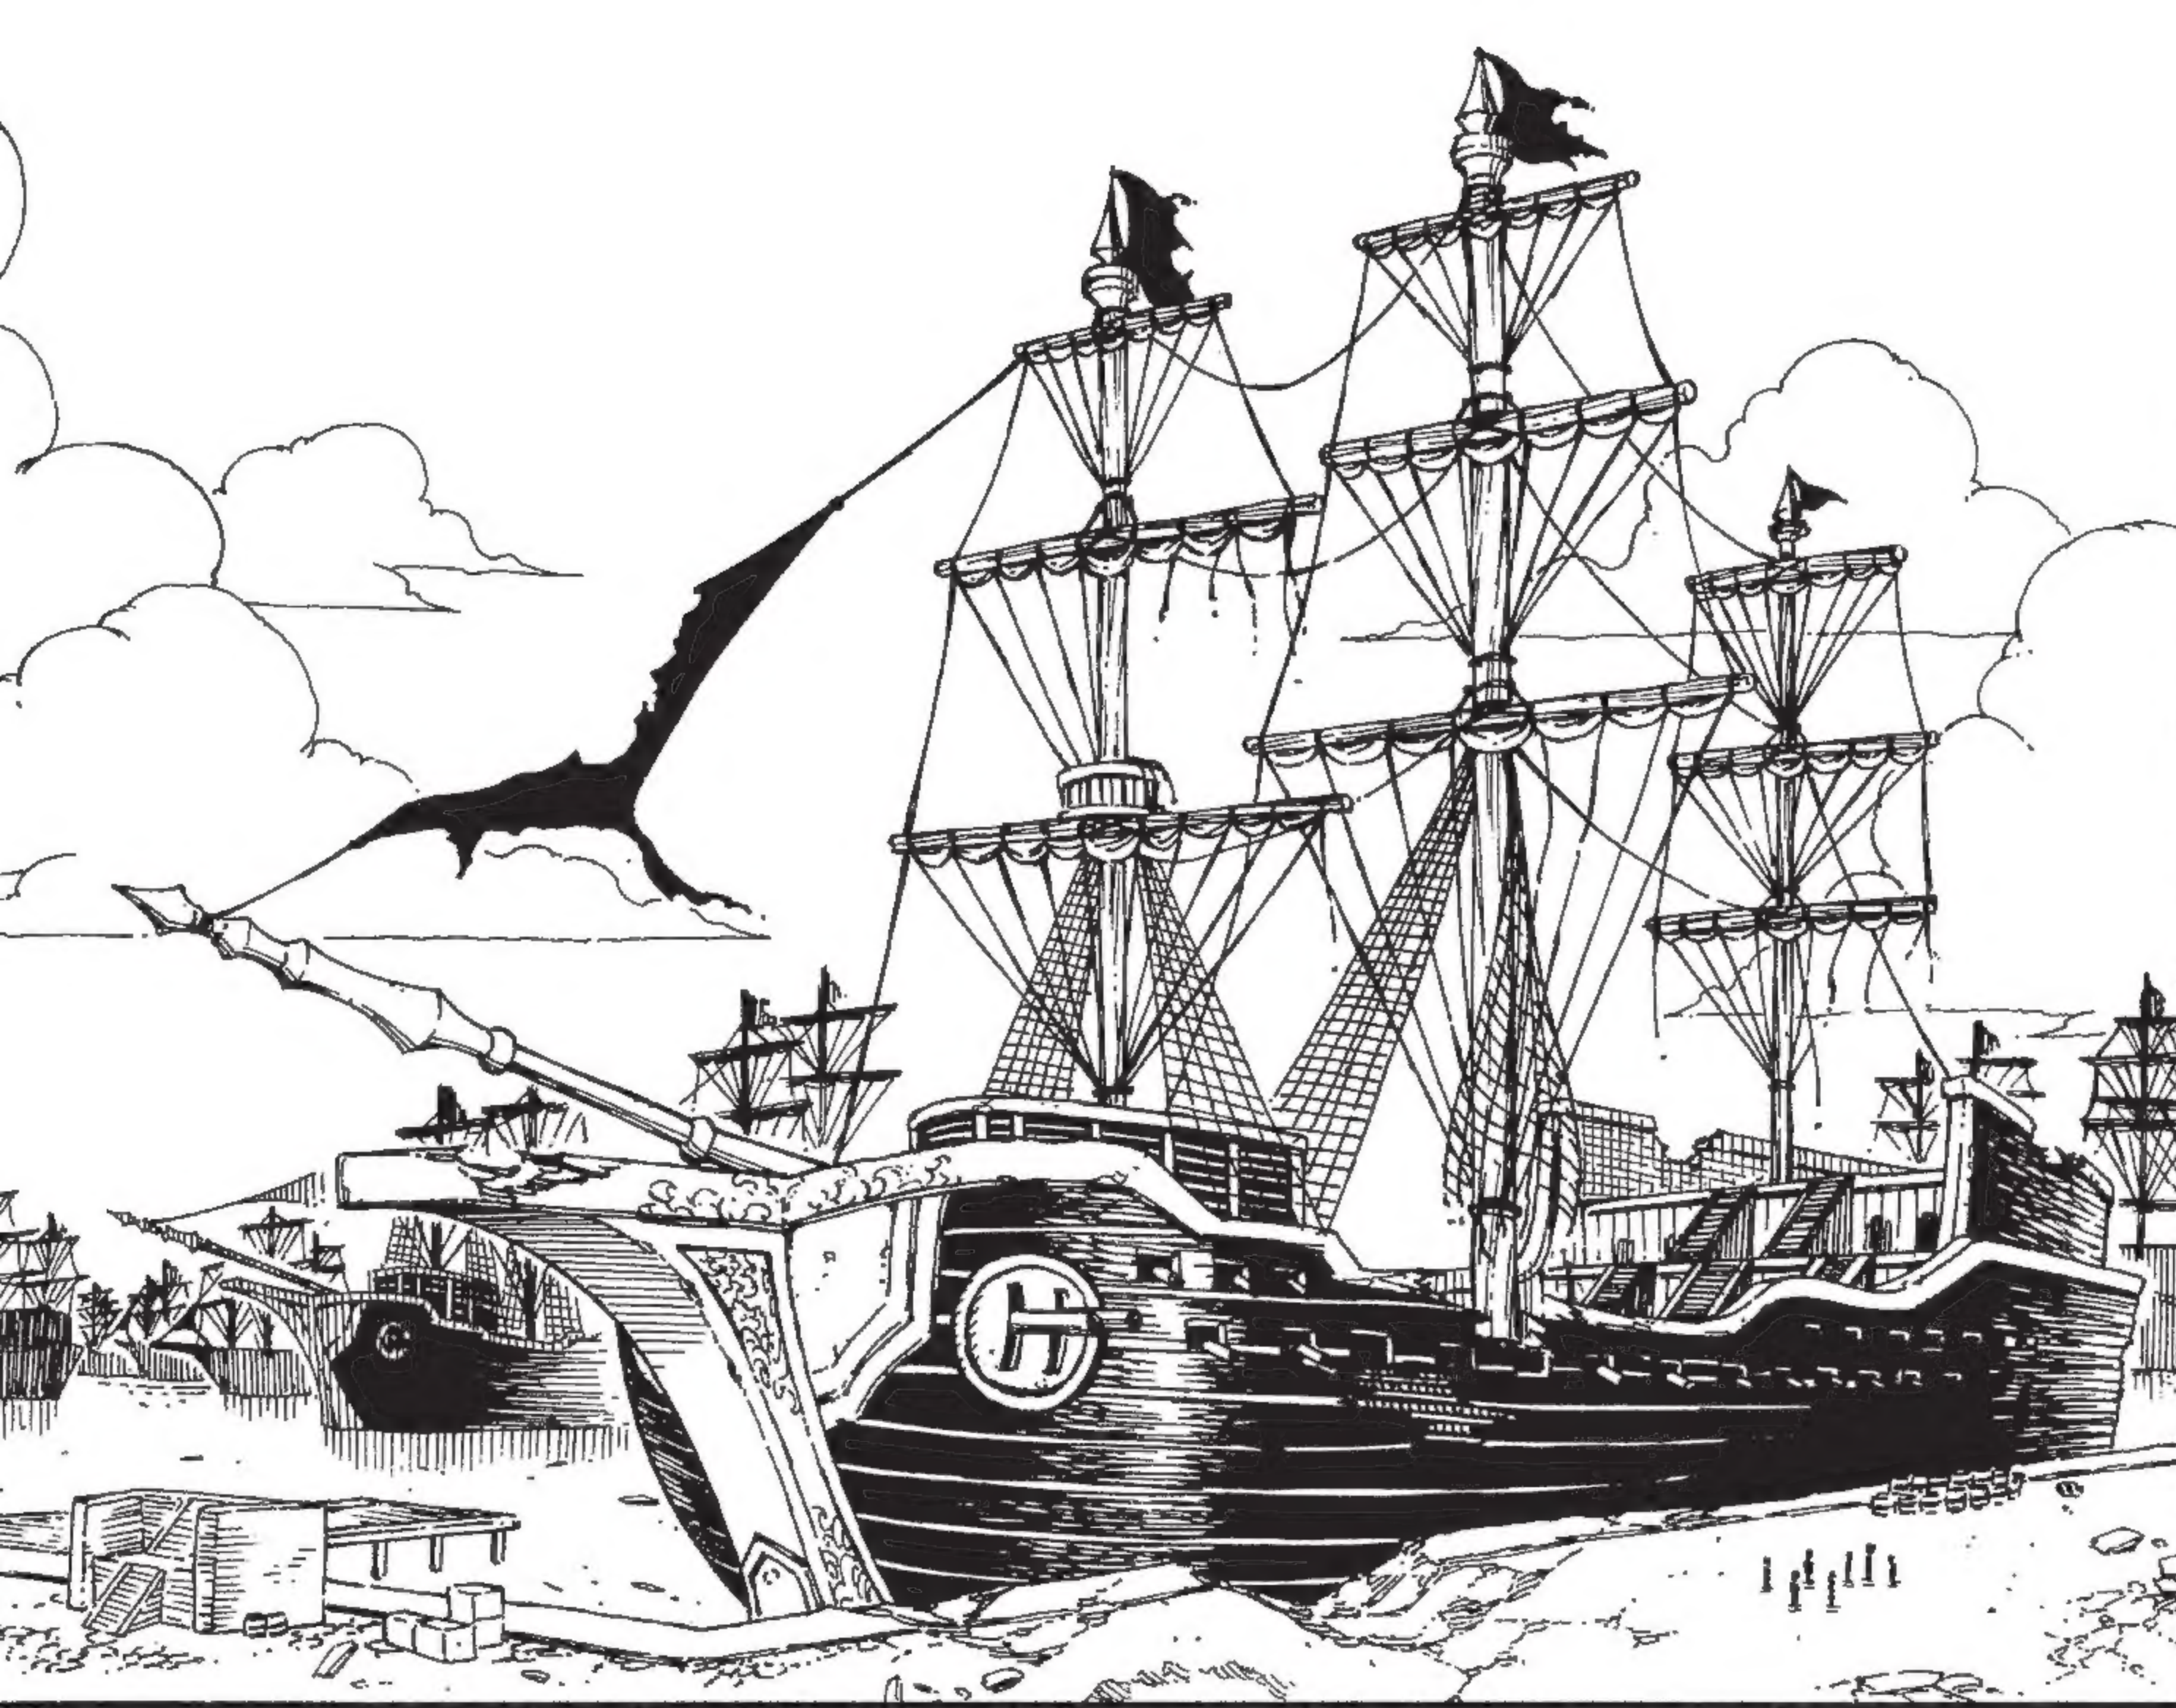

It is
instinct!!

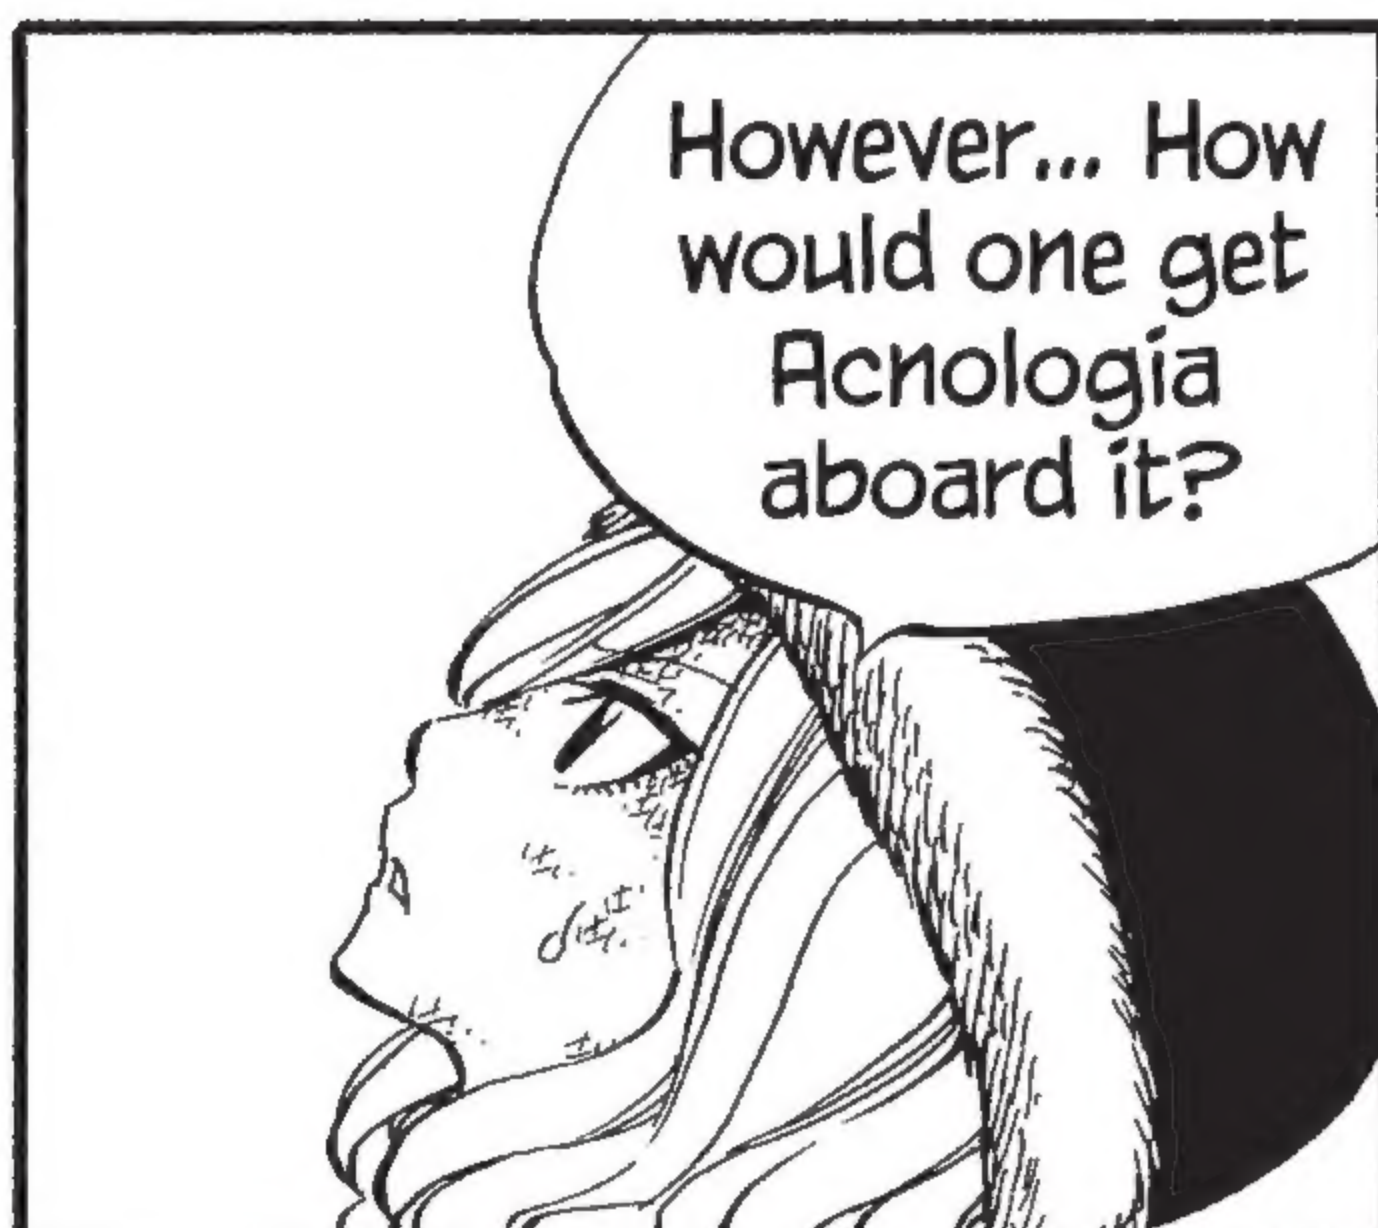

He seeks
out a place
with a high
concentration
of wizards and
attempts to
eradicate it.

Hargeon...

However... How
would one get
Achnologia
aboard it?

The
Alvarez
forces
abandoned
it here.

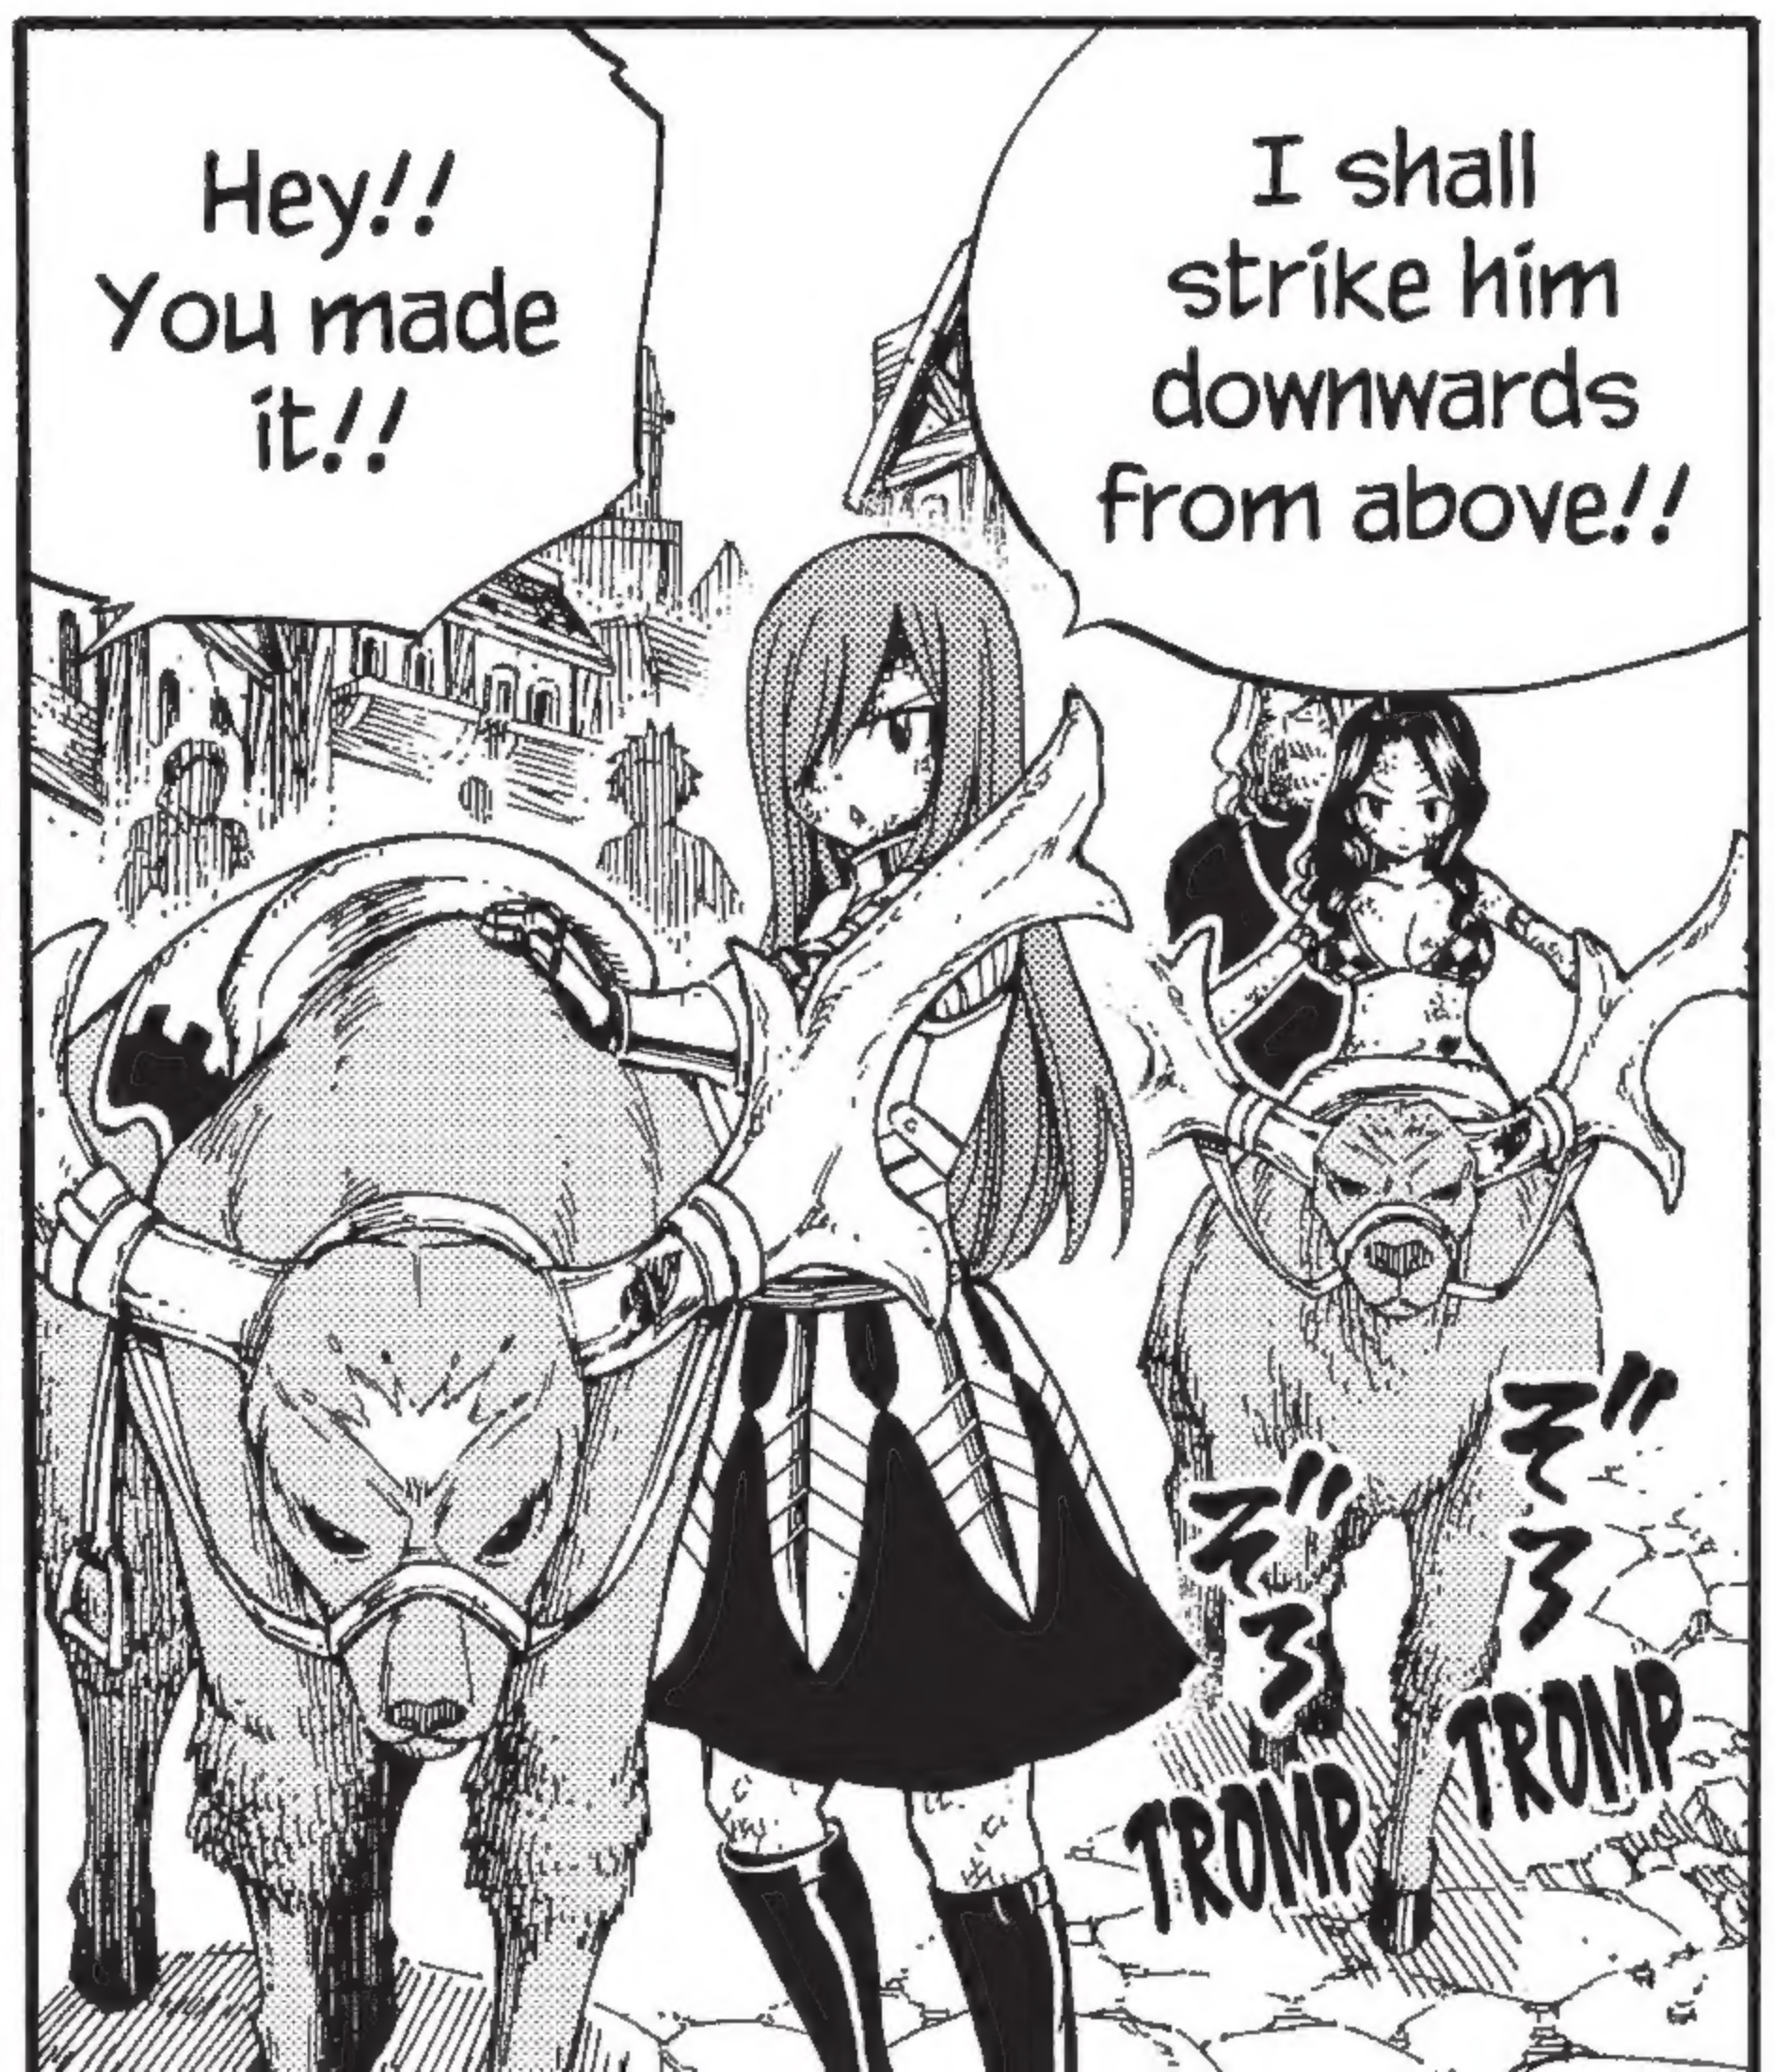

That's the
biggest
one?

But if magic
can't damage
him, the only
other option is
physical force.

Tryin' to do
the impossible
again...?

Hey!!
You made
it!!

I shall
strike him
downwards
from above!!

TRUMP

Still,
we have two
problems
left.

No... It
must
be. I *will*
accomplish
it!!

It
should be
possible.

And the
second...
can Lucy's
group find the
information we
need and make
it here in time?

I guess the
first is whether
Minerva's
group can lure
the dragon
here.

But
where's
Lu-chan?

Yes.

I
think
so.

Master,
are you all
right?

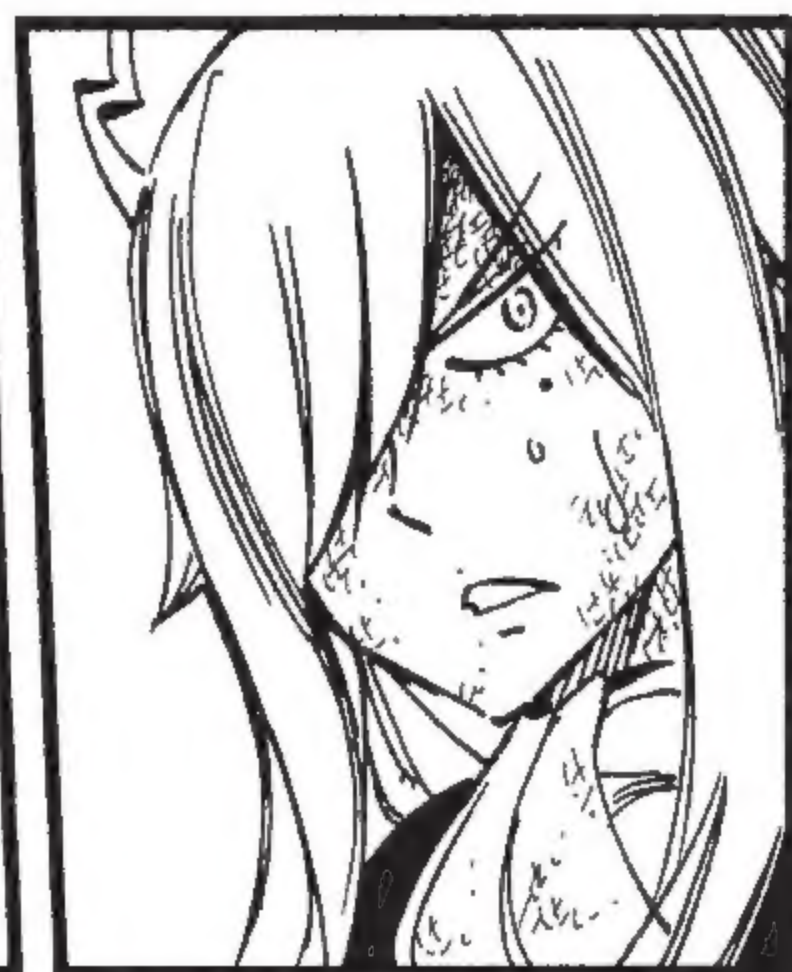

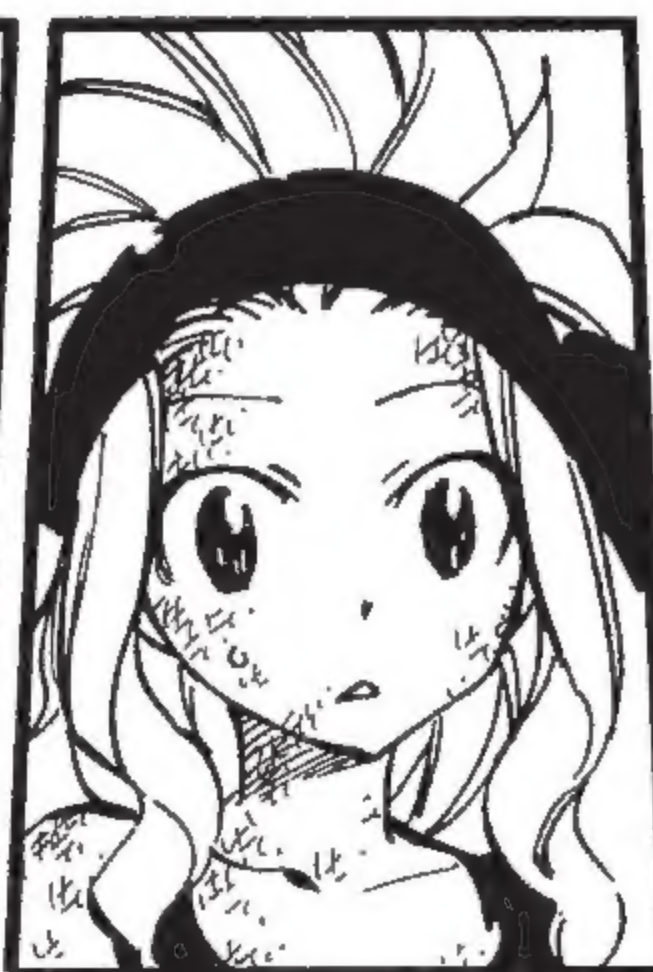

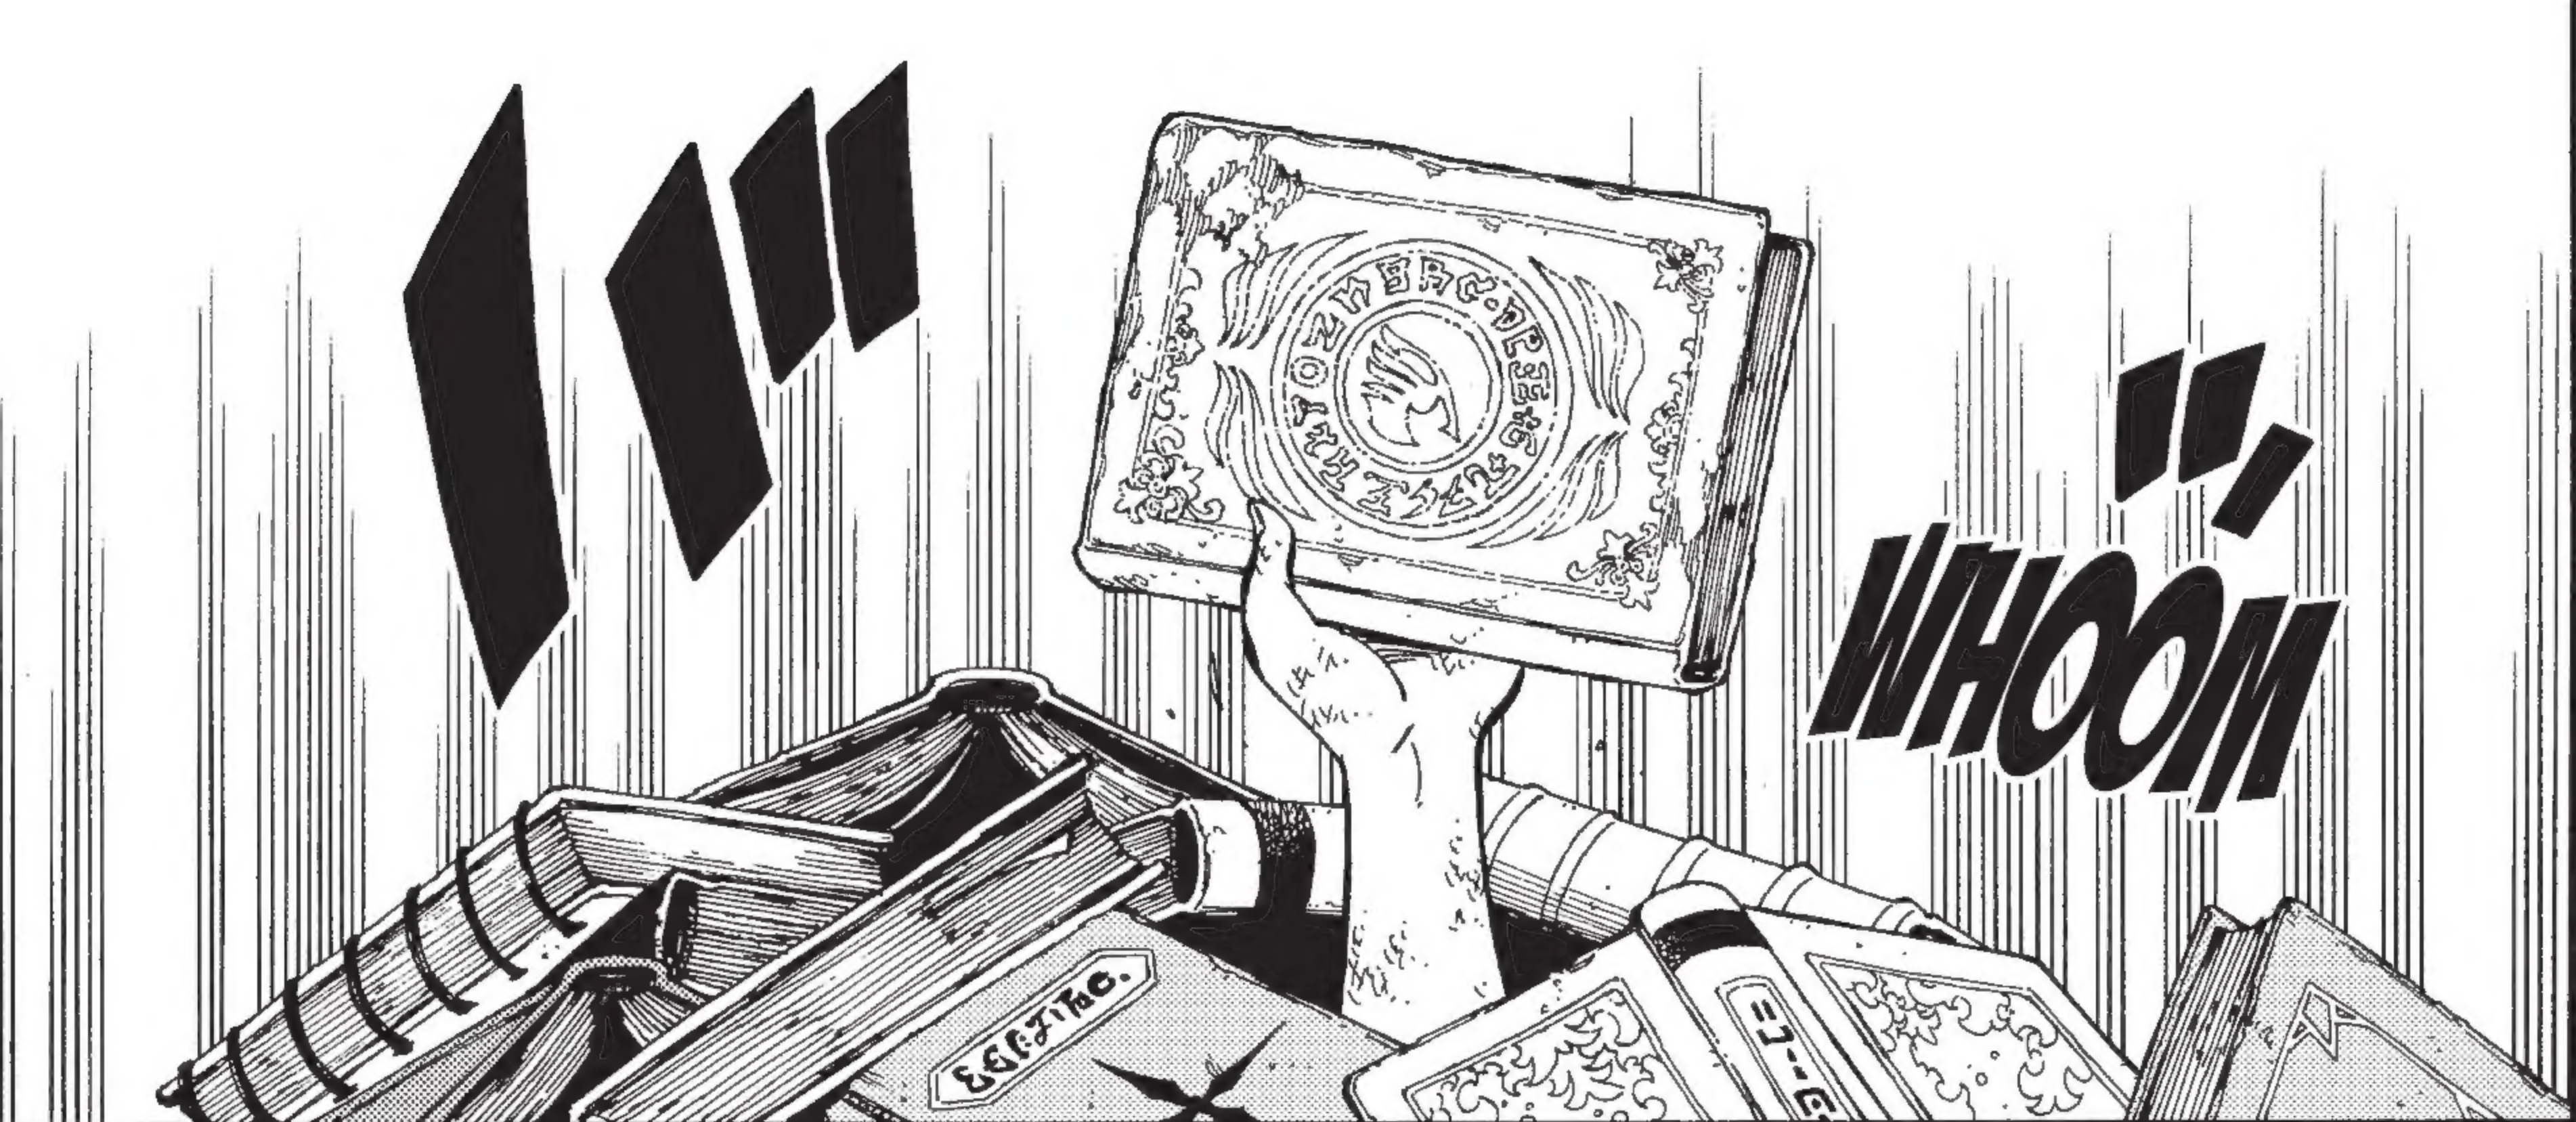

Yeah...

Are you all
unhurt?!!

In the
Fairy Tail
library...

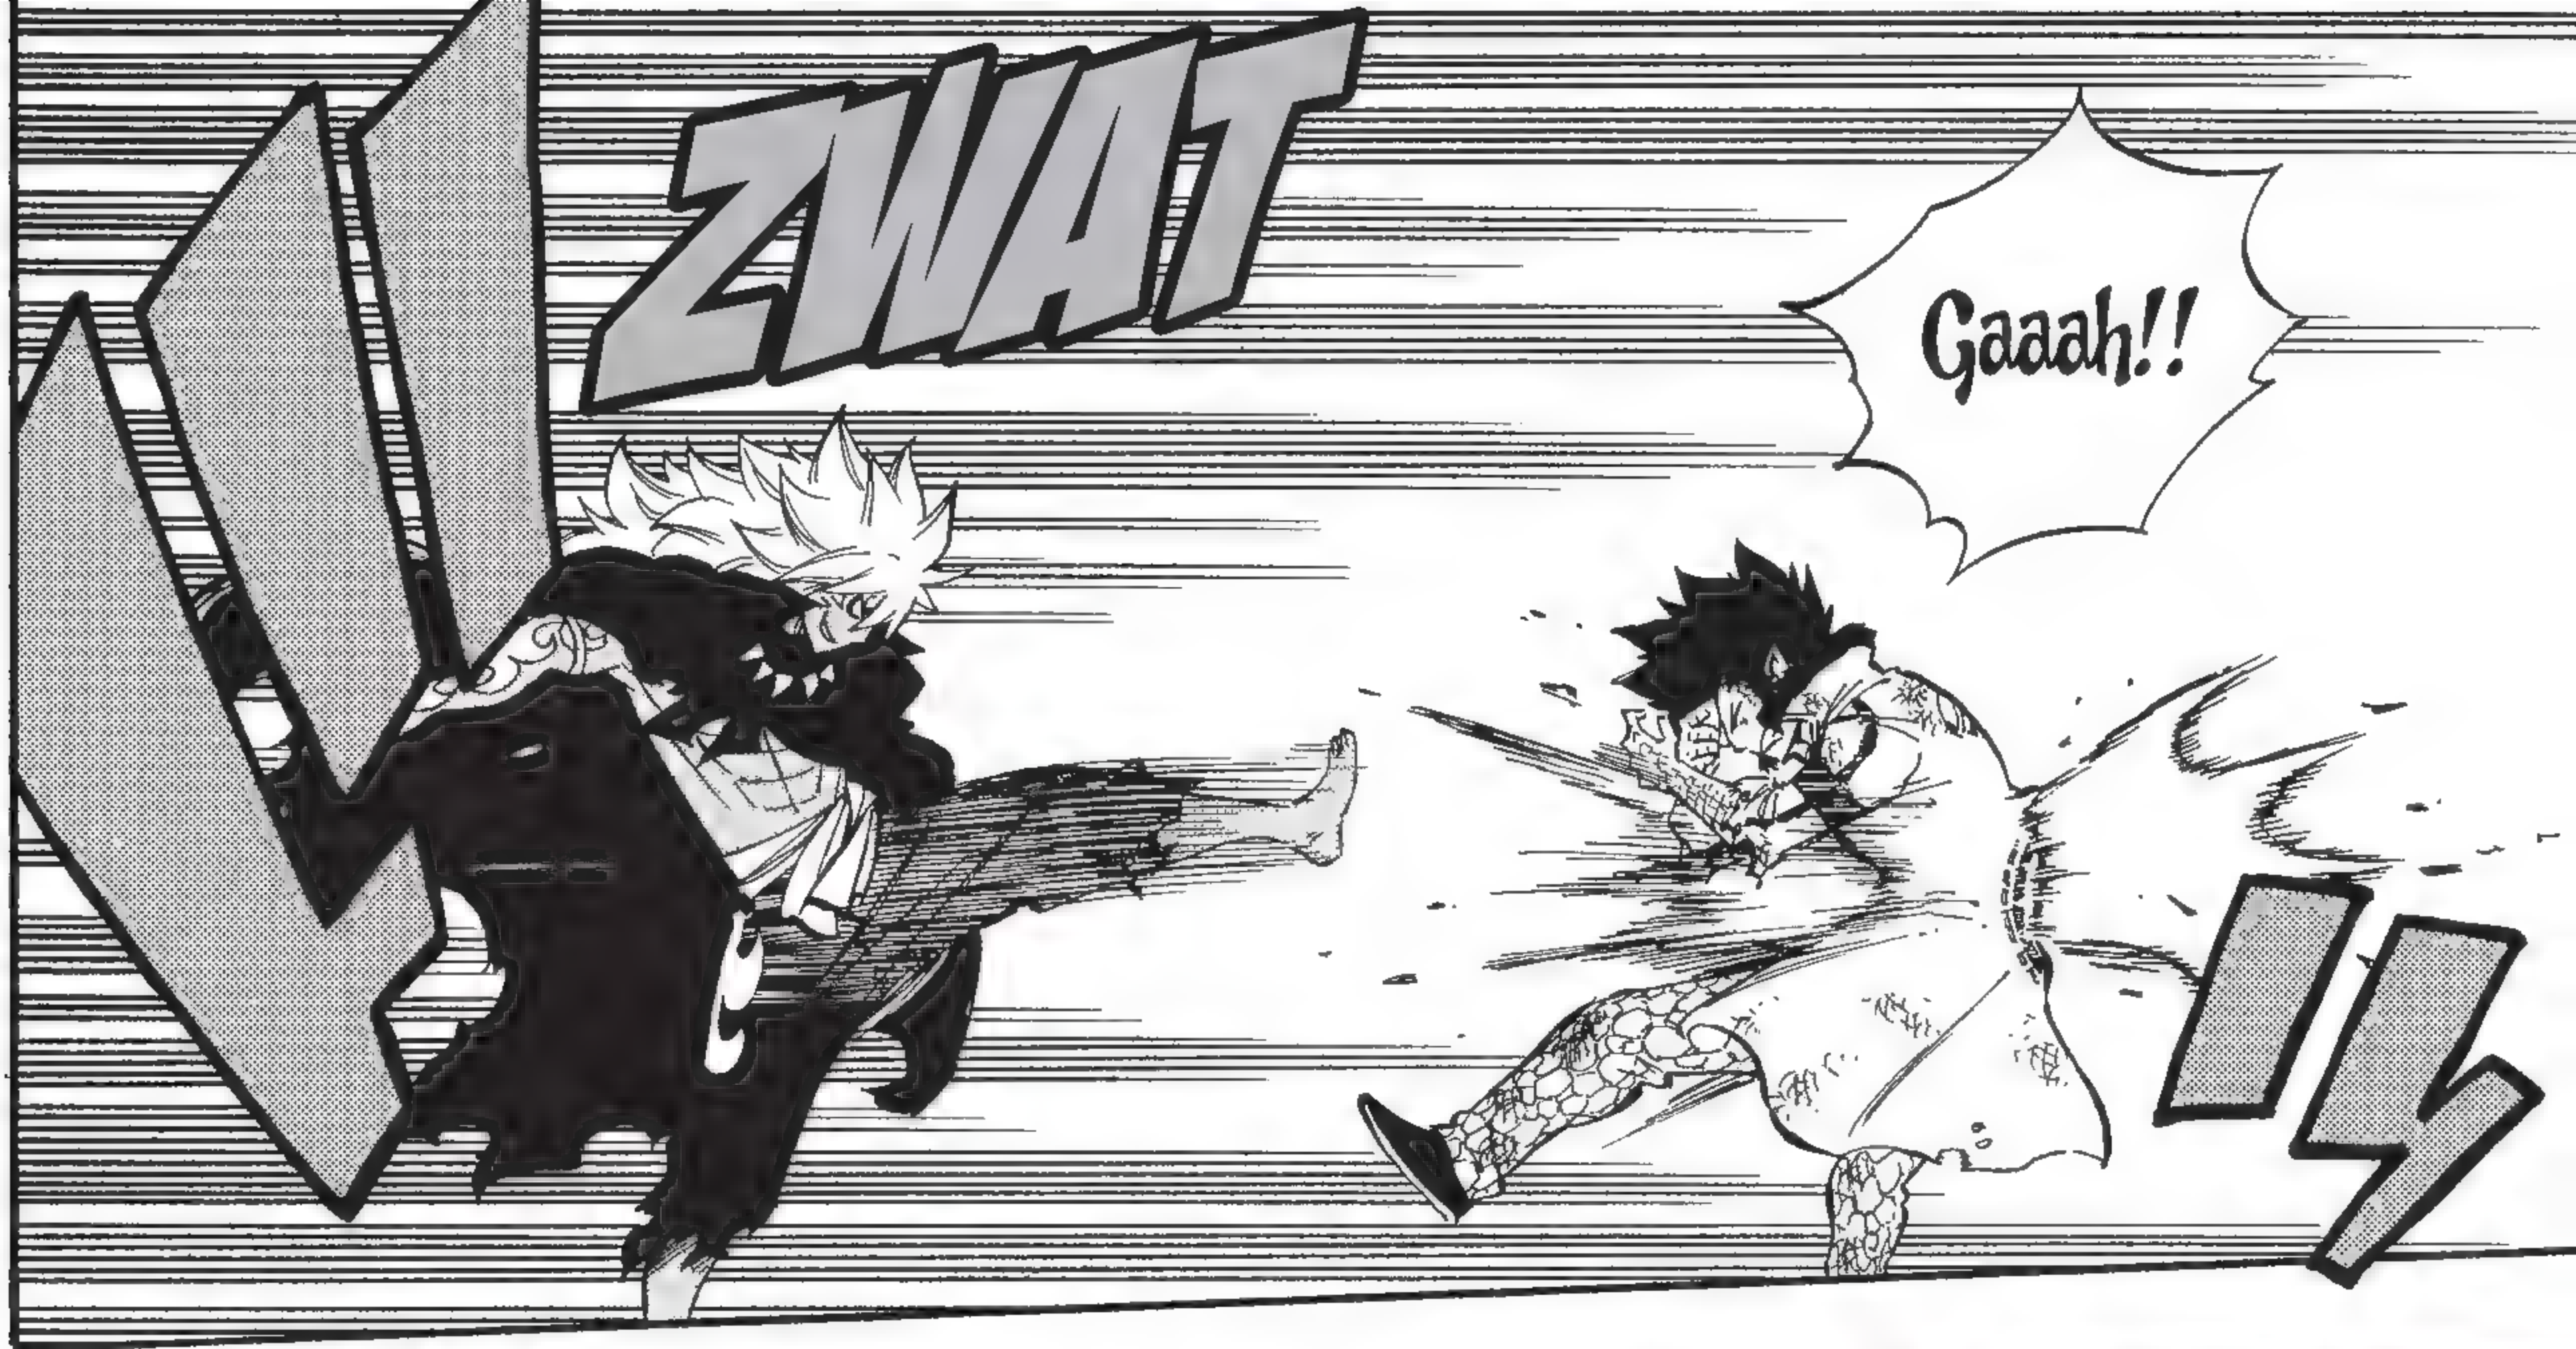

The way to cast Fairy Sphere!!!

This is it!!

I found it!!

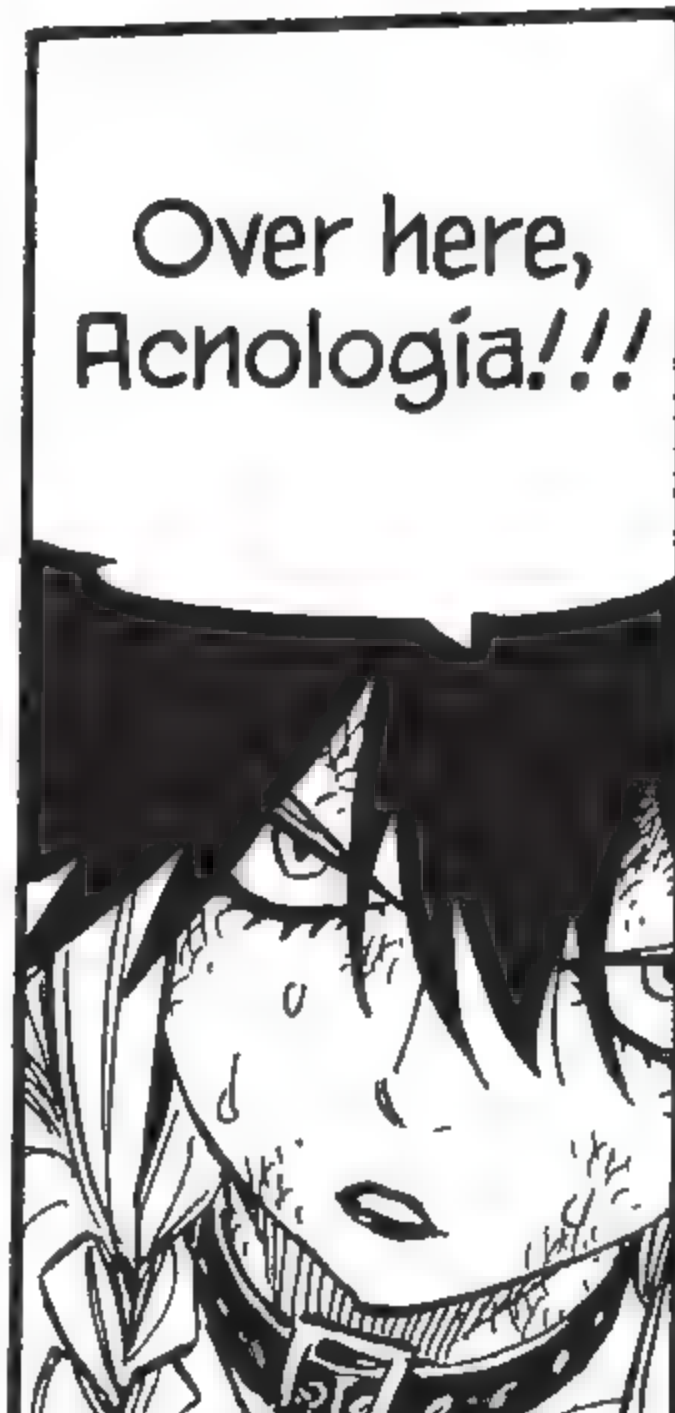

...I'll...

To
protect
them...

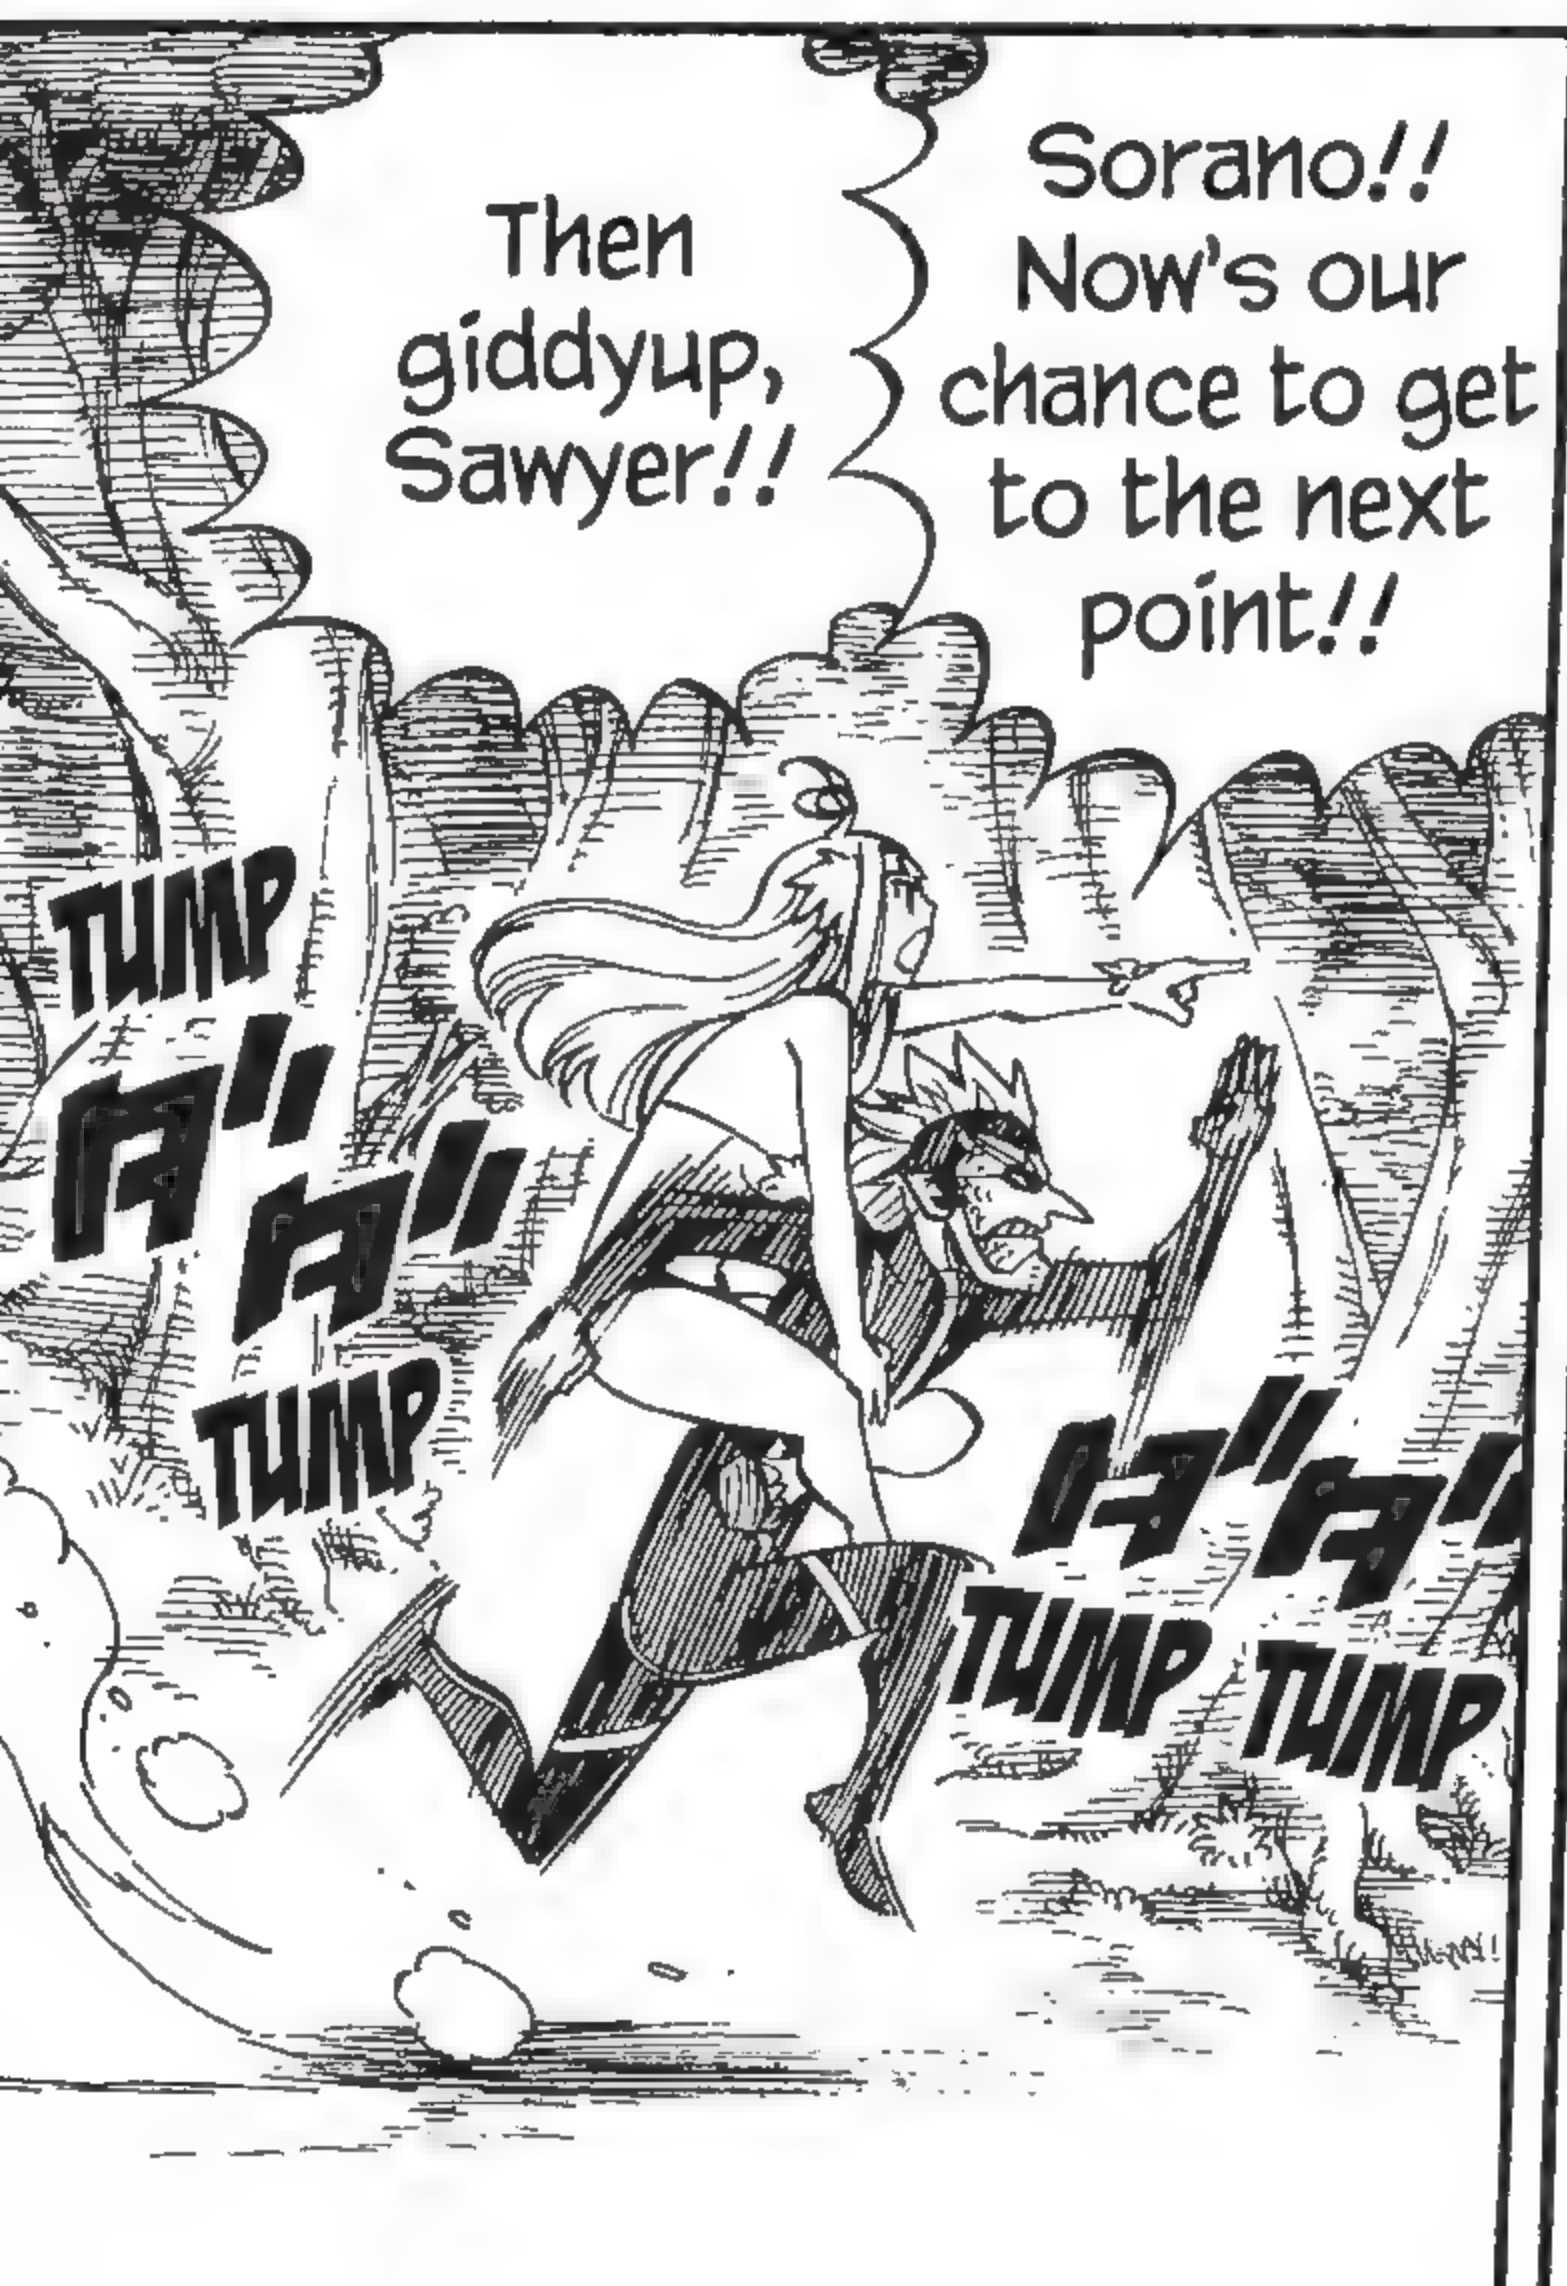

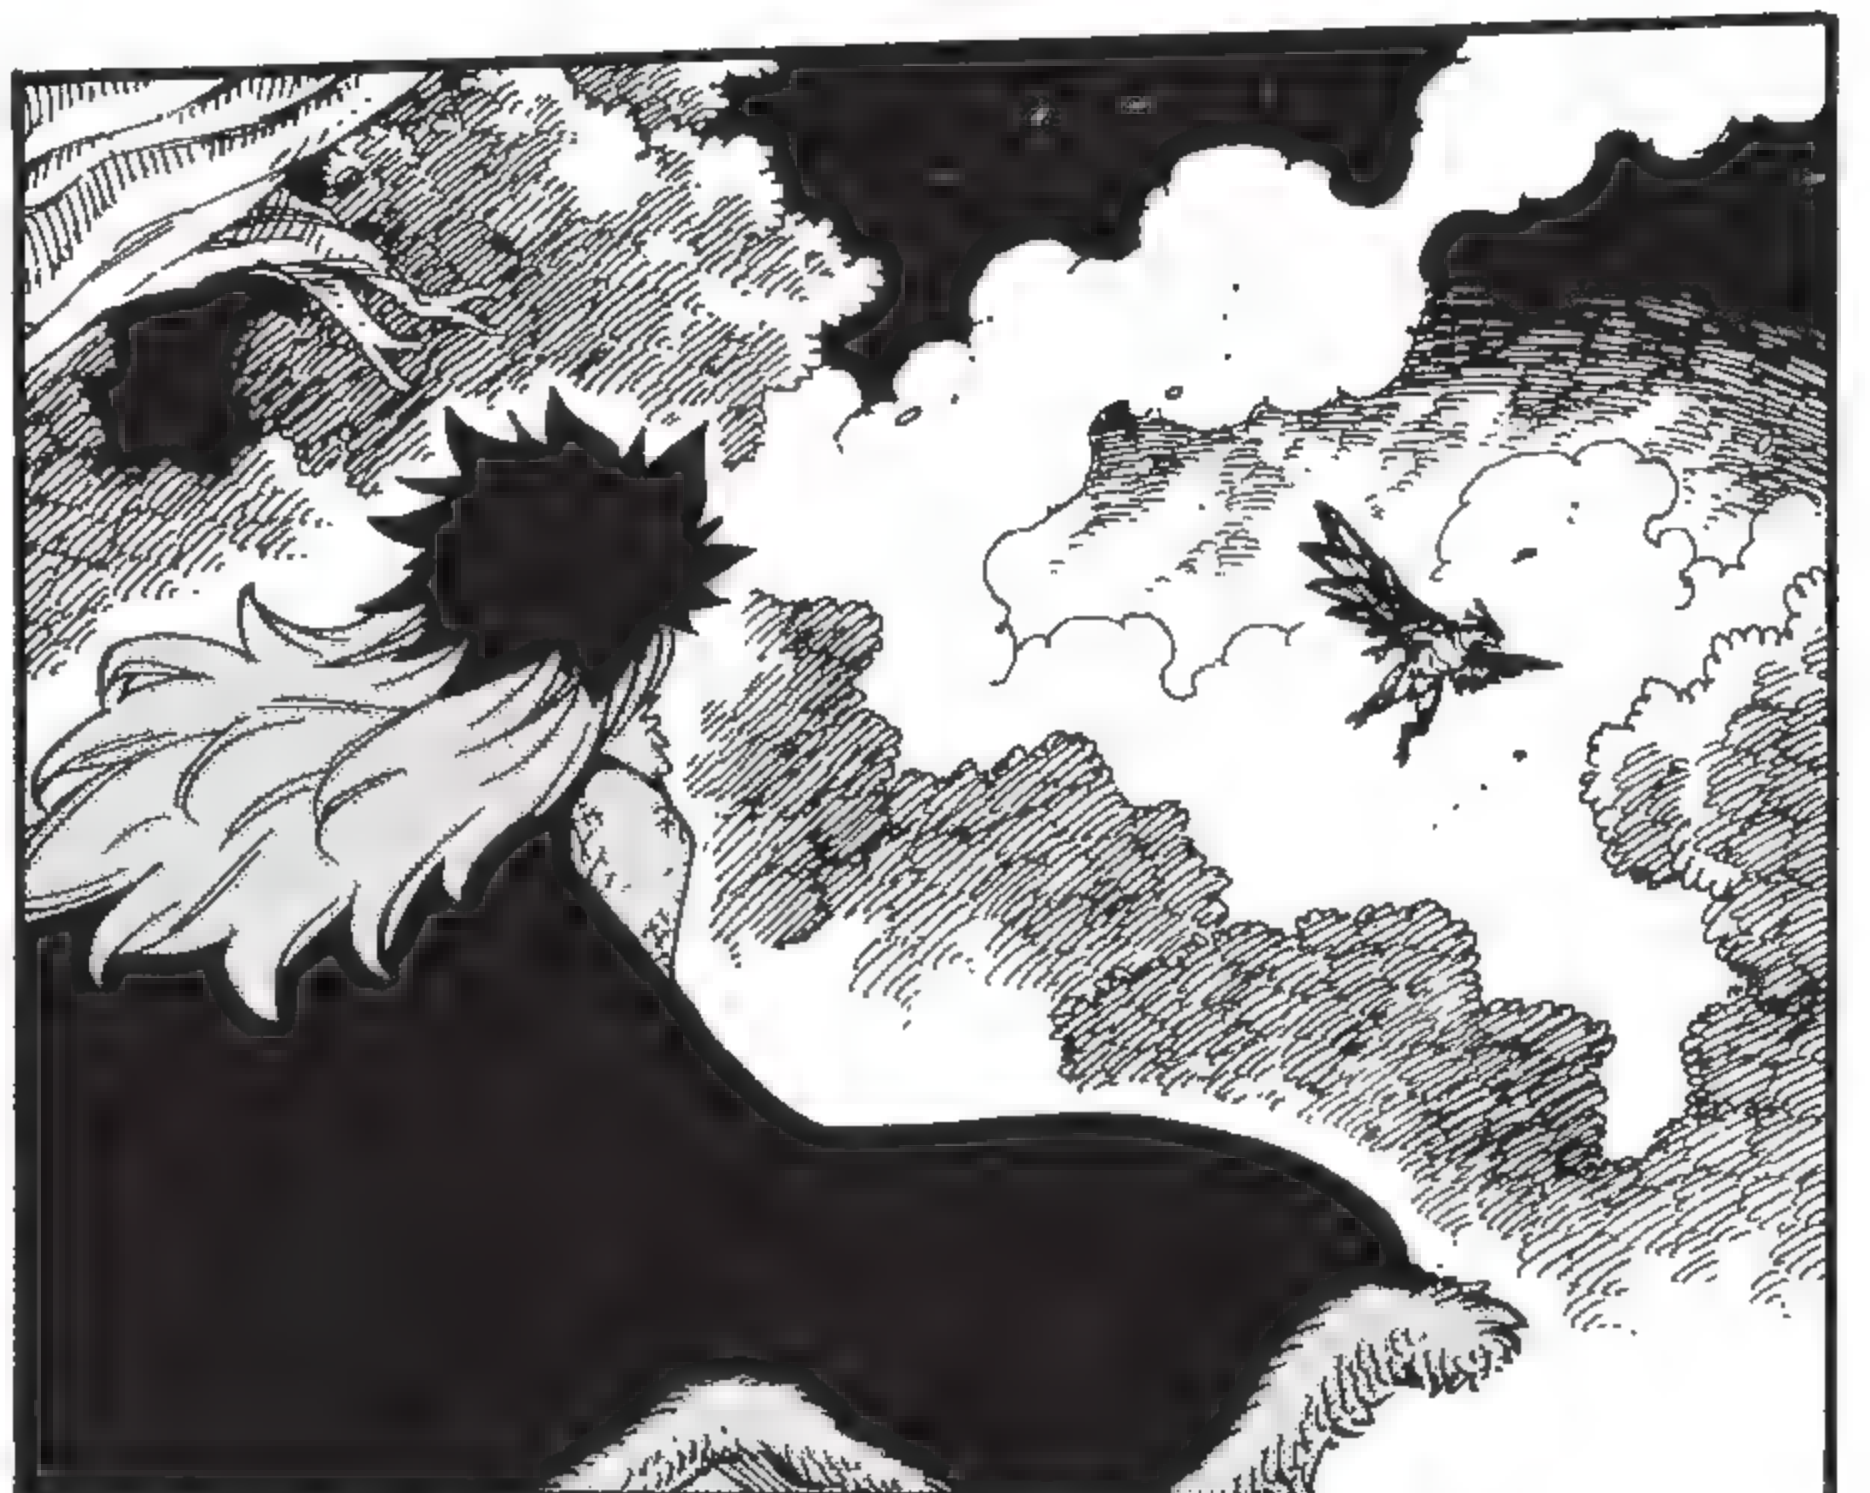

...do
whatever it
takes!!!!

Macbeth!!
Unleash your
magic, if you
please!!

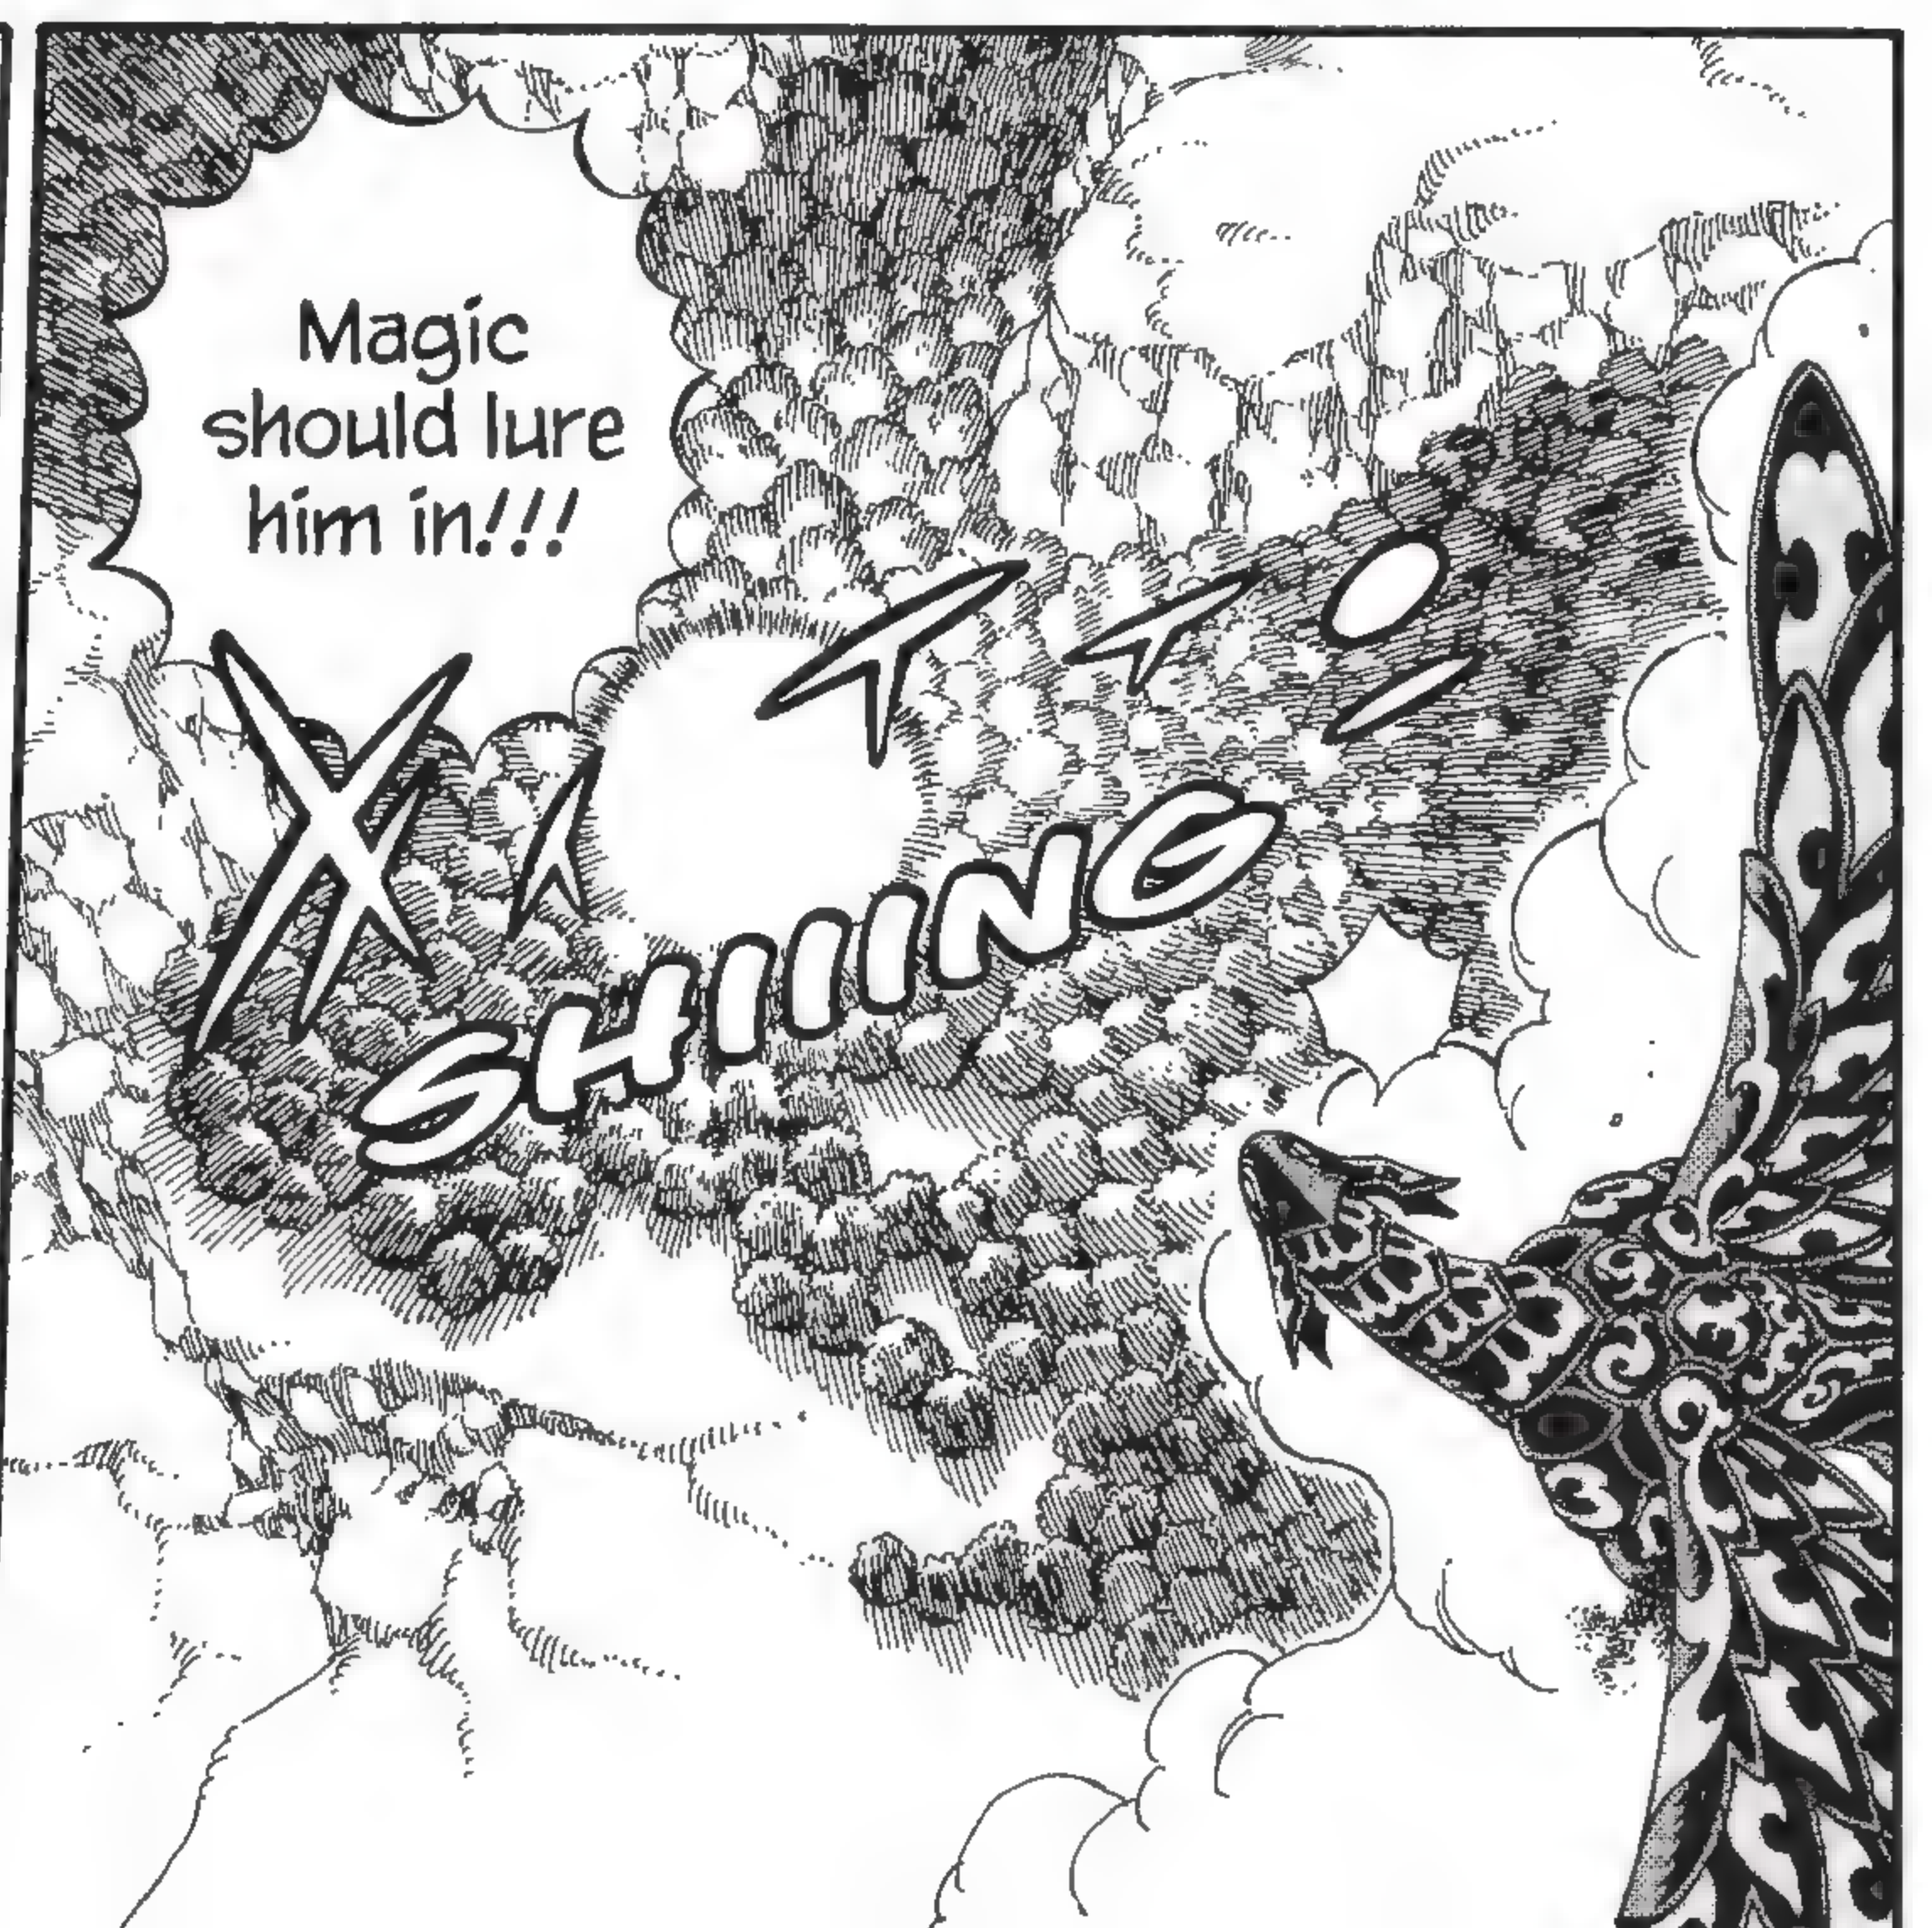

Over here,
Acnologia!!!

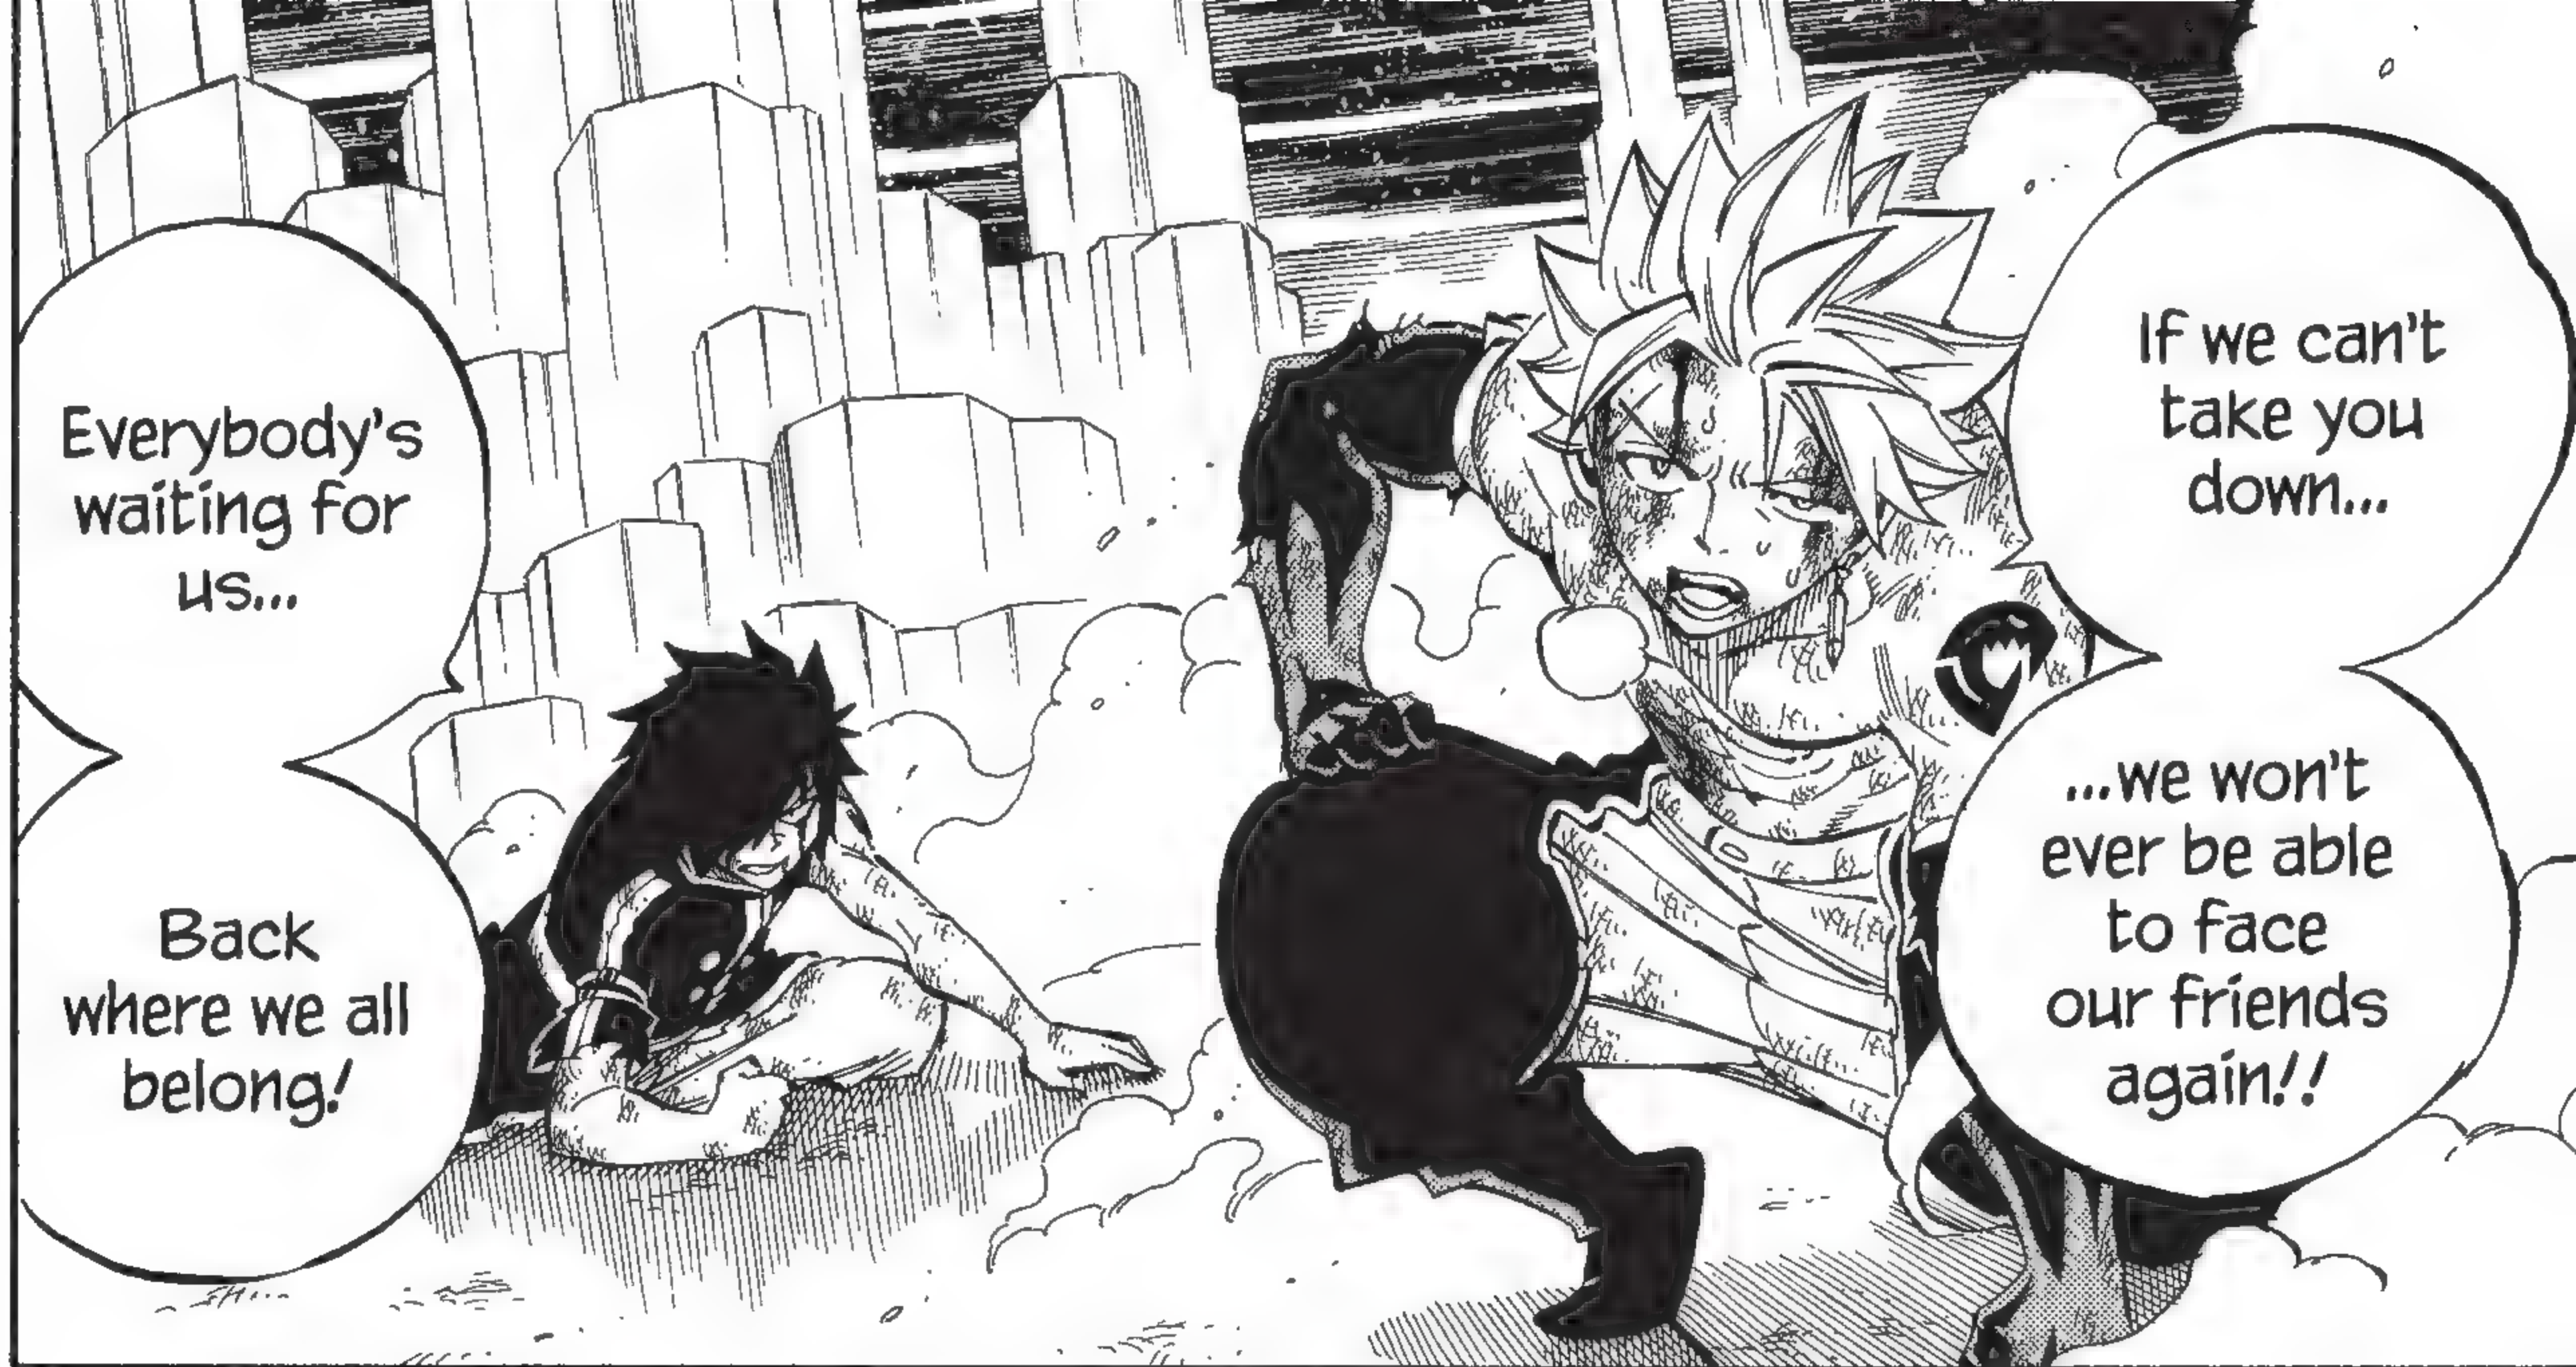

Then
giddyup,
Sawyer!!

Sorano!!
Now's our
chance to get
to the next
point!!

Magic
should lure
him in!!!

X
SHIIING

...comes
to an end
today!!

That
legend
you've
built...

We'll crush
you before
you can
crush us!!

We won't
let you kill
Gramps, the
guys in the
guild,
nobody!!

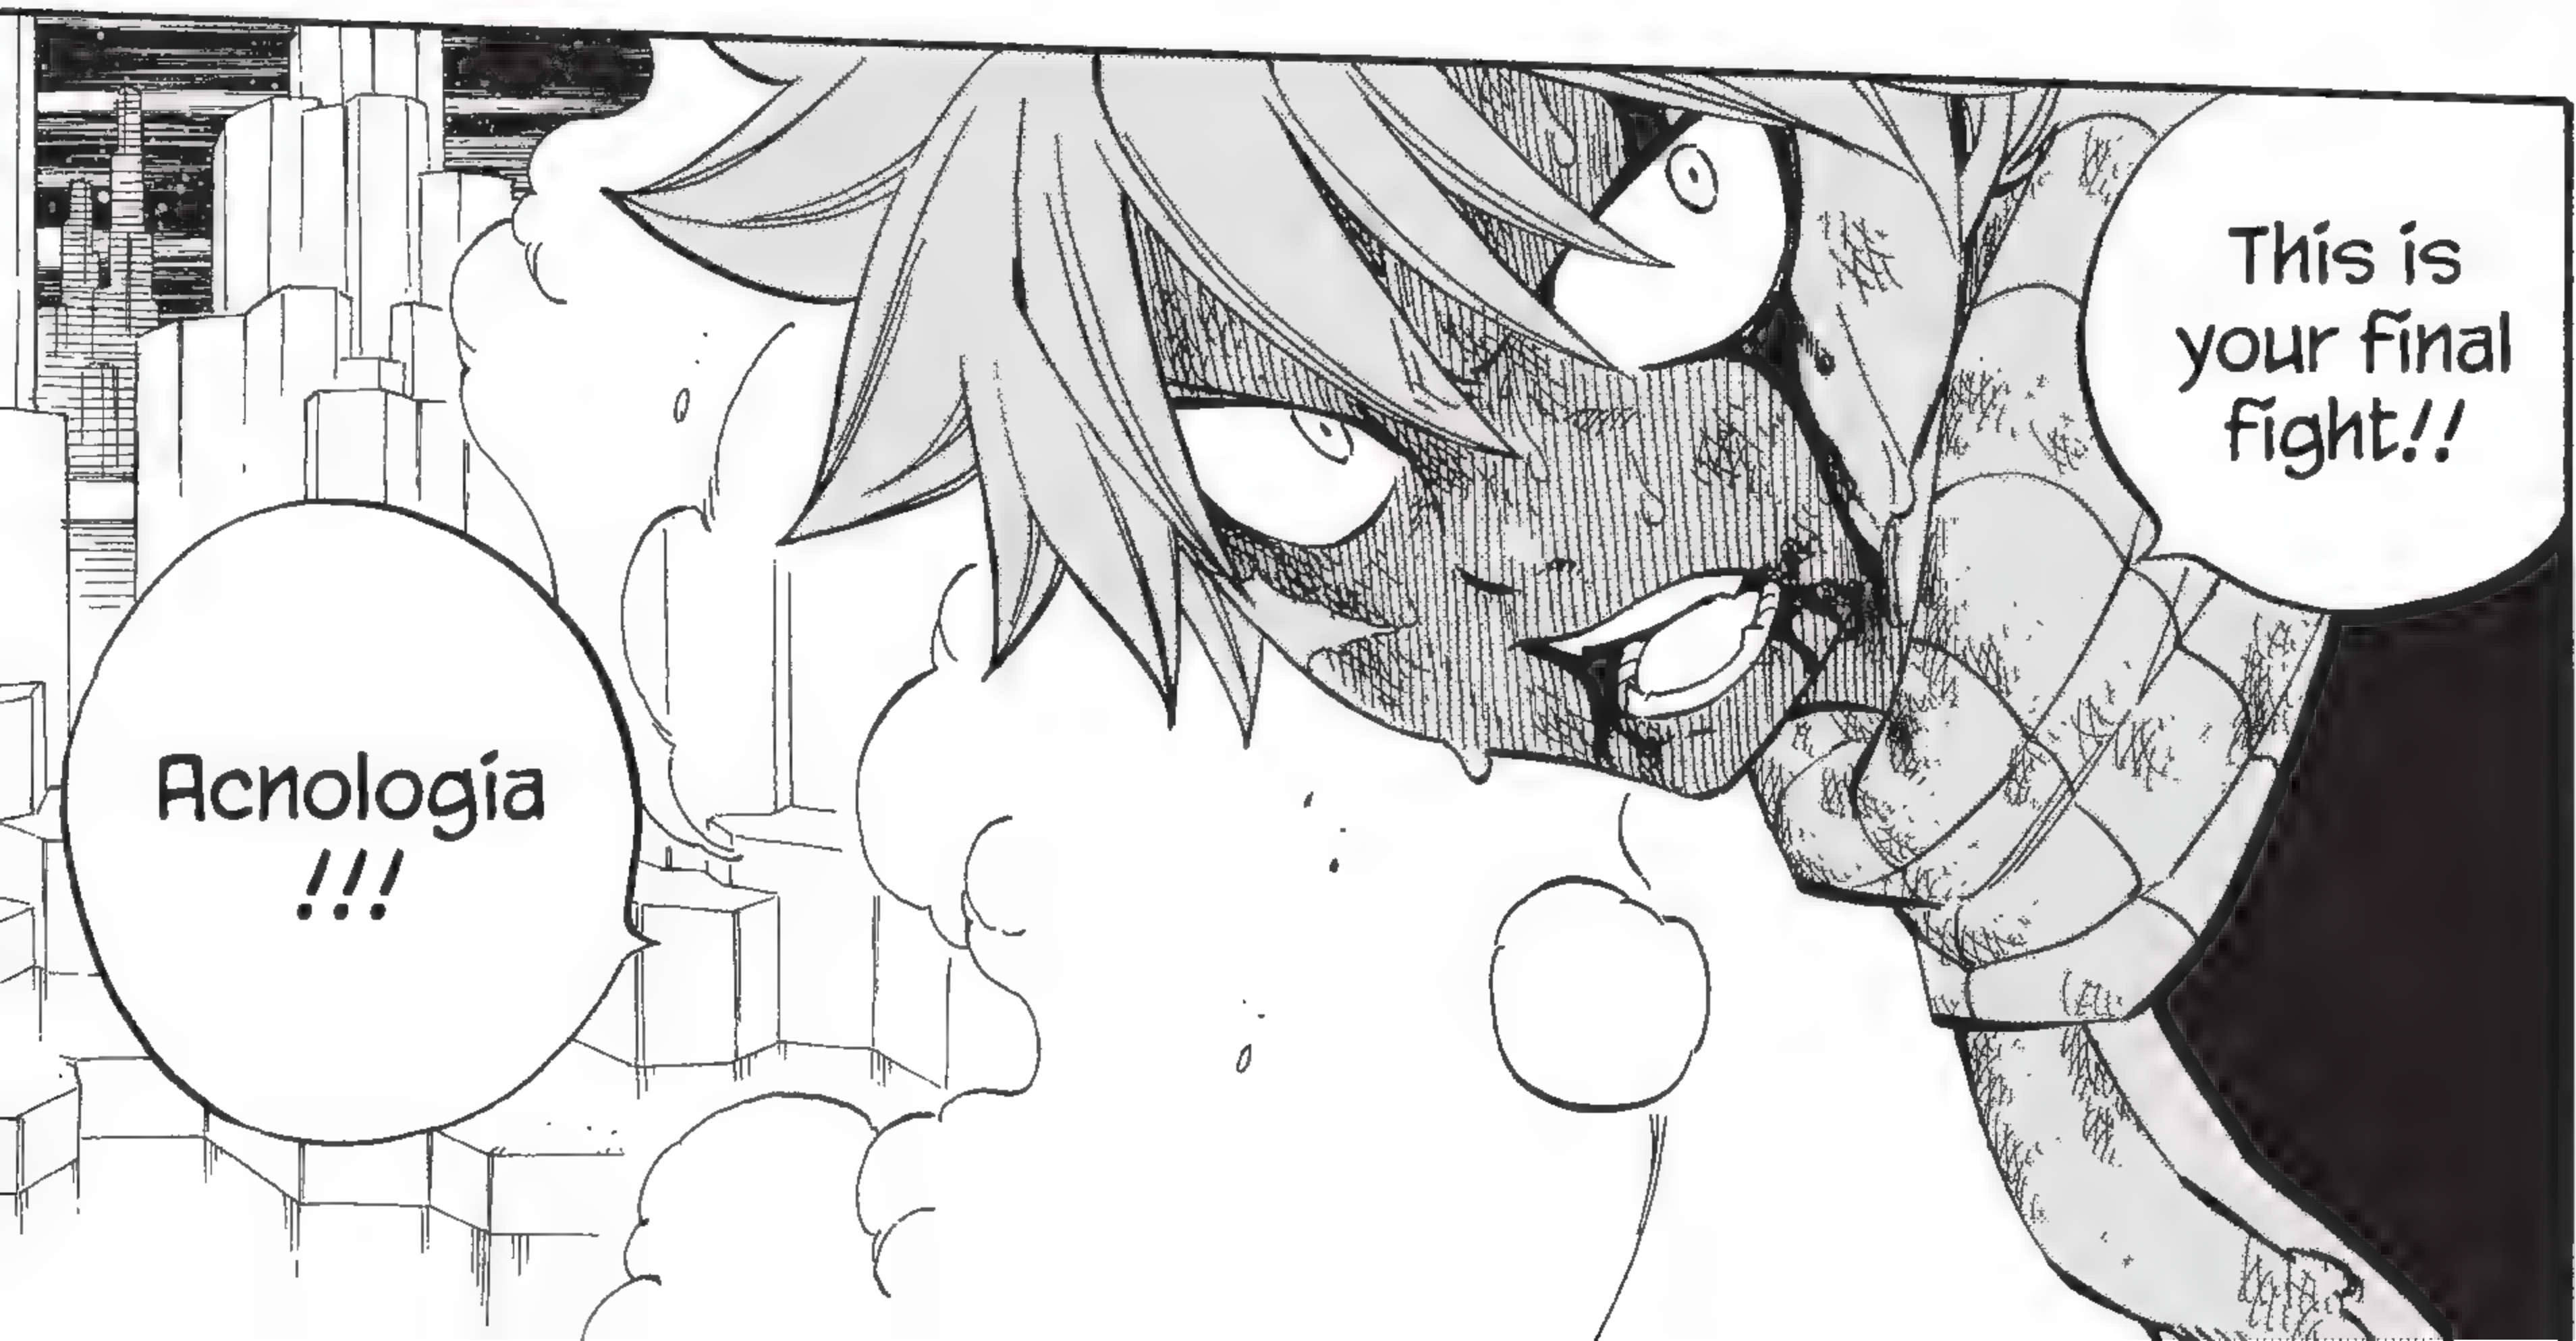

Give it
all you've
got!!

I
think so,
maybe...

Can you
figure it
out, Levy?

Aye!!

We need
to get to
Hargeon
quick!!

Acnologia
!!!

This is
your final
fight!!

Final,
really?

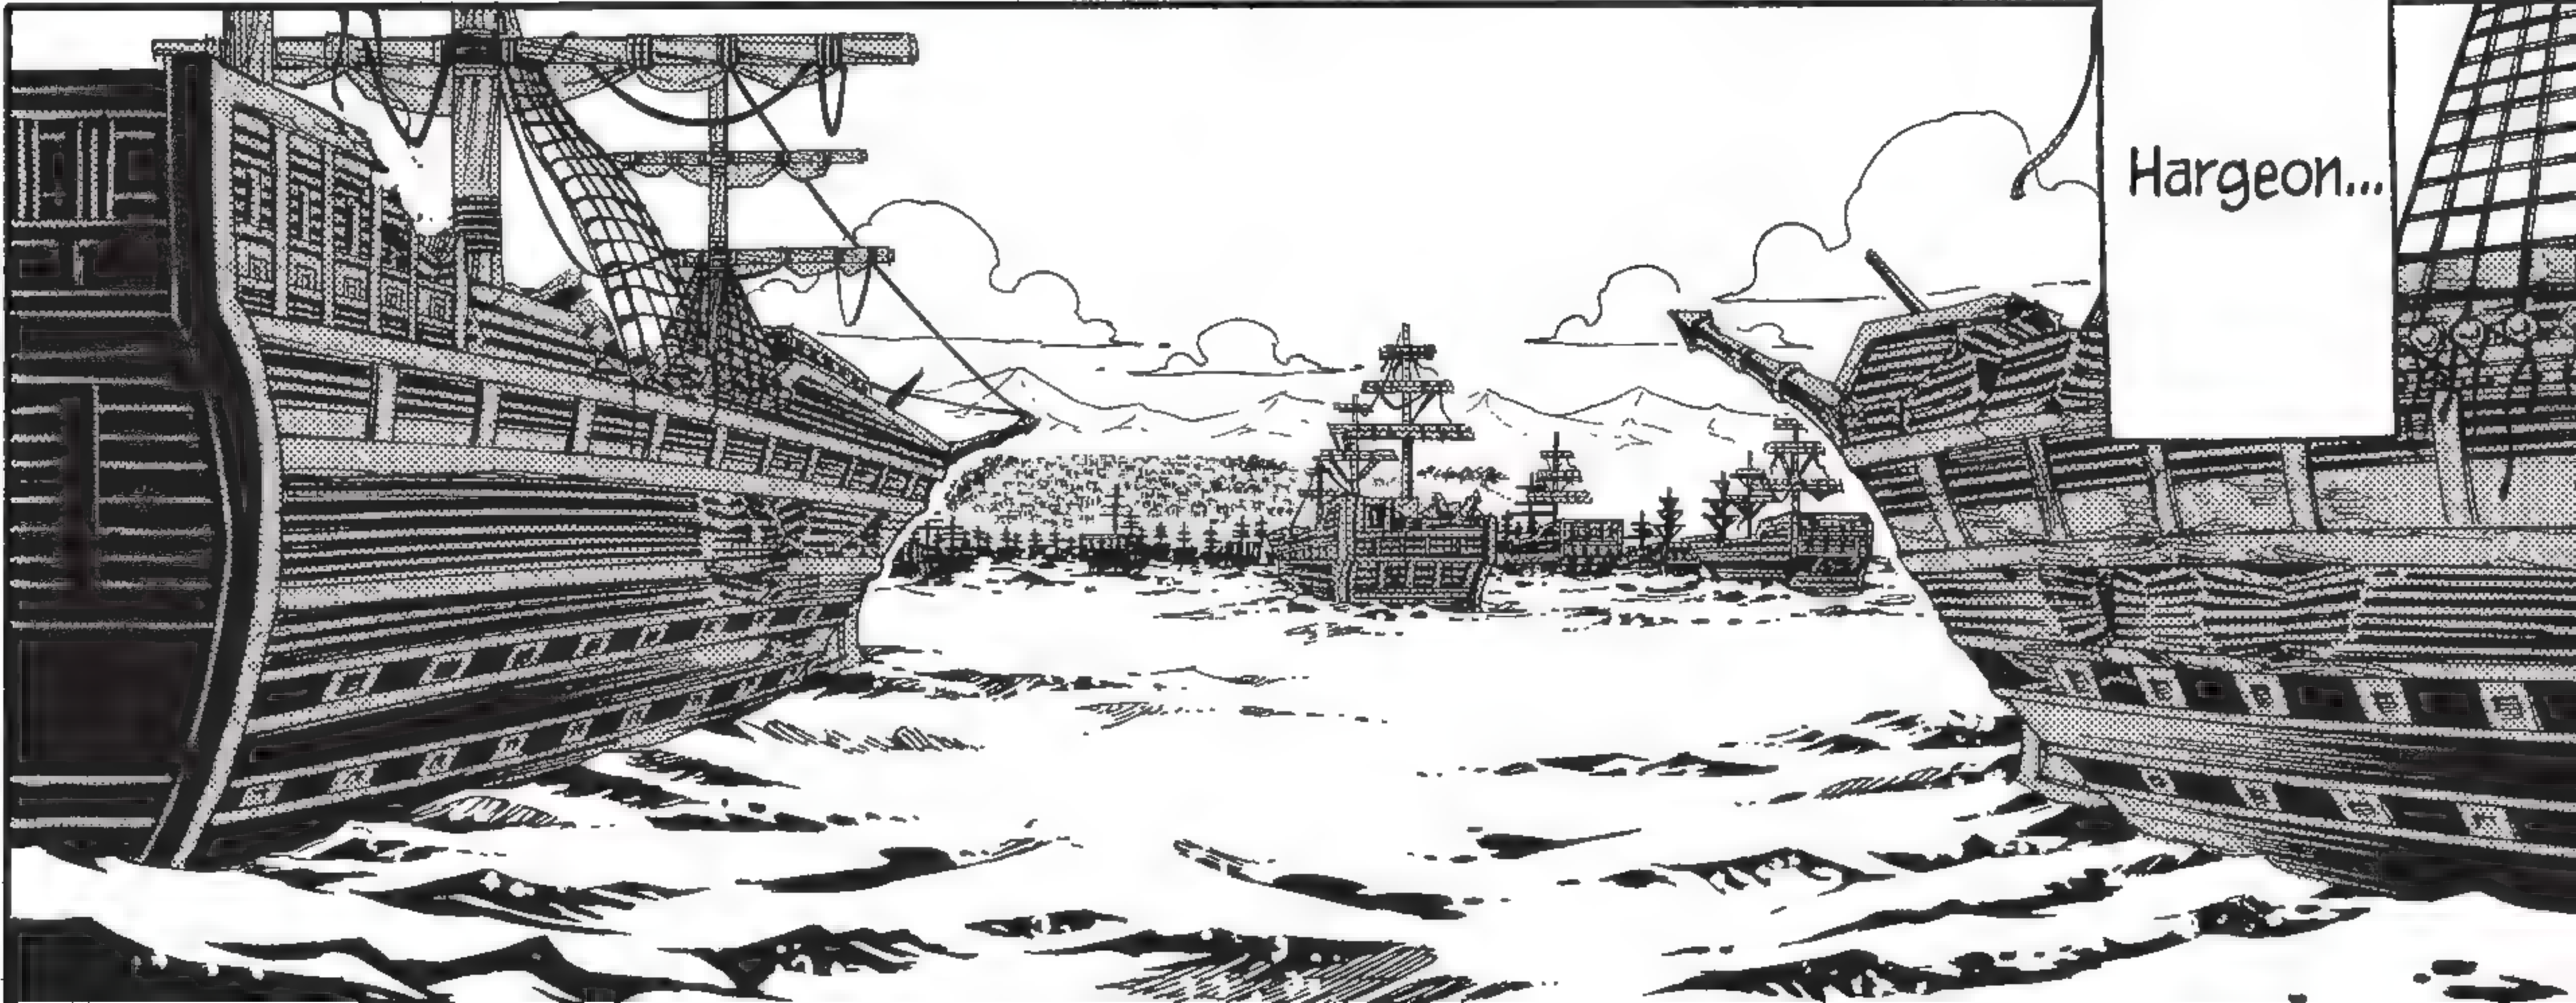

Nothing's
even begun
yet!

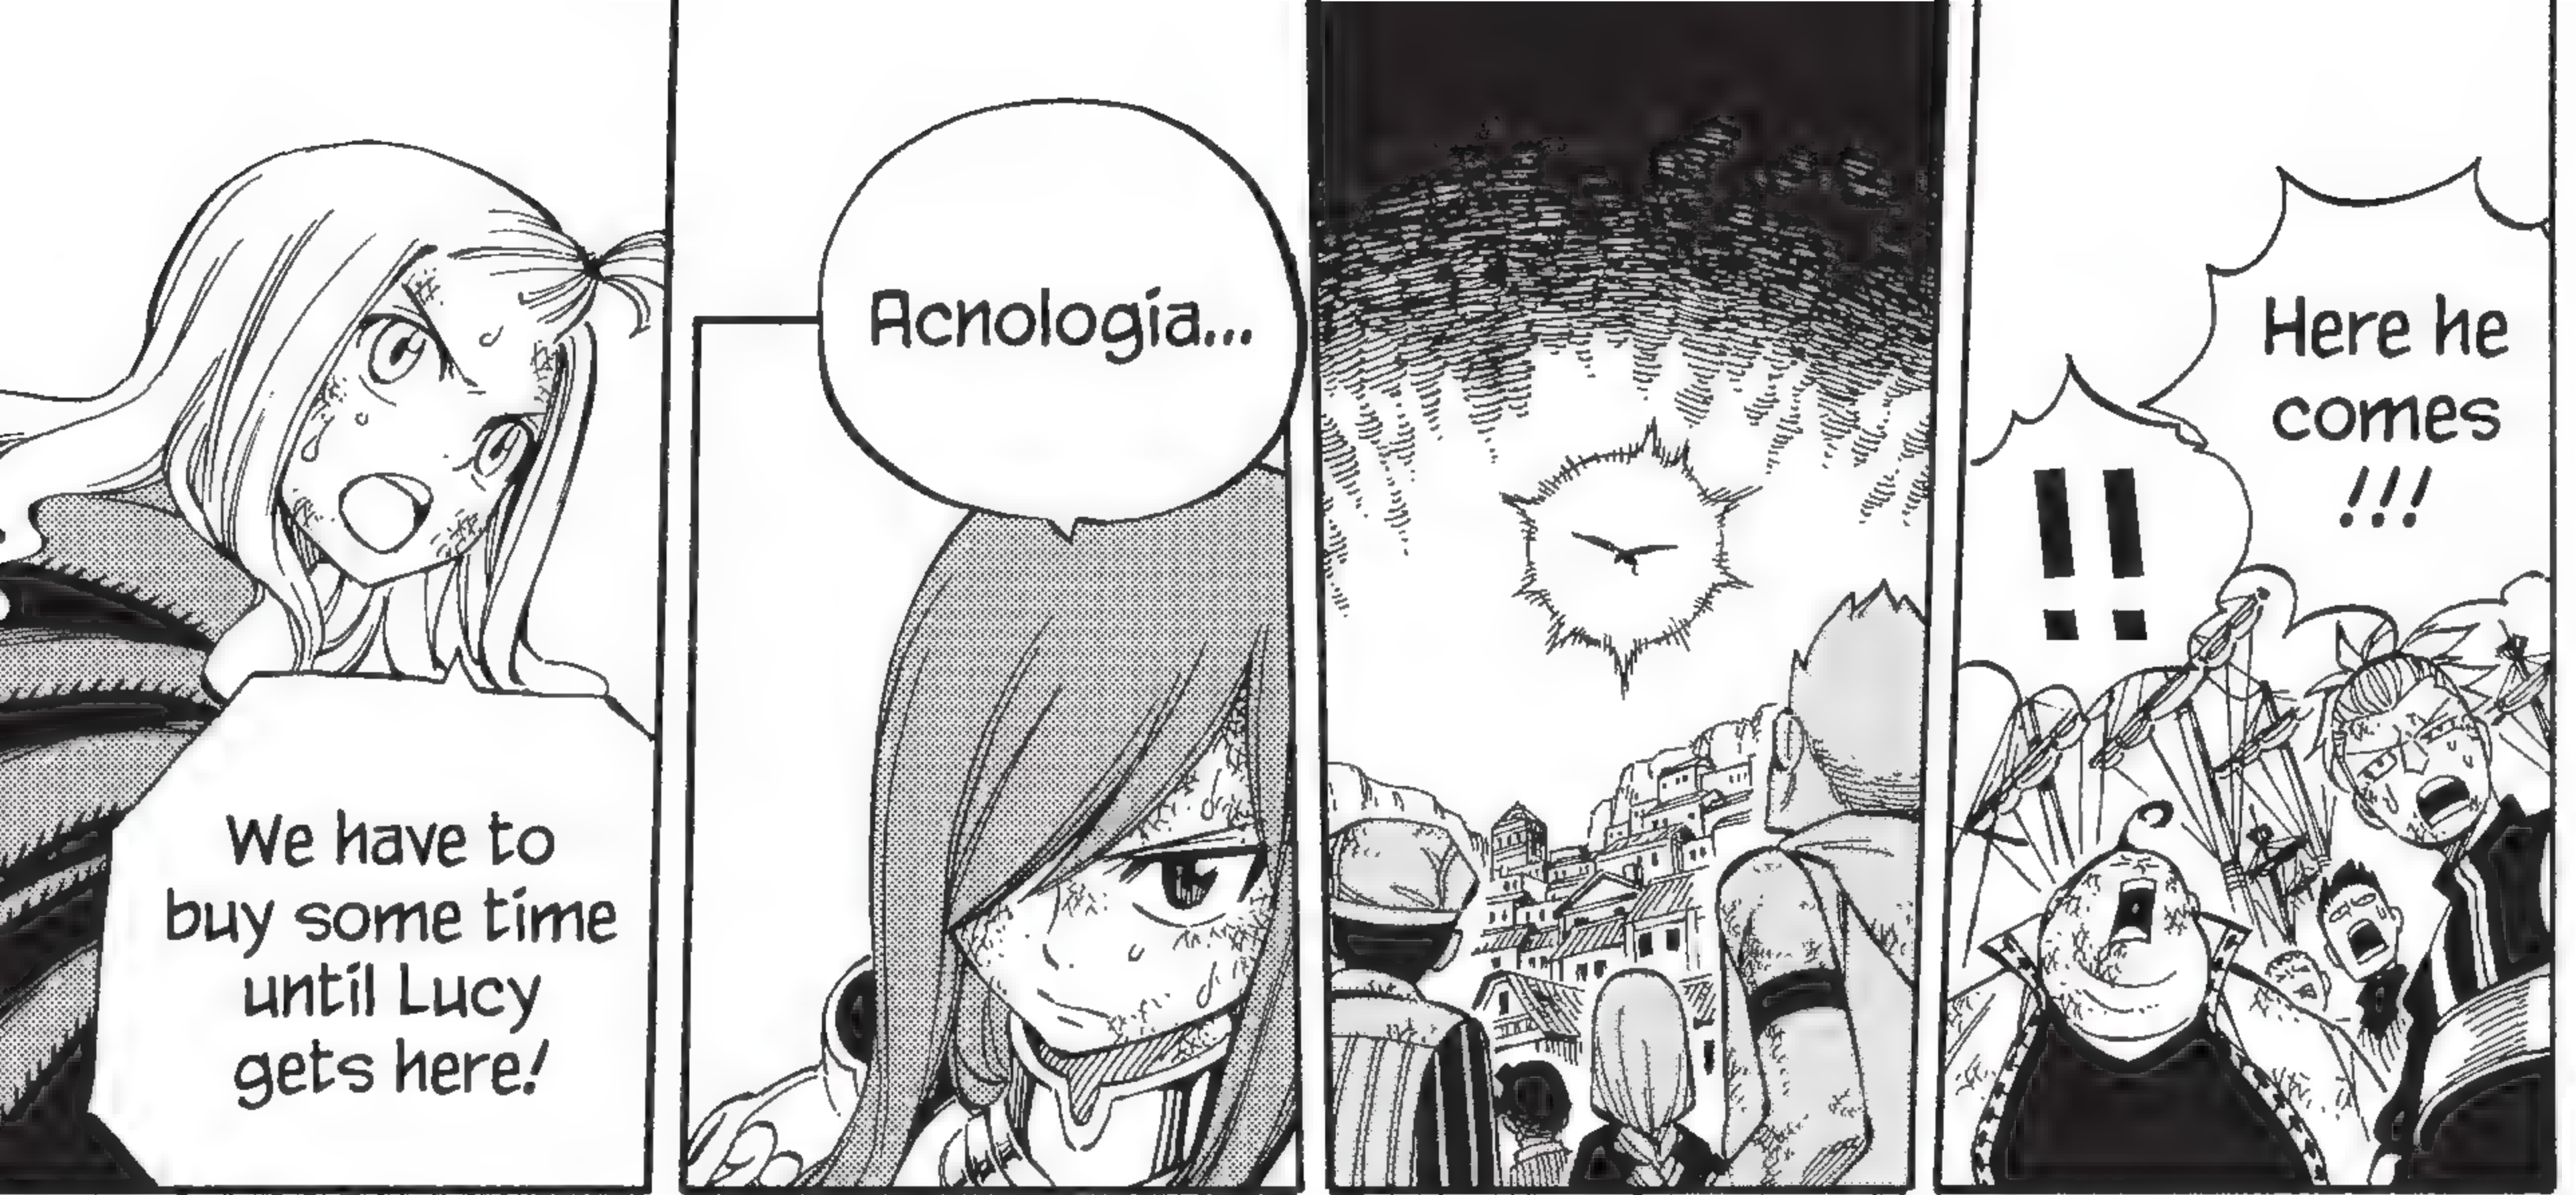

Final?

KA HA HA
HA HA HA
HA HA!!!!

Hargeon...

He has a tendency to pursue the largest amounts of magic!!

Please use that to lure him to a ship!!

Well done, Minerva and Yukino!!

We'll take it from here.

WOBBLE

Forgive me!! I am out of magic!!

Fro too!!

WOBBLE

I regret that we...

Yes.

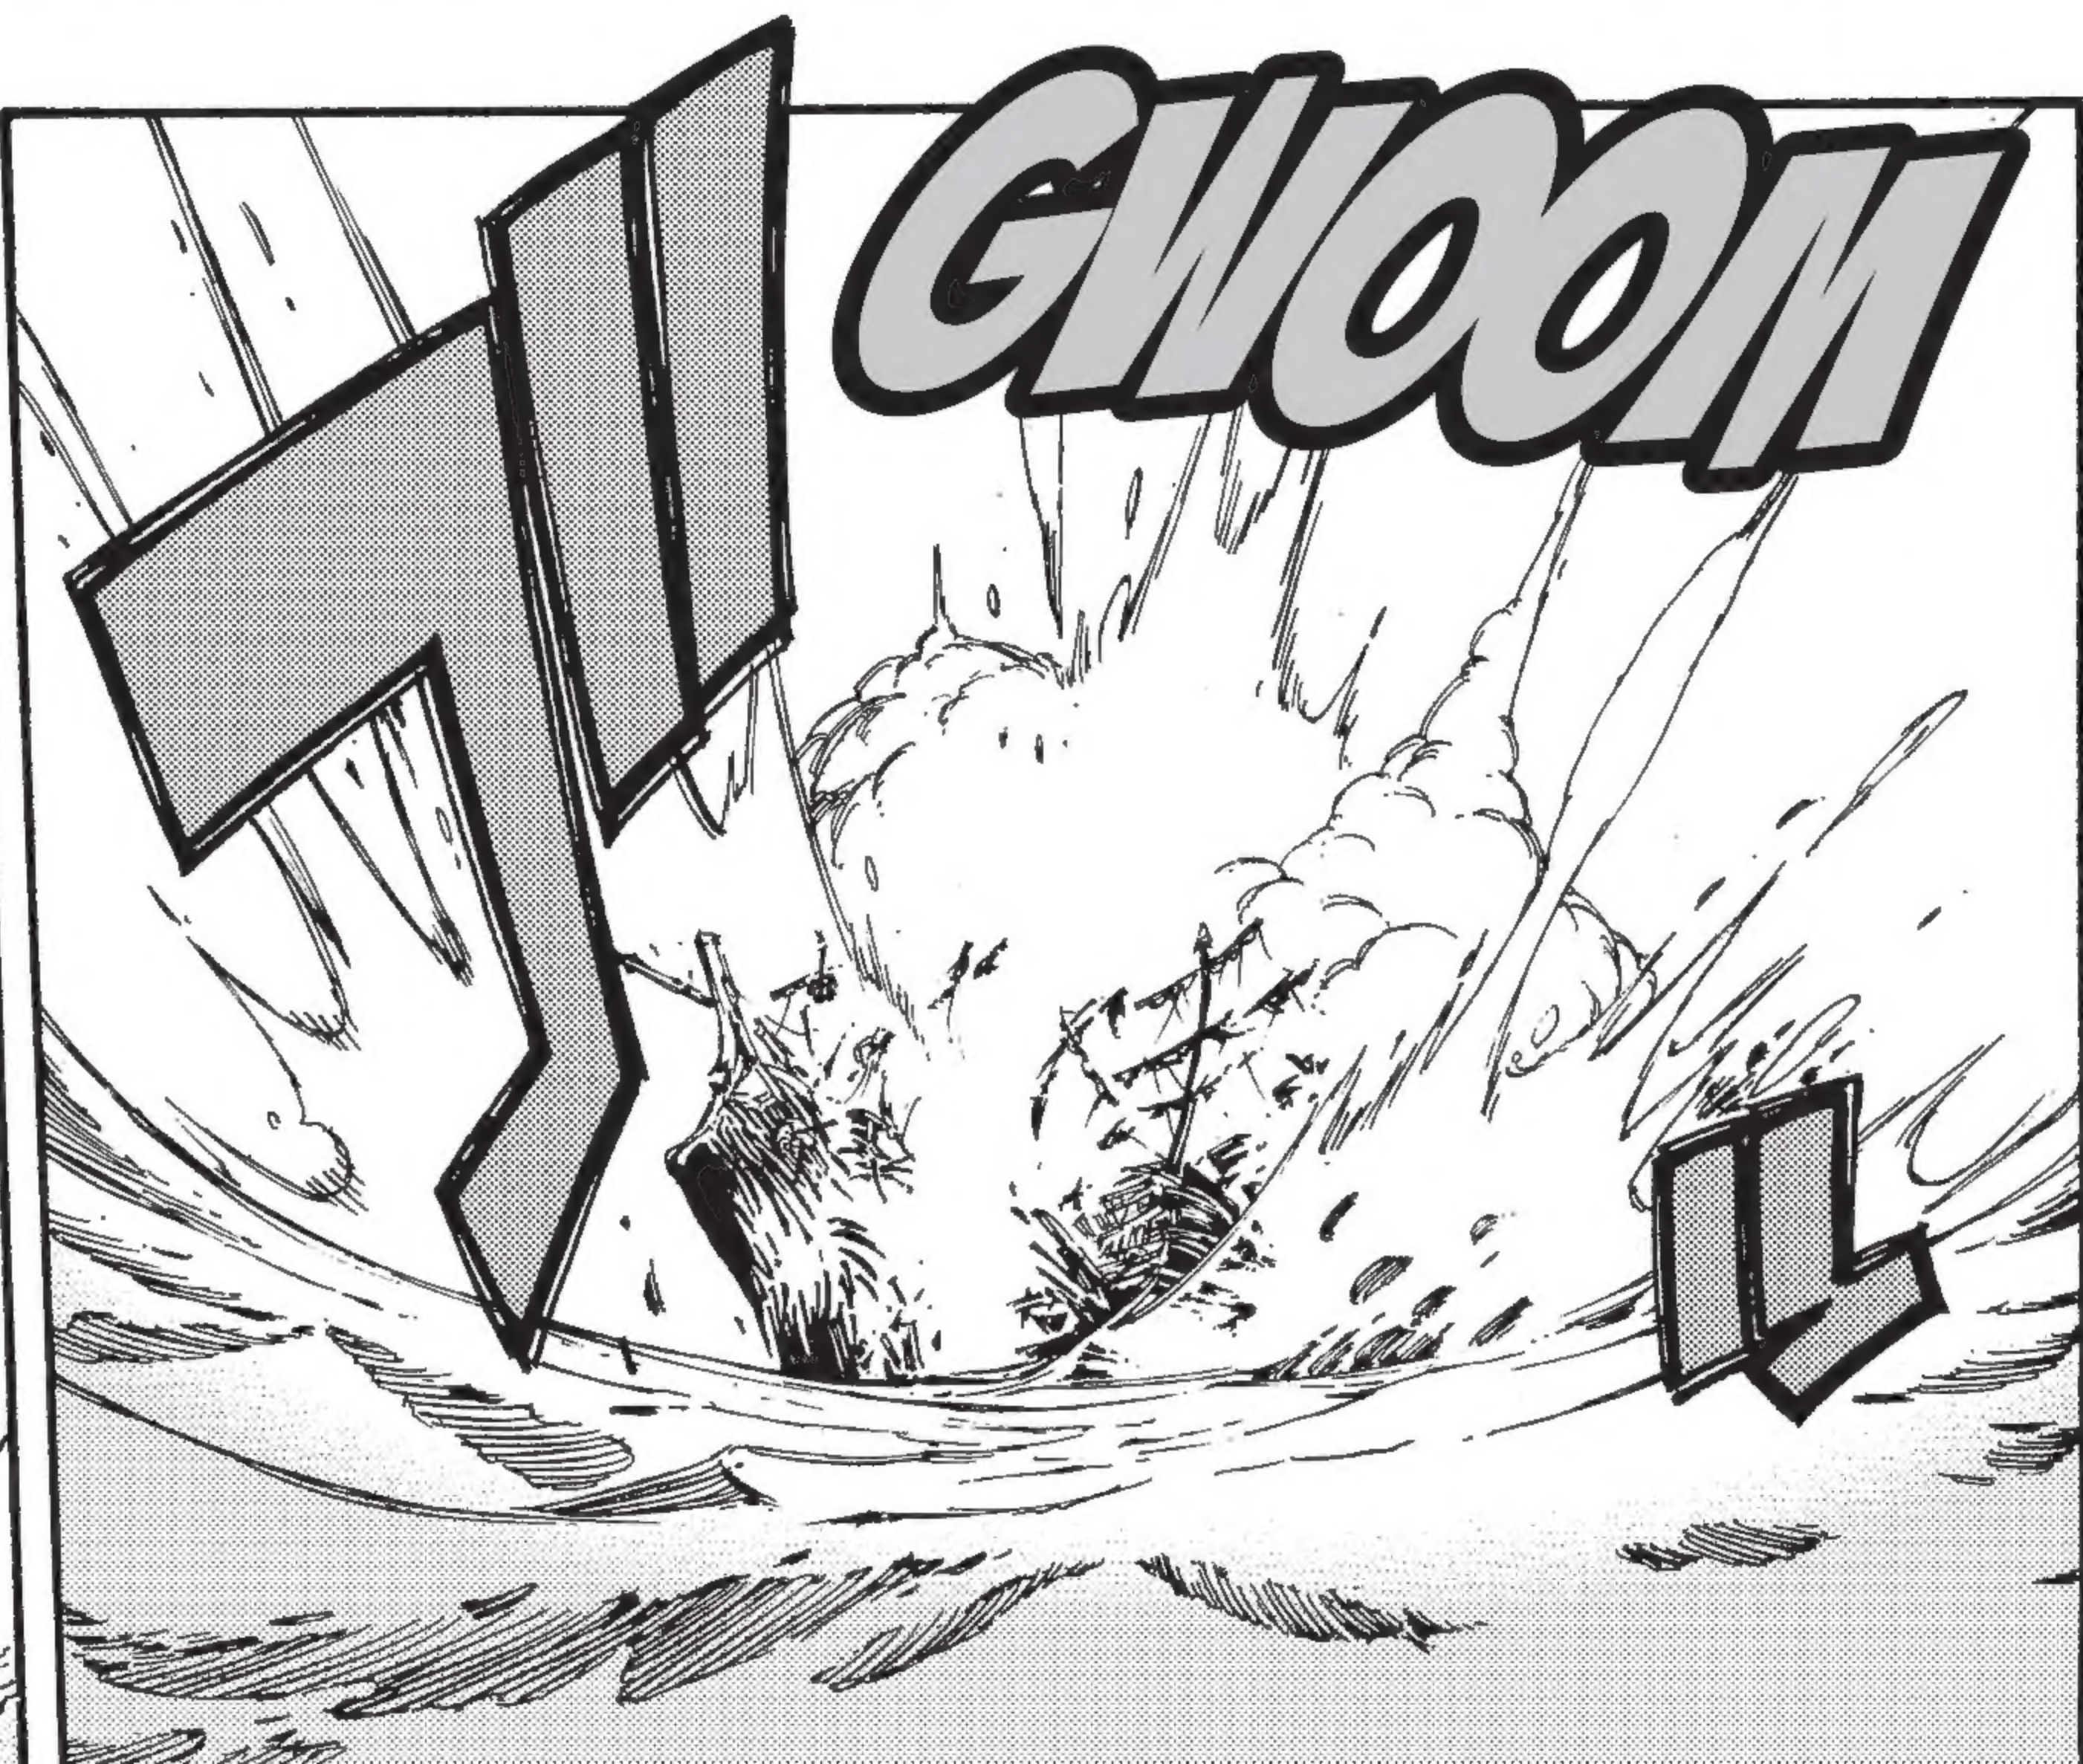

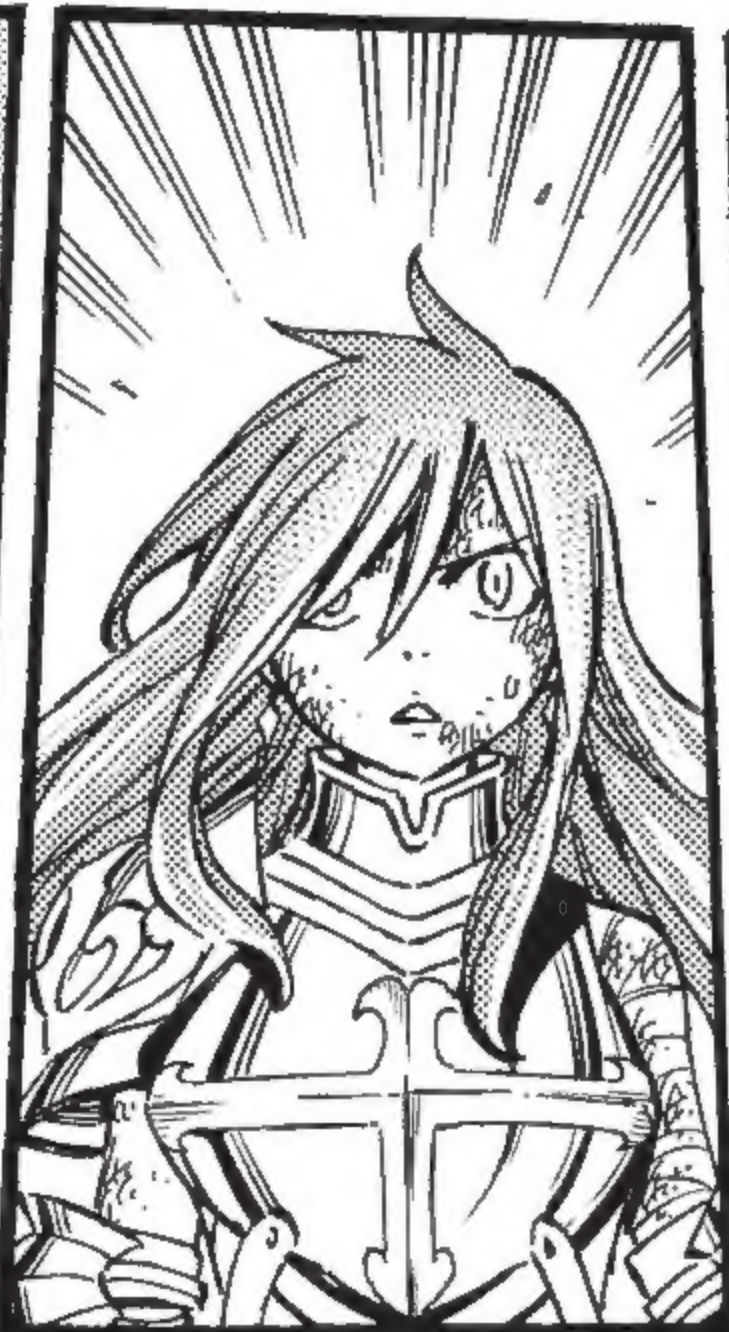

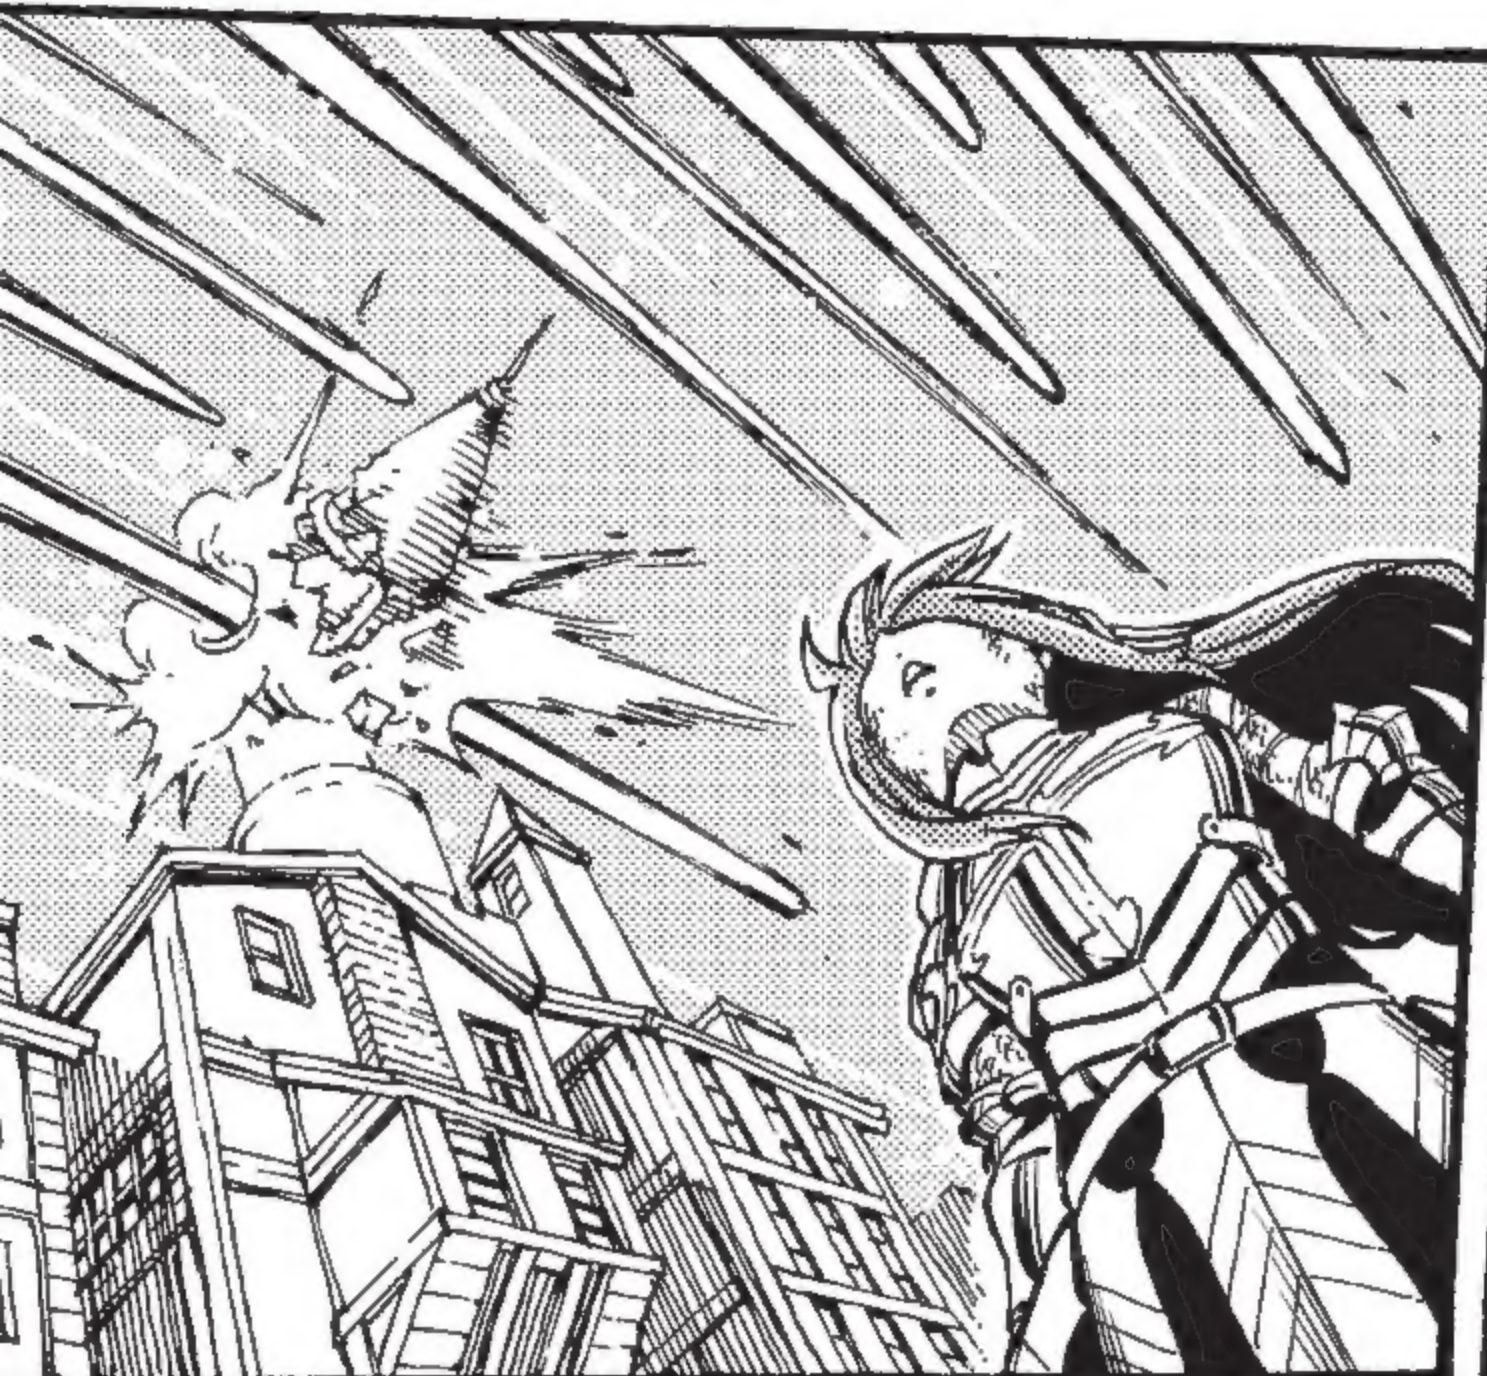

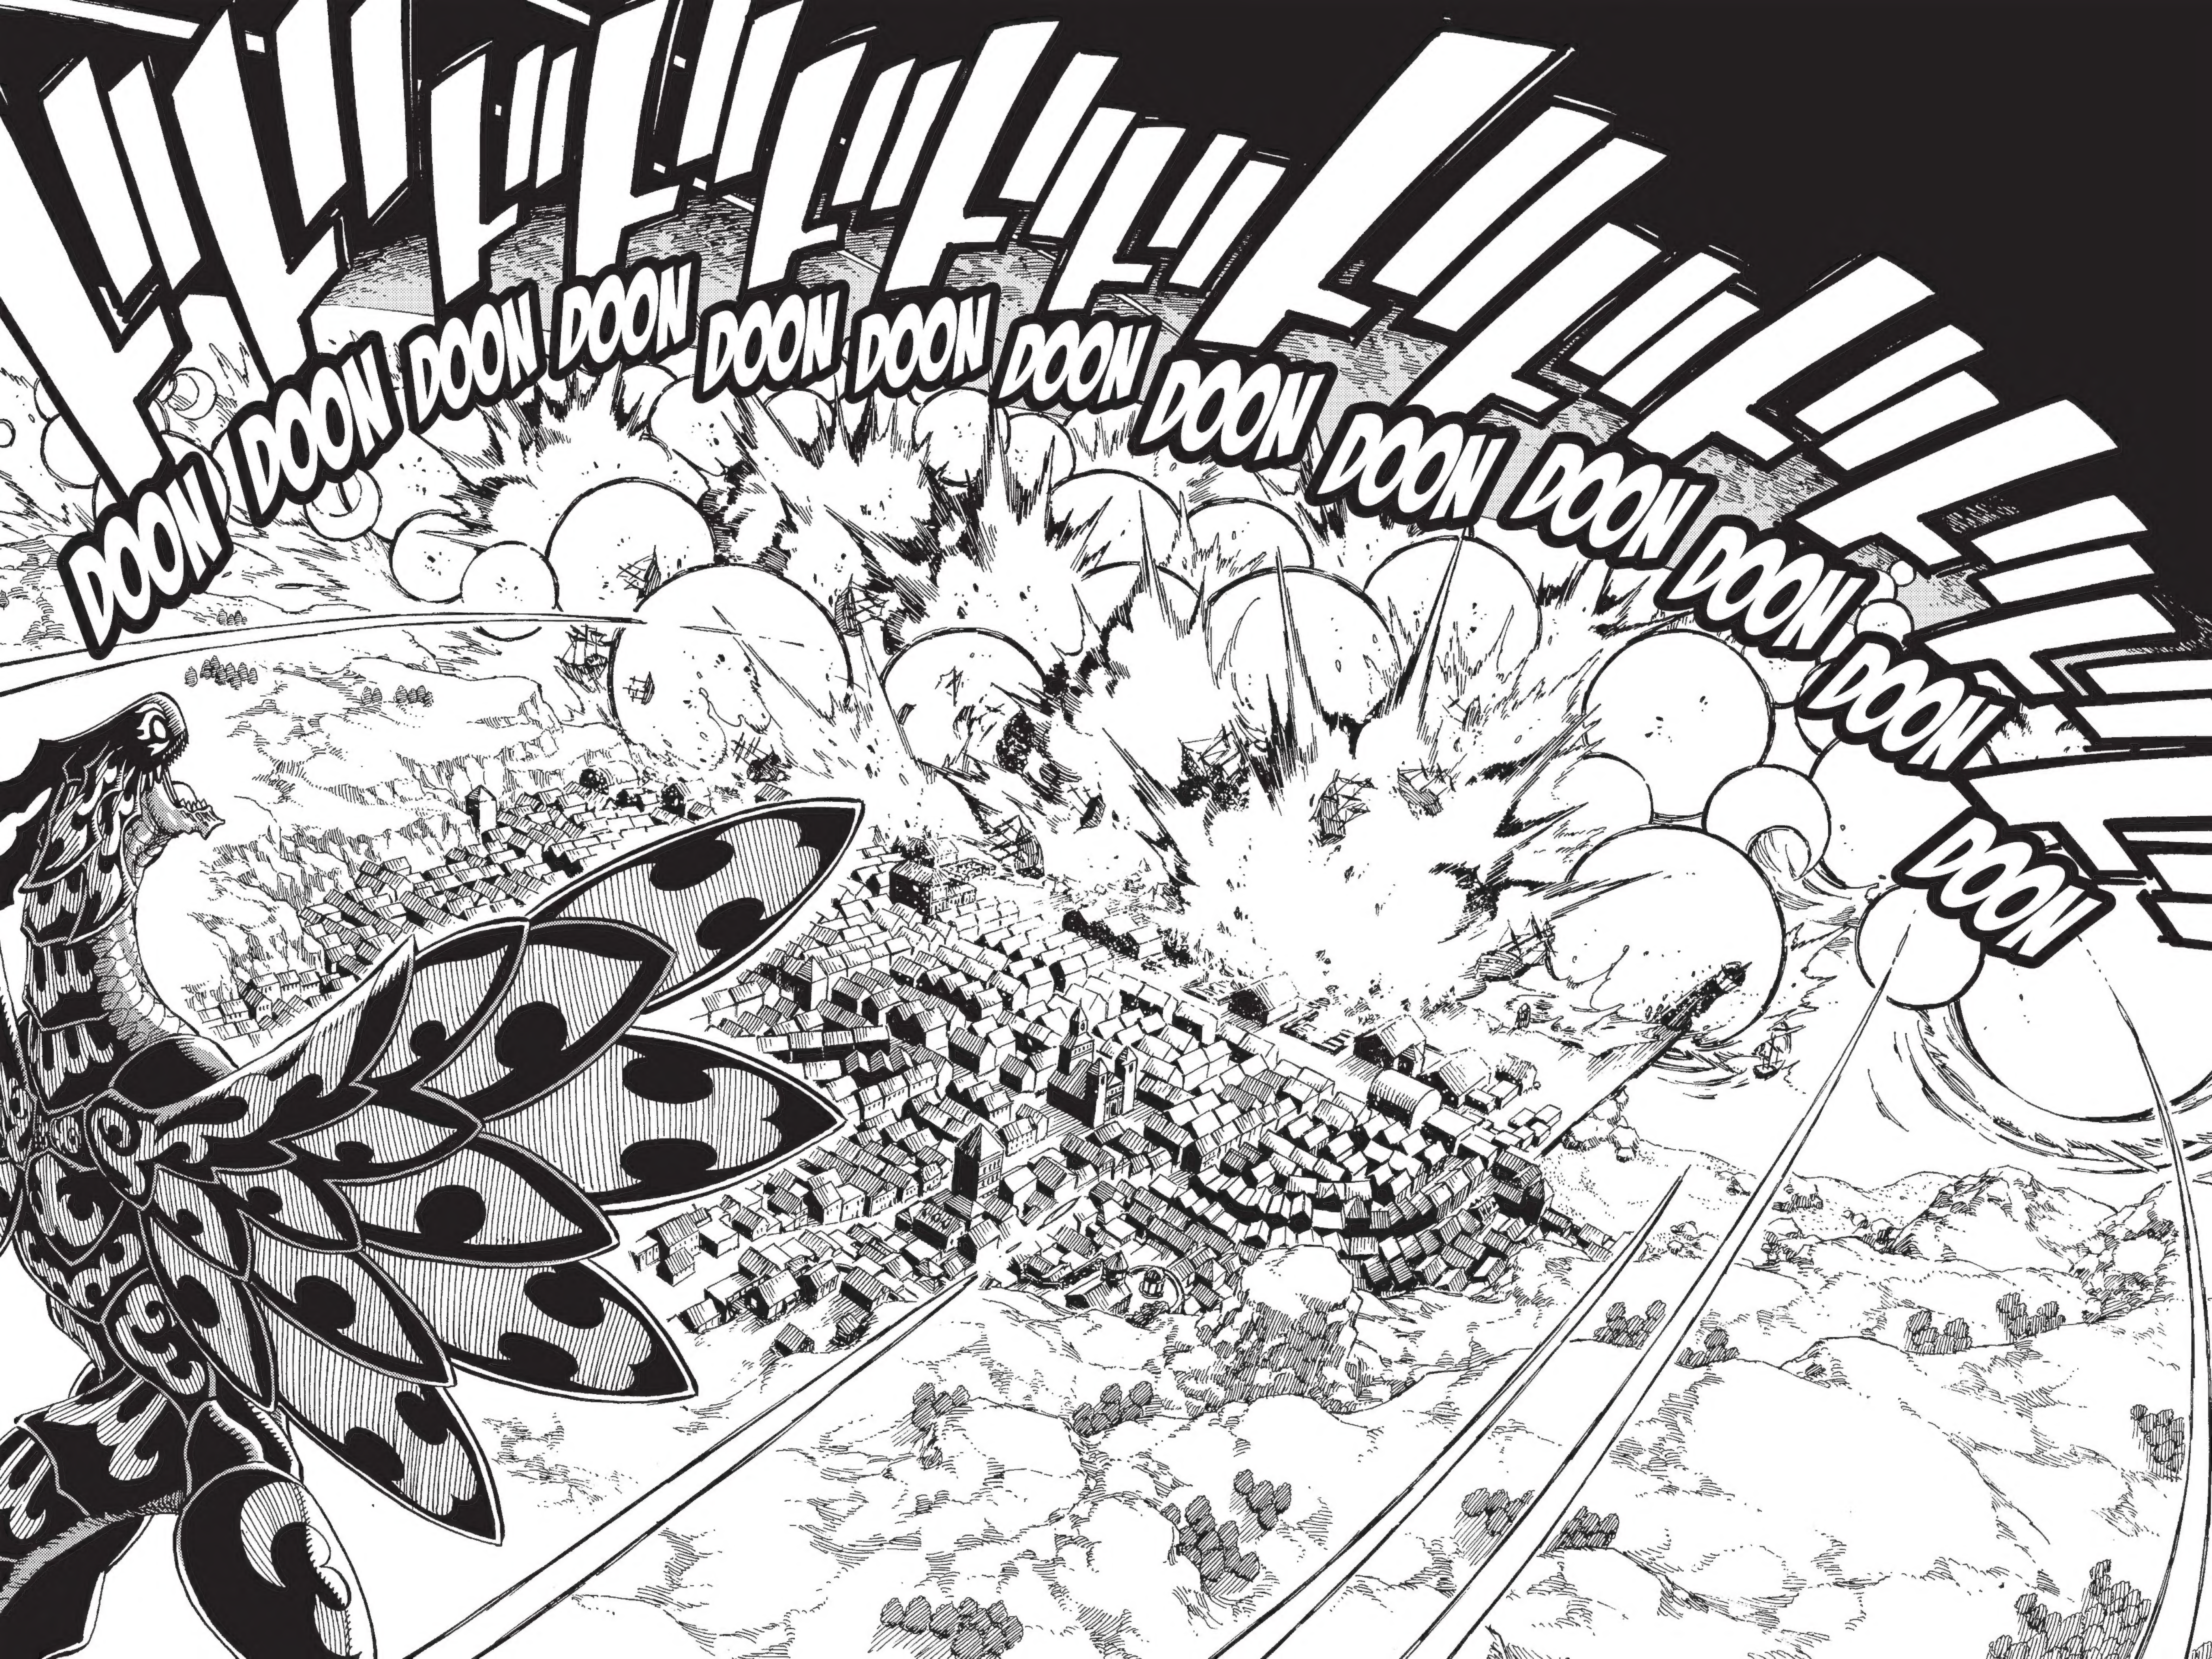

Oh, no!! This is its attack!!!

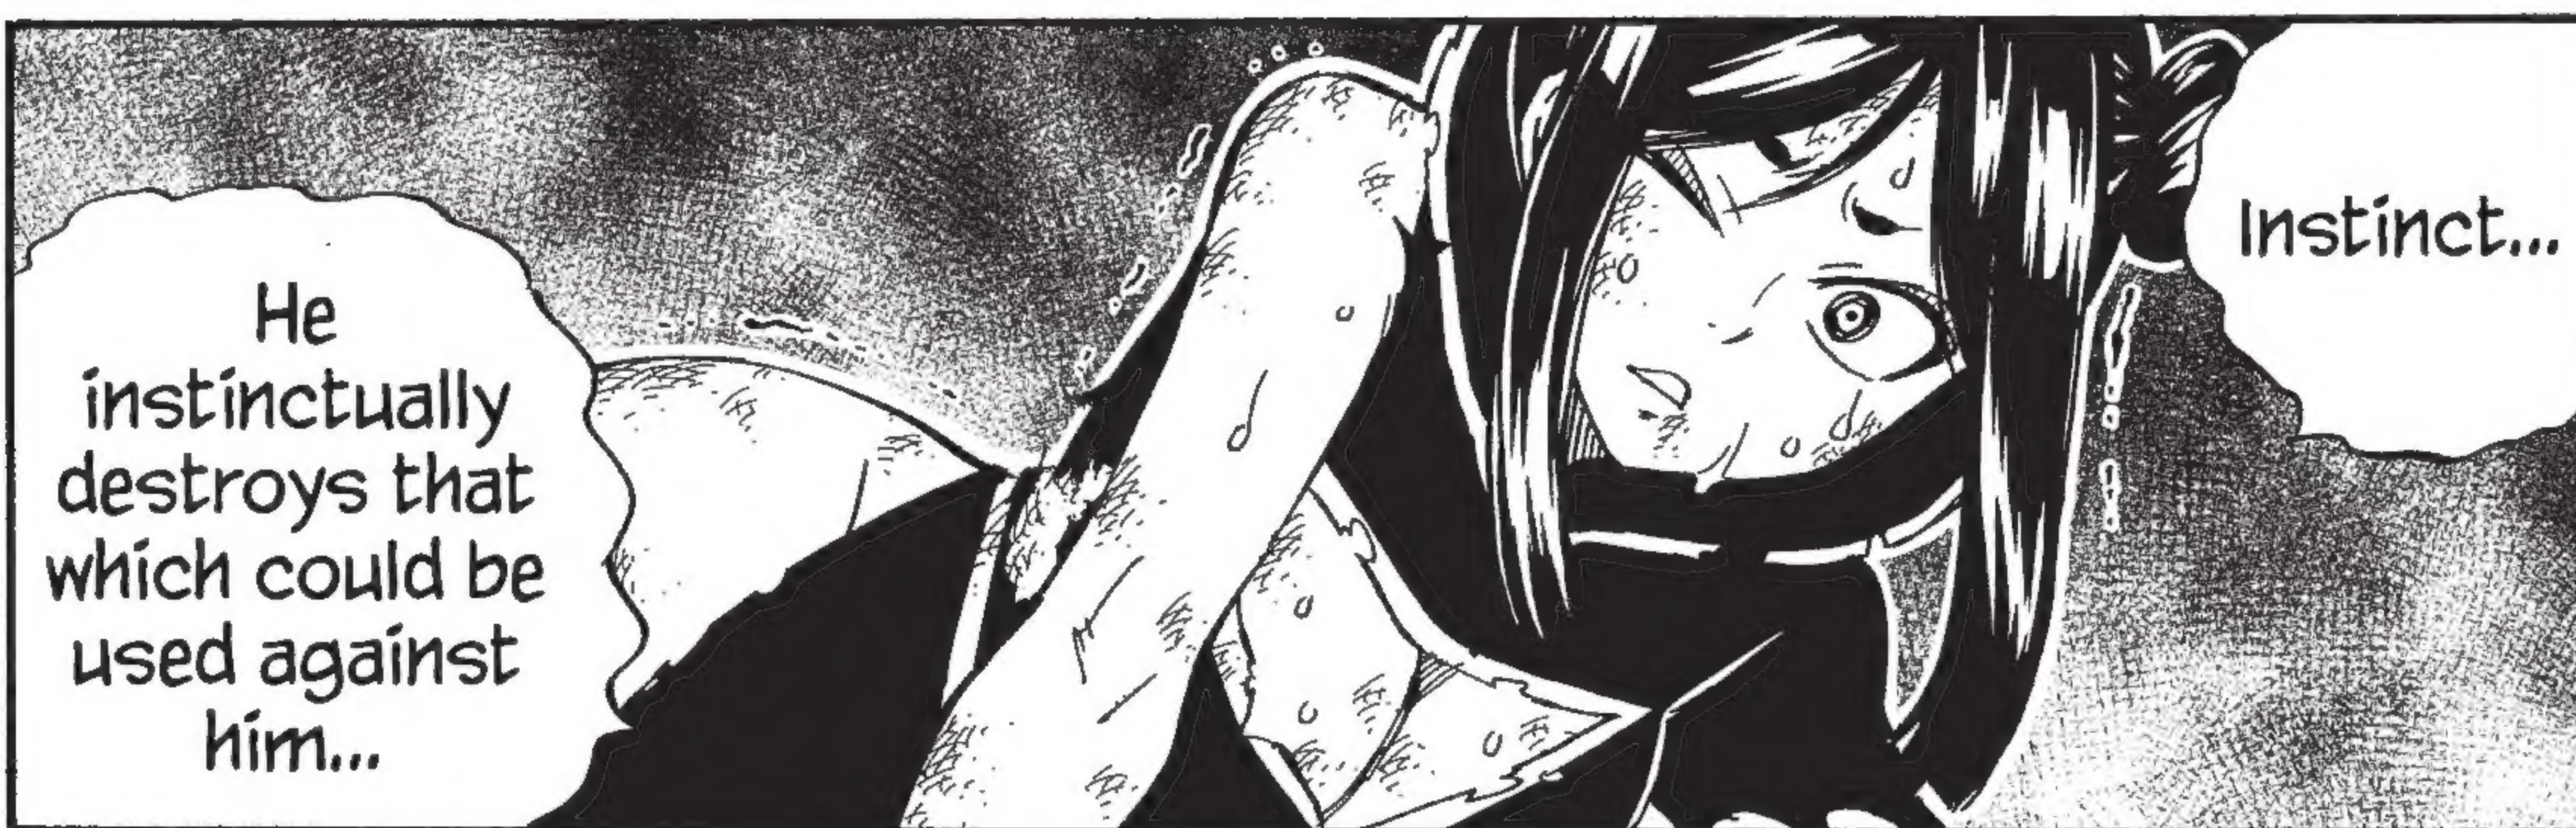

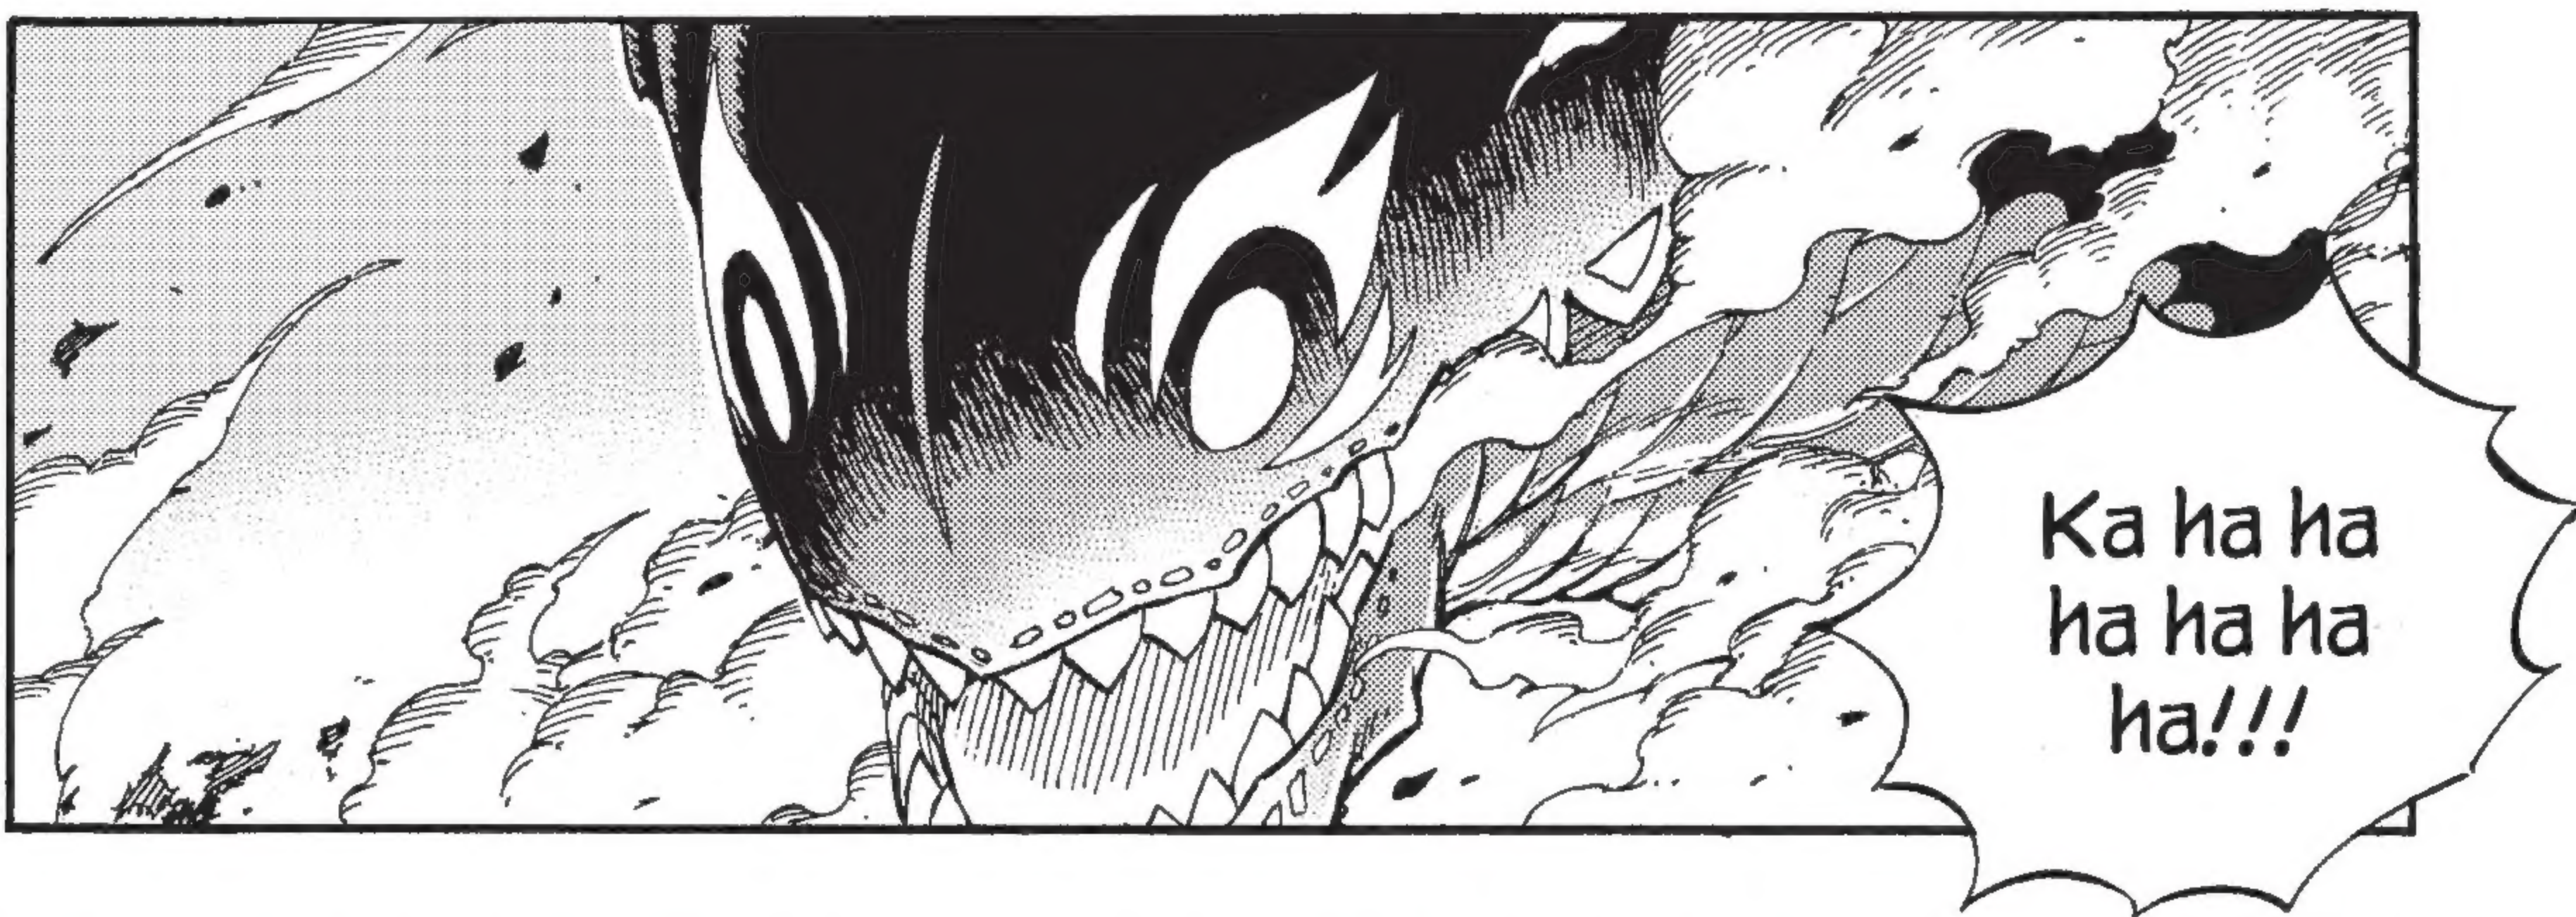

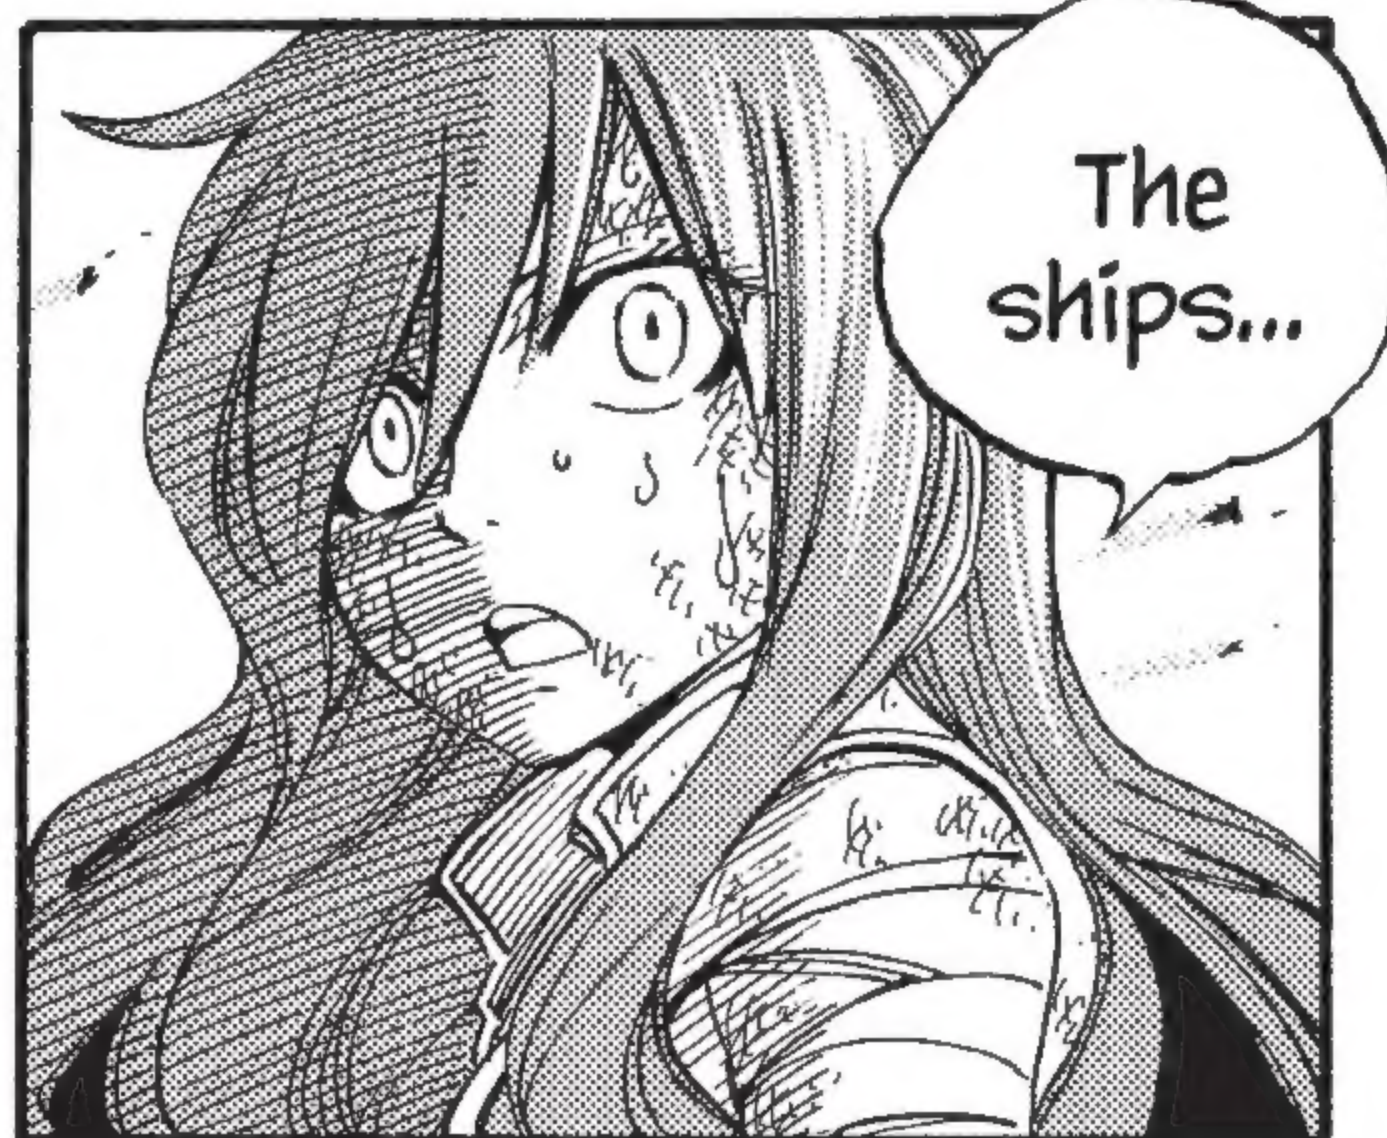

Everybody get down!!!
